TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, qualified to vote in elections, to meet at the polling places designated for the several precincts in said Town on

MONDAY, THE SIXTH DAY OF MARCH, 1961

at seven o'clock in the forenoon, to act on the following Articles, namely:

Article 1. To elect by ballot the following Town Officers: Two Selectmen for three years; one Assessor for three years; three members of the School Committee for three years and one member of the Arlington Housing Authority for five years; also, in accordance with the provisions of Chapter 43A of the General Laws, in each precinct the number of Town Meeting Members as hereinafter specified: in Precinct 1, one such member for two years and five such members for three years; in Precinct 2, one such member for one year and six such members for three years; in Precinct 3, four such members for three years; in Precinct 4, one such member for one year and six such members for three years; in Precinct 5, one such member for one year and seven such members for three years; in Precinct 6, five such members for three years; in Precinct 7, one such member for one year and five such members for three years; in Precinct 8, five such members for three years; in Precinct 9, one such member for one year and six such members for three years; in Precinct 10, one such member for one year and five such members for three years; in Precinct 11, one such member for one year and seven such members for three years; in Precinct 12, one such member for one year and six such members for three years; in Precinct 13, one such member for one year and six such members for three years; in Precinct 14, one such member for two years and eight such members for three years, and to see if the Town will accept the provisions of Chapter 595 of the Acts of 1959 amending Chapter 32B of the General Laws by inserting after Section 9, Section 9A, being "Shall the Town pay one-half the premium costs payable by a retired employee for group life insurance and for group general or blanket hospital, surgical and medical insurance?"

For these purposes, the polls will be opened at seven o'clock A.M. and remain open until eight o'clock P.M., at each of the polling places designated, viz: Precinct One, in the East Arlington Branch Library, entrance on Massachusetts Avenue; Precincts Two and Four, in the Hardy School Building, entrance on Lake Street; Precinct 3, in the Junior High School Building East, entrance on Tufts Street; Precinct 5, in the Thompson School Building, entrance on North Union Street; Precincts Six and Eight, in the Town Hall; Precincts Seven and Nine, in the St. Agnes Parochial School Building;

Precinct 7, side entrance on Medford Street; Precinct 9, entrance on Compton Street; Precincts 10A and 12A, in the Cutter School Building, entrance on School Street; Precincts 10B and 12B, in the Brackett School Building, entrance on Eastern Avenue; Precinct Eleven, in the Highland Hose House, entrance on Massachusetts Avenue; Precinct Thirteen, in the Peirce School Building, entrance on Park Avenue North, Heights; Precinct Fourteen A, Park Avenue Congregational Church, entrance on Paul Revere Road; Precinct Fourteen B, in the Dallin School Building, entrance on Florence Avenue.

You are, also required to notify and warn the said inhabitants to meet at the Town Hall, in said Town on Monday, the twentieth day of March, 1961, at eight o'clock in the evening, at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 2. To choose and appoint all other usual Town officers not hereinbefore mentioned, in such manner as the Town may determine.

Article 3. To hear and act on the reports of the committee under vote of the Town passed March 28, 1951, to investigate and consider the matter of a Fire Prevention Code for the town of Arlington; of the committee under vote of the Town passed March 26, 1952, to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles; of the committee under votes of the Town passed March 20, 1953, and March 24, 1954, to investigate, consider and make recommendations to the Town relative to the construction and operation of refuse disposal incinerators; of the committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings within the Town and the future locations of new school buildings; of the committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets; of the committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach; of the Peirce School Playground Improvement Committee under vote of the Town passed March 25, 1955; of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955; of the committee on quarters for organizations now occupying the Old Town Hall under vote of the Town passed April 2, 1956; of the committee on the improvement of the acoustics in the Robbins Memorial Town Hall auditorium under vote of the Town passed April 2, 1956; of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956; of the Arlington Development Commission under vote of the Town passed March 25, 1957; of the committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows; of the committee under vote of the Town passed March 21, 1958, to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precincts of the Town; of the committee under vote of the Town passed March 23, 1959, to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting system in accordance with the directive contained in Docket 12295 of the Federal Communications Commission; of the committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue; of the committee under vote of the Town passed March 21, 1960, to investigate, consider and make recommendations relative to Town encouragement financially, or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time

activities; and of other Town Boards and officers and of the Finance and other committees heretofore appointed.

Article 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1962, and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 5. To see if the Town will make an appropriation or appropriations to pay the claims or charges of Symmes Arlington Hospital including such claims and charges for aid, relief or care furnished prior to January 1, 1961, to persons falling into distress and standing in need of immediate relief; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 6. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or $208.00, whichever is the greater, in the annual salary schedule, and $4.00 or approximately four percent (4%) to the nearest even daily rate, whichever is the greater, in the weekly salary schedule, and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; said amendment to be effective April 1, 1961; appropriate the sum of $93,750.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 7. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum — $4520.00", "Step 1 — $4834.00", and "Maximum — $5150.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum — $4612.00", "Step 1 — $4926.00", and "Maximum — $5242.00", and by striking out the words and figures "Maximum — $5674.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum — $5818.00", and by striking out the words and figures "Maximum — $6200.00", where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum — $6419.00", and by striking out the words and figures "Maximum — $6724.00", where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum — $7043.00"; said amendment to be effective April 1, 1961; appropriate the sum of $15,640.00 to be expended by the various departments affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 8. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum — $6092.00", "Step 1 — $6354.00", "Step 2 — $6620.00", "Step 3 — $6882.00", and "Maximum — $7158.00" where they appear in Grade LS 8 of said Schedules and inserting in place thereof the words and figures "Minimum — $6500.00", "Step 1 — $6750.00", "Step 2 — $7000.00", "Step 3 — $7250.00", and "Maximum — $7550.00", and by striking out the words and figures "Minimum — $4752.00", "Step 1 — $4938.00", "Step 2 — $5150.00", "Step 3 — $5346.00", and "Maximum — $5620.00" where they appear in Grade LS 7

of said Schedules and inserting in place thereof the words and figures "Minimum — $5000.00", "Step 1 — $5200.00", "Step 2 — $5400.00", "Step 3 — $5600.00", and "Maximum — $5800.00", and by striking out the words and figures "Minimum — $4650.00", "Step 1 — $4832.00", "Step 2 — $5024.00", "Step 3 — $5220.00" and "Maximum — $5416.00" where they appear in Grade LS 6 of said Schedules and inserting in place thereof the words and figures "Minimum — $4700.00", "Step 1 — $4900.00", "Step 2 — $5100.00", "Step 3 — $5300.00", and "Maximum — $5500.00"; said amendment to be effective April 1, 1961; appropriate the sum of $555.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 9. To see if the Town will amend Schedule A of the Classification Plan, and Schedule B of the Pay Plan, as established by Article 7C of the By-Laws, by striking out the words and figures "Minimum — $7308.00", "Step 1 — $7570.00", "Step 2 — $7834.00", "Step 3 — $8096.00", and "Maximum — $8358.00" where they appear in Grade AG 14 of said Schedules and inserting in place thereof the words and figures "Minimum — $7450.00", "Step 1 — $7700.00", "Step 2 — $7950.00", "Step 3 — $8200.00", and "Maximum — $8500.00"; and by reallocating Civil Engineer, Grade 4, from Grade AG 10 to Grade AG 11; said amendment to be effective April 1, 1961; appropriate the sum of $360.00 to be expended by the department affected; and determine in what manner they money shall be raised.

(Inserted at the request of the Personnel Board)

Article 10. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by striking out "(10¢ per hour additional when operating power shovel, power grader and power sweeper)" where it appears after "Motor Equipment Operator, Grade 3" and inserting in place thereof "(10¢ per hour additional when operating power shovel, power grader, power sweeper, and bulldozer on sanitary fill)"; said amendment to be effective April 1, 1961; appropriate the sum of $156.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 11. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Timekeeper, from Grade MC 4 to Grade MC 5; said amendment to be effective April 1, 1961; appropriate the sum of $164.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 12. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating General Public Works Foreman, from Grade AG 8 to Grade AG 9; said amendment to be effective April 1, 1961; appropriate the sum of $267.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 13. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Supervisor of Custodians and Maintenance, from Grade AG 13 to Grade AG 14; said amendment to be effective April 1, 1961; appropriate the sum of $236.00 to be expended by the department affected; and determine in what manner the money shall be raised.

(Inserted at the request of the Personnel Board)

Article 14. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by adding the classification of Supervisor of Technical Services, Grade LS 6.

(Inserted at the request of the Personnel Board)

Article 15. To see if the Town will amend Section 3, of Article 7C of the By-Laws, by adding the following sentence at the end thereof:

"Requests to the Personnel Board for amendments to the Classification and Pay Plan or for any other amendments to this By-Law at any Annual Meeting shall be in writing and received by the Personnel Board on or before November 1st of the year preceding such Annual Town Meeting in order to be considered by said Board."

(Inserted at the request of the Personnel Board)

Article 16. To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Senior Building Custodian from Grade MC4 to Grade MC5 and by reallocating Senior Building Custodian (Junior High, Library and Town Hall) from Grade MC5 to Grade MC6; said amendments to be effective April 1, 1961; appropriate the sum of $2,652.00 to be expended by the various departments affected; and determine how the money shall be raised; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 17. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by reallocating Public Works Foreman from Grade MC7 to MC8; said amendment to be effective April 1, 1961; appropriate the sum of $1545.00 to be expended by the department affected; and determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 18. To see if the Town will vote to appropriate the sum of Ninety-Four Thousand Six Hundred and Thirty-Eight ($94,638.00) Dollars to provide Group Health, Hospital, Medical and Surgical Insurance benefits for certain persons in the employ of the Town of Arlington and their dependents in accordance with the provisions of Chapter 32B of the General Laws of Massachusetts, as amended; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 19. To see if the Town will vote to amend Section 13 of Article 7C of the Town By-Laws entitled "Vacation Leave" by deleting sub-section 3 of said Section 13 and inserting the following new section thereof:

3. Department heads shall allow vacations with pay to employees who have met the requirements set forth above, as follows:

A. Two calendar weeks for employees, except professional librarians and library assistants, who have less than five years of service with the Town.

B. Three calendar weeks vacation for employees, except professional librarians and library assistants who have served not less than five years of continuous full time service with the Town, said five years service to be completed prior to July 1 of the year preceding that for which such third week vacation shall be granted.

C. Four calendar weeks vacation for employees, except professional librarians and library assistants, who have served not less than fifteen years of continuous full time service with the Town, said fifteen years service to be completed prior to July 1 of the year preceding that for which such fourth week's vacation shall be granted.

D. Four calendar weeks vacation for professional librarians.

E. Three calendar weeks vacation for libary assistants. Provided, however, that any library assistant who has served not less than fifteen years of continuous full time service with the Town shall be entitled to a vacation of four calendar weeks, said fifteen years to be completed prior to July 1 of the year preceding that for which such fourth week's vacation shall be granted.

(Inserted at the request of ten (10) registered voters)

Article 20. To see if the Town will make an appropriation to excavate, grade, pave, paint stalls, provide lighting, parking meters, parking lot curb, gates, treadles and do any and all other acts necessary on land owned by the Town of Arlington commonly known as the Municipal Parking Area on Winslow Street, for the purpose of providing a public off-street parking area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 21. To make appropriations to defray Town obligations, liabilities, outlay and expenses and especially for or relating to all or any of the boards, departments, purposes and matters hereinafter mentioned, and to provide for the disposal of motor vehicles and other personal property belonging to the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Finance Committee; Board of Selectmen; Town Manager; Purchasing Agent; Maintenance Department; Accountant; Town Treasurer and Collector of Taxes Department; Assessors' Department; Legal Department; Claims; Town Clerk's Department; Vital Statistics; Public Works Department; Engineering Department; Elections and Town Meetings; Planning Board; Board of Survey; Robbins Memorial Town Hall; Town House Grounds Department; Police Department; Parking Meters; Fire Department; Fire and Police Signal System; Building, Plumbing and Gas Inspection; Boards of Appeals (Building and Zoning); Wire Department; Sealer of Weights and Measures; Gypsy and Brown Tail Moth Suppression; Tree Warden's Department; Health Department; Inspector of Animals; Sewerage System Maintenance; Removal of Ashes, Offal and Rubbish; Highway Division; Snow and Ice Removal; Lighting of Streets and Ways; Traffic Signals; Public Welfare Department; Aid to Dependent Children; Old Age Assistance; Disability Assistance; District or other Nurses; Veterans' Benefits; Schools; Robbins Library and Branches; Parks; Playgrounds; Pensions (Non Contributory); Contributory Retirement System; Memorial Day; Patriots' Day; Printing Town Reports; Insurance; Workmen's Compensation Insurance Funds; Municipal Insurance Fund; Reserve Fund; Maintenance of Menotomy Hall and Houses Owned by the Town; Water Department Maintenance; Cemeteries; Interest; Debt; Sinking Fund; Personnel Board; Civil Defense.

Article 22. To see if the Town will make an appropriation for the Extension of the Sewerage System; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 23. To see if the Town will make an appropriation for the Extension of Water Mains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 24. To see if the Town will make an appropriation for the Extension of Storm Drains; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 25. To see if the Town will make an appropriation for the Construction and Installation of Sidewalks and Edgestones; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 26. To see if the Town will make an appropriation for the Reconstruction and Maintenance of Permanent Sidewalks and Resetting of Edgestones Upon the Public Ways of the Town; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 27. To see if the Town will make an appropriation for Improvements throughout the Town to the Town's Drainage System and to increase its capacity; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 28. To see if the Town will vote to authorize the Town Manager to sell, transfer, or otherwise dispose of accumulated obsolete equipment owned by the Town and formerly used by the Public Works Department; or take any action relating thereto.

Article 29. To see if the Town will make an appropriation for the relocation, alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Warren Street, Mystic Street, Massachusetts Avenue and Park Avenue, within the town as now existing or hereafter relocated, altered and widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums wich may be allotted by the Commonwealth or County of Middlesex, or both, for such purpose or purposes; determine in what manner the money shall be raised and expended; or take any action in any way relative to all or any of the foregoing.

Article 30. To see if the Town will accept the laying out of a Town way from Windmill Lane to Cherokee Road, substantially in the location of the private way known as Old Colony Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Windmill Lane and the southerly side line of Old Colony Road, thence northwesterly and westerly on said southerly side line of Old Colony Road on a curve to the left with a radius of 113.71 feet a distance of 104.79 feet to a point of tangency, thence southwesterly on said southerly side line of Old Colony Road a distance of 452.50 feet to a point of curve, thence westerly on said southerly side line of Old Colony Road on a curve to the right with a radius of 1581.41 feet a distance of 193.21 feet to a point of tangency, thence westerly on said southerly side line of Old Colony Road a distance of 331.50 feet to a point of curve, thence northwesterly on said southerly side line of Old Colony Road on a curve to the right with a radius of 181.73 feet a distance of 156.28 feet to a point of tangency, thence northwesterly on said southerly side line of Old Colony Road a distance of 160.26 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southerly side line of Old Colony Road on a curve to the left with a radius of 40.56 feet a distance of 51.66 feet to the point of intersection of said southerly side line of Old Colony Road and the southerly side line of Cherokee Road, thence

northeasterly on said southerly side line of Cherokee Road a distance of 97.83 feet to the point of intersection of said southerly side line of Cherokee Road and the northerly side line of Old Colony Road, thence southwesterly, southerly and southeasterly on said northerly side line of Old Colony Road on a curve to the left with a radius of 19.23 feet a distance of 35.92 feet to a point of tangency, thence southeasterly on said northerly side line of Old Colony Road a distance of 152.01 feet to a point of curve, thence southeasterly on said northerly side line of Old Colony Road on a curve to the left with a radius of 141.73 feet a distance of 121.89 feet to a point of tangency, thence easterly on said northerly side line of Old Colony Road a distance of 331.50 feet to a point of curve, thence easterly on said northerly side line of Old Colony Road on a curve to the left with a radius of 1541.41 feet a distance of 188.32 feet to a point of tangency, thence northeasterly on said northerly side line of Old Colony Road a distance of 452.50 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northerly side line of Old Colony Road on a curve to the left with a radius of 32.15 feet a distance of 64.43 feet to the point of intersection of said northerly side line of Old Colony Road and the southwesterly side line of Windmill Lane, thence southeasterly on said southwesterly side line of Windmill Lane distances of 140.08 feet and 4.34 feet respectively to the point of beginning.

Article 31. To see if the Town will accept the laying out of a Town way from Longmeadow Road to Old Colony Road, substantially in the location of the private way known as Arrowhead Lane, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Longmeadow Road and the easterly side line of Arrowhead Lane, thence southwesterly on said easterly side line of Arrowhead Lane on a curve to the left with a radius of 104.92 feet a distance of 40.22 feet to a point of compound curve, thence southerly and southeasterly on said easterly side line of Arrowhead Lane on a curve to the left with a radius of 273.07 feet a distance of 193.39 feet to a point of tangency, thence southeasterly on said easterly side line of Arrowhead Lane a distance of 264.47 feet to a point of curve, thence southeasterly and easterly on said easterly side line of Arrowhead Lane on a curve to the left with a radius of 25 feet a distance of 34.54 feet to the point of intersection of said easterly side line of Arrowhead Lane and the northerly side line of Old Colony Road, thence westerly on said northerly side line of Old Colony Road a distance of 91.63 feet to the point of intersection of said northerly side line of Old Colony Road and the westerly side line of Arrowhead Lane, thence northeasterly, northerly and northwesterly on said westerly side line of Arrowhead Lane on a curve to the left with a radius of 25 feet a distance of 43.99 feet to the point of tangency, thence northwesterly on said westerly side line of Arrowhead Lane a distance of 247.53 feet to a point of curve, thence northwesterly and northerly on said westerly side line of Arrowhead Lane on a curve to the right with a radius of 313.07 feet a distance of 146.04 feet to the point of reverse curve, thence northwesterly and westerly on said westerly side line of Arrowhead Lane on a curve to the left with a radius of 20 feet a distance of 41.61 feet to the point of intersection of said westerly side line of Arrowhead Lane and the southerly side line of Longmeadow Road, thence northeasterly on said southerly side line of Longmeadow Road on a curve to the left with a radius of 292.74 feet a distance of 127.57 feet to the point of beginning.

Article 32. To see if the Town will accept the laying out of a Town way from Old Colony Road to #20 and #21, substantially in the location of the private way known as Old Middlesex Path, as made and filed in the office of

the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

First Section:

Beginning at the point of intersection of the northerly side line of Old Colony Road and the westerly side line of Old Middlesex Path, thence easterly, northeasterly and northerly on said westerly side line of Old Middlesex Path on a curve to the left with a radius of 19.30 feet a distance of 31.06 feet to a point of compound curve, thence northerly and northwesterly on said westerly side line of Old Middlesex Path on a curve to the left with a radius of 287.62 feet a distance of 247.23 feet to a point of reverse curve, thence northwesterly and northerly on said westerly side line of Old Middlesex Path on a curve to the right with a radius of 190 feet a distance of 178.24 feet to a point of reverse curve, thence northerly and northwesterly on said westerly side line of Old Middlesex Path on a curve to the left with a radius of 26.86 feet a distance of 36.91 feet to the point of intersection of said westerly side line of Old Middlesex Path and the southerly side line of Longmeadow Road, thence easterly on said southerly side line of Longmeadow Road on a curve to the left with a radius of 235 feet a distance of 83.16 feet to the point of intersection of said southerly side line of Longmeadow Road and the easterly side line of Old Middlesex Path, thence southwesterly and southerly on said easterly side line of Old Middlesex Path on a curve to the left with a radius of 25 feet a distance of 35.34 feet to a point of compound curve, thence southerly and southeasterly on said easterly side line of Old Middlesex Path on a curve to the left with a radius of 150 feet a distance of 140.72 feet to a point of reverse curve, thence southeasterly and southerly on said easterly side line of Old Middlesex Path on a curve to the right with a radius of 327.62 feet a distance of 281.61 feet to a point of reverse curve, thence southeasterly and easterly on said easterly side line of Old Middlesex Path on a curve to the left with a radius of 20.27 feet a distance of 32.12 feet to the point of intersection of said easterly side line of Old Middlesex Path and the northerly side line of Old Colony Road, thence westerly on said northerly side line of Old Colony Road on a curve to the right with a radius of 1541.41 feet a distance of 80.62 feet.

Second Section:

Beginning at the point of intersection of the northerly side line of Longmeadow Road and the westerly side line of Old Middlesex Path, thence easterly and northeasterly on said westerly side line of Old Middlesex Path on a curve to the left with a radius of 45.14 feet a distance of 65.09 feet to a point of tangency, thence northeasterly on said westerly side line of Old Middlesex Path a distance of 186.11 feet to a point of curve, thence northeasterly on said westerly side line of Old Middlesex Path on a curve to the left with a radius of 303.98 feet a distance of 16.22 feet to a point at the northerly boundary line of Lot 104, thence northeasterly across said Old Middlesex Path a distance of 58.36 feet to a point on the easterly side line of Old Middlesex Path at the northerly boundary line of Lot 42, thence southwesterly on said easterly side line of Old Middlesex Path on a curve to the right with a radius of 353.98 feet a distance of 48.99 feet to a point of tangency, thence southwesterly on said easterly side line of Old Middlesex Path a distance of 156.01 feet to a point of curve, thence southerly, southeasterly and easterly on said easterly side line of Old Middlesex Path on a curve to the left with a radius of 20 feet a distance of 44.03 feet to the point of intersection of said easterly side line of Old Middlesex Path and the northerly side line of Longmeadow Road, thence southwesterly on said northerly side line of Longmeadow Road a distance of 38.61 feet to a point of curve, thence

southwesterly and westerly on said northerly side line of Longmeadow Road on a curve to the right with a radius of 195 feet a distance of 97.89 feet to the point of beginning.

Article 33. To see if the Town will accept the laying out of a Town way from Lowell Street to the Boston and Main Railroad, substantially in the location of the private way known as Lowell Street Place, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Lowell Street and the southeasterly side line of Lowell Street Place, thence southwesterly on said southeasterly side line of Lowell Street Place a distance of 289.52 feet to the point of intersection of said southeasterly side line of Lowell Street Place and the northerly side line of the Boston & Maine Railroad, thence northwesterly by said Railroad Right-of-Way a distance of 6.99 feet to a point of curve, thence northwesterly by said Boston & Maine Right-of-Way on a curve to the right with a radius of 1882.08 feet a distance of 36.54 feet to the point of intersection of said northerly side line of the Boston & Maine Railroad and the northwesterly side line of Lowell Street Place, thence northeasterly on said northwesterly side line of Lowell Street Place a distance of 300.64 feet to the point of intersection of said northwesterly side line of Lowell Street Place and the southerly side line of Lowell Street, thence southeasterly on said southerly side line of Lowell Street a distance of 40.05 feet to the point of beginning.

Article 34. To see if the Town will accept the laying out of a Town way from North Union Street to Gardner Street, substantially in the location of the private way known as Norcross Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of North Union Street and the northeasterly side line of Norcross Street, thence southeasterly on said northeeasterly side line of Norcross Street a distance of 252.30 feet to an angle point, thence northeasterly on said northeasterly side line of Norcross Street by the southeasterly boundary line of Lot 35 a distance of 4.0 feet to an angle point, thence southeasterly on said northeasterly side line of Norcross Street a distance of 249.0 feet to an angle point, thence southwesterly on said northeasterly side line of Norcross Street and by the northwesterly boundary line of Lot Pt. A a distance of 4.0 feet to an angle point, thence southeasterly on said northeasterly side line of Norcross Street a distance of 265.0 feet to the point of intersection of said northeasterly side line of Norcross Street and the northwesterly side line of Gardner Street, thence southwesterly on said northwesterly side line of Gardner Street a distance of 35.0 feet to the point of intersection of said northwesterly side line of Gardner Street and the southwesterly side line of Norcross Street a distance of 763.80 feet to the point of intersection of said southwesterly side line of Norcross Street and the southeasterly side line of North Union Street, thence northeasterly on said southeasterly side line of North Union Street a distance of 35.04 feet to the point of beginning.

Article 35. To see if the Town will accept the laying out of a Town way from Fremont Street to Norcross Street, substantially in the location of the

private way known as Granton Park, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Fremont Street and the southeasterly side line of Granton Park, thence northwesterly, westerly and southwesterly on said southeasterly side line of Granton Park on a curve to the left with a radius of 20 feet a distance of 31.70 feet to a point of tangency, thence southwesterly on said southeasterly side line of Granton Park a distance of 338.80 feet to a point of curve, thence southwesterly, southerly and southeasterly on said southeasterly side line of Granton Park on a curve to the left with a radius of 20 feet a distance of 30.52 feet to the point of intersection of said southeasterly side line of Granton Park and the northeasterly side line of Norcross Street, thence northwesterly on said northeasterly side line of Norcross Street a distance of 80.08 feet to the point of intersection of said northeasterly side line of Norcross Street and the northwesterly side line of Granton Park, thence southeasterly, easterly and northeasterly on said northwesterly side line of Granton Park on a curve to the left with a radius of 20 feet a distance of 32.31 feet to a point of tangency, thence northeasterly on said northwesterly side line of Granton Park a distance of 336.35 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Granton Park on a curve to the left with a radius of 20 feet a distance of 31.13 feet to the point of intersection of said northwesterly side line of Granton Park and the southwesterly side line of Fremont Street, thence southeasterly on said southwesterly side line of Fremont Street a distance of 80.01 feet to the point of beginning.

Article 36. To see if the Town will accept the laying out of a Town way from end of acceptance to Yerxa Road, substantially in the location of the private way known as Hemlock Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the westerly side line of Hemlock Street at the end of the present accepted portion thereof, thence northerly on said westerly side line of Hemlock Street a distance of 24.0 feet to an angle point, thence northwesterly on said westerly side line of Hemlock Street a distance of 161.89 feet to an angle point, thence northerly on said westerly side line of Hemlock Street a distance of 147.22 feet to a point of curve, thence northerly on said westerly side line of Hemlock Street on a curve to the left with a radius of 507.96 feet a distance of 86.65 feet to a point of tangency, thence northerly on said westerly side line of Hemlock Street a distance of 61.38 feet to a point of curve, thence northwesterly on said westerly side line of Hemlock Street on a curve to the left with a radius of 63.0 feet a distance of 35.27 feet to a point of tangency, thence northwesterly on said westerly side line of Hemlock Street a distance of 53.52 feet to a point at the northwesterly boundary line of Lot 30, thence northeasterly across said Hemlock Street a distance of 40.06 feet to a point on the easterly side line of Hemlock Street, thence southeasterly on said easterly side line of Hemlock Street a distance of 70.64 feet to a point of curve, thence southeasterly on said easterly side line of Hemlock Street on a curve to the right with a radius of 130.0 feet a distance of 28.16 feet to a point of compound curve at the point of intersection of said easterly side line of Hemlock Street and the southeasterly side line of Yerxa Road, thence southeasterly and southerly on said easterly side

line of Hemlock Street on a curve to the right with a radius of 35.98 feet a distance of 19.51 feet to a point of reverse curve, thence southerly on said easterly side line of Hemlock Street on a curve to the left with a radius of 297.91 feet a distance of 59.26 feet to a point of reverse curve, thence southerly on said easterly side line of Hemlock Street on a curve to the right with a radius of 547.96 feet a distance of 93.47 feet to a point of tangency, thence southerly on said easterly side line of Hemlock Street a distance of 113.68 feet to a point of curve, thence southeasterly on said easterly side line of Hemlock Street on a curve to the left with a radius of 109.19 feet a distance of 48.27 feet to a point of tangency, thence southeasterly on said easterly side line of Hemlock Street a distance of 133.37 feet to an angle point, thence southerly on said easterly side line of Hemlock Street a distance of 21.73 feet to a point, thence southwesterly across said Hemlock Street and by the end of the present accepted portion thereof a distance of 41.28 feet to the point of beginning.

Article 37. To see if the Town will accept the laying out of a Town way from north of Columbia Road to 270' south of College Avenue, substantially in the location of the private way known as Crosby Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the westerly side line of Crosby Street, 239.7 feet northeasterly of Columbia Road, at the end of the present accepted portion of Crosby Street, thence northeasterly on said westerly side line of Crosby Street, on a curve to the left with a radius of 394.02 feet a distance of 57.90 feet to a point of tangency, thence north 15° 58' 00" east a distance of 262.0 feet to a point of curve, thence northeasterly and northerly on said westerly side line of Crosby Street, on a curve to the left with a radius of 582.66 feet a distance of 152.54 feet to a point of tangency, thence northerly on said westerly side line of Crosby Street, a distance of 21.11 feet to a point of curve, thence northerly on said westerly side line of Crosby Street, on a curve to the left with a radius of 614.20 feet a distance of 26.10 feet to the present accepted portion of Crosby Street, thence easterly across said Crosby Street, and by the end of the present accepted portion of Crosby Street, a distance of 50.0 feet to a point on the easterly side line of Crosby Street, thence southerly on said easterly side line of Crosby Street, on a curve to the right with a radius of 664.20 feet a distance of 28.29 feet to a point of tangency, thence southerly on said easterly side line of Crosby Street, a distance of 21.11 feet to a point of curve, thence southerly and southwesterly on said easterly side line of Crosby Street, on a curve to the right with a radius of 632.66 feet a distance of 165.63 feet to a point of tangency, thence southwesterly on said easterly side line of Crosby Street, a distance of 262.0 feet to a point of curve, thence southwesterly on said easterly side line of Crosby Street, on a curve to the right with a radius of 444.02 feet a distance of 65.25 feet to a point, thence northwesterly across said Crosby Street, and by the end of the present accepted portion of Crosby Street, a distance of 50.0 feet to the point of beginning.

Article 38. To see if the Town will accept the alteration of the way known as Mill Street, on the northeasterly corner of Massachusetts Avenue, as made and reported by the Board of Selectmen, in its capacity as a Board of Survey; will make an appropriation for the taking, alteration, construction of, and specific repairs upon all or any part of said way as now existing or hereafter altered; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said way as so altered is to include the parcel of land bounded and described as follows:

Beginning at the point of intersection of the northerly side line of Mass. Avenue, and the easterly side line of Mill Street; thence northwesterly, northerly and northeasterly on a curve to the right with a radius of 14.05 feet a distance of 22.02 feet to a point of tangency; thence northeasterly on said easterly side line of Mill Street, a distance of 60.51 feet to a point; thence southwesterly and southerly on the proposed easterly side line of Mill Street, on a curve to the left with a radius of 123.50 feet a distance of 39.66 feet to a point of tangency; thence southerly on said proposed easterly side line of Mill Street, a distance of 22.38 feet to a point of curve; thence southerly and southeasterly on said proposed easterly side line of Mill Street, on a curve to the left with a radius of 20.72 feet a distance of 25.97 feet to a point on the northerly side line of Mass. Avenue; thence northwesterly on said northerly side line of Mass. Avenue, a distance of 19.11 feet to the point of beginning.

Article 39. To see if the Town will accept the alteration of the way known as Jason Street, on the southwesterly corner of Massachusetts Avenue, as made and reported by the Board of Selectmen, in its capacity as a Board of Survey; will make an appropriation for the taking, alteration, construction of, and specific repairs upon all or any part of said way as now existing or hereafter altered; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Said way as so altered is to include the parcel of land bounded and described, as follows:

Beginning at the point of intersection of the southerly side line of Massachusetts Avenue, and the northwesterly side line of Jason Street, thence southwesterly on said northwesterly side line of Jason Street, a distance of 64.55 feet to a point, thence northeasterly and northerly on the proposed northwesterly side line of Jason Street, on a curve to the left with a radius of 104.36 feet a distance of 35.12 feet to a point of compound curve, thence northwesterly on said proposed northwesterly side line of Jason Street, on a curve to the left with a radius of 22.0 feet a distance of 15.93 feet to a point of compound curve, thence northwesterly and westerly on said proposed northwesterly side line of Jason Street, on a curve to the left with a radius of 9.0 feet a distance of 7.54 feet to the point of intersection of said proposed northwesterly side line of Jason Street, and the southerly building line of Massachusetts Avenue, thence northwesterly a distance of 9.89 feet on a point on the southerly side line of Massachusetts Avenue, thence easterly on said southerly side line of Massachusetts Avenue, a distance of 31.67 feet to the point of beginning.

Article 40. To see if the Town will accept the laying out of a Town way from Washington Street to King Street, substantially in the location of the private way known as Candia Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northwesterly side line of Washington Street and the southwesterly side line of Candia Street, thence northerly and northwesterly on said southwesterly side line of Candia Street on a curve to the left with a radius of 15 feet a distance of 23.56 feet to a point of tangency, thence northwesterly on said southwesterly side line of Candia Street a distance of 85.0 feet to a point of curve, thence northwesterly

on said southwesterly side line of Candia Street on a curve to the right with a radius of 369.32 feet a distance of 110.44 feet more or less to the point of intersection of said southwesterly side line of Candia Street and the southeasterly side line of King Street, thence northeasterly across said Candia Street a distance of 41.5 feet more or less to a point on the northeasterly side line of Candia Street at the northwesterly boundary line of Lot 17, thence southeasterly on said northeasterly side line of Candia Street on a curve to the left with a radius of 329.32 feet a distance of 110.0 feet to a point of tangency, thence southeasterly on said northeasterly side line of Candia Street a distance of 85.0 feet to a point of curve, thence easterly and northeasterly on said northeasterly side line of Candia Street on a curve to the left with a radius of 15 feet a distance of 23.56 feet to the point of intersection of said northeasterly side line of Candia Street and the northwesterly side line of Washington Street, thence southwesterly on said northwesterly side line of Washington Street a distance of 70.0 feet to the point of beginning.

Article 41. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments, for the original construction of public ways in the Town, the laying out of which is accepted at this meeting, including land damages and the cost of pavement and sidewalks laid at the time of said construction; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 42. To see if the Town will authorize the acquisition by purchase, eminent domain or otherwise of any land easements or rights therein, including an easement or easements in land adjoining the location of any or all public ways, the laying out of which is accepted at this meeting, consisting of a right to have the land of the location protected by having the surface of such adjoining land slope from the boundary of the location; make an appropriation for such acquisition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 43. To see if the Town will accept the laying out of a Town way from Morningside Drive to Old Colony Road, substantially in the location of the private way known as Windmill Lane, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Morningside Drive and the southwesterly side line of Windmill Lane, thence northeasterly, northerly and northwesterly on said southwesterly side line of Windmill Lane on a curve to the left with a radius of 26.16 feet a distance of 44.99 feet to a point of compound curve, thence northwesterly on said southwesterly side line of Windmill Lane on a curve to the left with a radius of 160 feet a distance of 50.0 feet to a point of tangency, thence northwesterly on said southwesterly side line of Windmill Lane a distance of 116.29 feet to the point of intersection of said southwesterly side line of Windmill Lane and the southerly side line of Old Colony Road, thence northwesterly on said southwesterly side line of Windmill Lane a distance of 140.08 feet to the point of intersection of said southwesterly side line of Windmill Lane and the northerly side line of Old Colony Road, thence northeasterly across said Windmill Lane a distance of 42.0 feet to a point on the northeasterly side line of Windmill Lane at the northwesterly boundary line of Lot 18, thence southeasterly on said northeasterly side line of Windmill Lane a distance of 78.55 feet to a point of curve, thence southeasterly on said northeasterly side line of Windmill Lane on a curve to the left with a radius of 644.80 feet a distance of 139.45 feet to a point of tangency, thence southeasterly on said northeasterly side line of Windmill Lane a distance of 42.0 feet to a point of

curve, thence southeasterly on said northeasterly side line of Windmill Lane on a curve to the right with a radius of 200 feet a distance of 100.37 feet to a point of reverse curve, thence southeasterly on said northeasterly side line of Windmill Lane on a curve to the left with a radius of 30.0 feet a distance of 33.90 feet to the point of intersection of said northeasterly side line of Windmill Lane and the northerly side line of Morningside Drive, thence westerly on said northerly side line of Morningside Drive on a curve to the left with a radius of 305.58 feet a distance of 88.49 feet to the point of beginning.

Article 44. To see if the Town will accept the laying out of a Town way from Forest Street to Washington Street, substantially in the location of the private way known as Clyde Terrace, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southeasterly side line of Forest Street and the northeasterly side line of Clyde Terrace thence southwesterly, southerly and southeasterly on said northeasterly side line of Clyde Terrace on a curve to the left with a radius of 20 feet a distance of 30.58 feet to a point of tangency, thence southeasterly on said northeasterly side line of Clyde Terrace a distance of 550.03 feet to a point at the southeasterly boundary line of Lot 22, thence southwesterly across said Clyde Terrace a distance of 40.0 feet to a point on the southwesterly side line of Clyde Terrace at the southeasterly boundary line of Lot 13, thence northwesterly on said southwesterly boundary line of Clyde Terrace a distance of 546.60 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Clyde Terrace on a curve to the left with a radius of 20 feet a distance of 32.25 feet to the point of intersection of said southwesterly side line of Clyde Terrace and the southeasterly side line of Forest Street, thence northeasterly on said southeasterly side line of Forest Street a distance of 80.06 feet to the point of beginning.

Article 45. To see if the Town will accept the laying out of a Town way from Gay Street to Clyde Terrace, substantially in the location of the private way known as Washington Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the westerly side line of Washington Street near the center of Gay Street at the end of the present accepted portion of Washington Street, thence northerly on said westerly side line of Washington Street distances of 20.0 feet more or less and 327.90 feet respectively to a point of curve, thence northerly on said westerly side line of Washington Street on a curve to the right with a radius of 683.50 feet a distance of 55.97 feet to a point of tangency, thence northerly on said westerly side line of Washington Street a distance of 329.01 feet to a point of curve, thence northeasterly on said westerly side line of Washington Street on a curve to the right with a radius of 260 feet a distance of 29.12 feet to a point of tangency, thence northeasterly on said westerly side line of Washington Street a distance of 361.57 feet to a point of curve, thence northerly and northwesterly on said westerly side line of Washington Street on a curve to the left with a radius of 192.80 feet a distance of 109.59 feet to a point of tangency, thence northwesterly on said westerly side line of Washington Street a distance of

91.18 feet to a point at the northwesterly boundary line of Lot 54, thence northeasterly across said Washington Street and by the end of Clyde Terrace a distance of 40.0 feet to a point on the easterly side line of Washington Street at the northwesterly boundary line of Lot 34, thence southeasterly on said easterly side line of Washington Street a distance of 91.15 feet to a point of curve, thence southeasterly and southerly on said easterly side line of Washington Street on a curve to the right with a radius of 232.80 feet a distance of 132.32 feet to a point of tangency, thence southwesterly on said easterly side line of Washington Street a distance of 361.57 feet to a point of curve, thence southerly on said easterly side line of Washington Street on a curve to the left with a radius of 220 feet a distance of 36.72 feet to a point of tangency, thence southeasterly on said easterly side line of Washington Street distances of 146.14 feet and 95 feet more or less to the point of intersection of said easterly side line of Washington Street and the southeasterly side line of Mohawk Road, thence southwesterly and southerly on said easterly side line of Washington Street on a curve to the left with a radius of 364.62 feet a distance of 130.32 feet to a point of tangency, thence southerly on said easterly side line of Washington Street a distance of 329.58 feet to a point, thence southwesterly across said Washington Street and by the present end of the accepted portion of Washington Street a distance of 48.12 feet to the point of beginning.

Article 46. To see if the Town will accept the laying out of a Town way from Country Club Drive to Ridge Street, substantially in the location of the private way known as Oldham Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Ridge Street and the northerly side line of Oldham Road, thence southeasterly and easterly on said northerly side line of Oldham Road on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence northeasterly on said northerly side line of Oldham Road a distance of 40.0 feet to a point of curve, thence easterly on said northerly side line of Oldham Road on a curve to the right with a radius of 489.88 feet a distance of 144.93 feet to a point of tangency, thence easterly on said northerly side line of Oldham Road a distance of 26.0 feet to a point of curve, thence easterly and southeasterly on said northerly side line of Oldham Road on a curve to the right with a radius of 400.0 feet a distance of 152.98 feet to a point of reverse curve, thence easterly and northeasterly on said northerly side line of Oldham Road on a curve to the left with a radius of 360.0 feet a distance of 127.51 feet to a point of tangency, thence northeasterly on said northerly side line of Oldham Road a distance of 73.30 feet to a point, thence southeasterly across said Oldham Road and on the easterly side line of Country Club Drive a distance of 40.36 feet to a point on the southerly side line of Oldham Road, thence southwesterly on said southerly side line of Oldham Road a distance of 57.85 feet to a point of curve, thence westerly and northwesterly on said southerly side line of Oldham Road on a curve to the right with a radius of 400.0 feet a distance of 164.75 feet to a point of reverse curve, thence northwesterly and westerly on said southerly side line of Oldham Road on a curve to the left with a radius of 360.0 feet a distance of 137.69 feet to a point of tangency, thence westerly on said southerly side line of Oldham Road a distance of 28.43 feet to a point of curve, thence westerly on said southerly side line of Oldham Road on a curve to the left with a radius of 449.88 feet a distance of 133.10 feet to a point of tangency, thence southwesterly on said southerly side line of Oldham Road a distance of 40.0 feet to a point of curve, thence southwesterly and southerly on said southerly side line of Oldham Road on a curve to the left with a radius of

20 feet a distance of 31.42 feet to the point of intersection of said southerly side line of Oldham Road and the westerly side line of Ridge Street, thence northerly on said westerly side line of Ridge Street a distance of 80.0 feet to the point of beginning.

Article 47. To see if the Town will accept the laying out of a Town way from Pawnee Road to its end, substantially in the location of the private way known as Ridge Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the westerly side line of Ridge Street opposite Pawnee Drive said point being 34.11 feet southerly from the division line between Lots 46 and 47, thence northerly on said westerly side line of Ridge Street on a curve to the right with a radius of 833.02 feet a distance of 129.94 feet to a point of tangency, thence northerly on said westerly side line of Ridge Street a distance of 338.28 feet to a point at the division line between Lot 69 and Lot 16A, thence northeasterly across said Ridge Street a distance of 50.06 feet to a point on the easterly side line of Ridge Street at the division line between Lot 71 and Lot 4A, thence southerly on said easterly side line of Ridge Street a distance of 340.70 feet to a point of curve, thence southerly on said easterly side line of Ridge Street on a curve to the left with a radius of 783.02 feet a distance of 148.27 feet to the point of intersection of said easterly side line of Ridge Street and the southerly side line of Pawnee Drive, thence northwesterly across said Ridge Street a distance of 60.06 feet to the point of beginning.

Article 48. To see if the Town will accept the laying out of a Town way from Ridge Street to its end, substantially in the location of the private way known as Osceola Path, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Ridge Street and the northerly side line of Osceola Path, thence southeasterly, easterly and northeasterly on said northerly side line of Osceola Path on a curve to the left with a radius of 20 feet a distance of 33.0 feet to a point of tangency, thence northeasterly on said northerly side line of Osceola Path a distance of 61.75 feet to a point of curve, thence northeasterly and northerly on said northerly side line of Osceola Path on a curve to the left with a radius of 65.0 feet a distance of 110.62 feet to a point of reverse curve, thence northerly, easterly and southerly on a curve to the right connecting said northerly side line of Osceola Path with the southerly side line of Osceola Path with a radius of 45.0 feet a distance of 195.86 feet to a point of reverse curve, thence southwesterly on said southerly side line of Osceola Path on a curve to the left with a radius of 155.0 feet a distance of 63.10 feet to a point of reverse curve, thence southwesterly on said southerly side line of Osceola Path on a curve to the right with a radius of 105.0 feet a distance of 94.31 feet to a point of tangency, thence southwesterly on said southerly side line of Osceola Path a distance of 68.12 feet to a point of curve, thence southwesterly and southerly on said southerly side line of Osceola Path on a curve to the left with a radius of 20 feet a distance of 29.82 feet to the point of intersection of said southerly side line of Osceola Path and the easterly side line of Ridge Street, thence northerly on said Ridge Street a distance of 80.26 feet to the point of beginning.

Article 49. To see if the Town will accept the laying out of a Town way from Hemlock Street to Ridge Street, substantially in the location of the private way known as Yerxa Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northeasterly side line of Hemlock Street and the northwesterly side line of Yerxa Road, thence southeasterly, easterly and northeasterly on said northwesterly side line of Yerxa Road on a curve to the left with a radius of 35 feet a distance of 69.61 feet to a point of reverse curve, thence northeasterly on said northwesterly side line of Yerxa Road on a curve to the right with a radius of 160 feet a distance of 56.53 feet to a point of tangency, thence northeasterly on said northwesterly side line of Yerxa Road a distance of 116.0 feet to a point of curve, thence northeasterly and easterly on said northwesterly side line of Yerxa Road on a curve to the right with a radius of 140 feet a distance of 102.63 feet to a point of reverse curve, thence easterly and northeasterly on said northwesterly side line of Yerxa Road on a curve to the left with a radius of 110 feet a distance of 88.15 feet to a point of tangency, thence northeasterly on said northwesterly side line of Yerxa Road a distance of 43.0 feet to a point of curve, thence northeasterly on said northwesterly side line of Yerxa Road on a curve to the right with a radius of 193.50 feet a distance of 102.44 feet to a point of reverse curve, thence northeasterly on said northwesterly side line of Yerxa Road on a curve to the left with a radius of 72.02 feet a distance of 123.15 feet to a point of tangency, thence northeasterly on said northwesterly side line of Yerxa Road a distance of 40.0 feet to a point of curve, thence northeasterly on said northwesterly side line of Yerxa Road on a curve to the right with a radius of 123.16 feet a distance of 131.83 feet to a point of tangency, thence northeasterly on said northwesterly side line of Yerxa Road a distance of 437.04 feet to a point of curve, thence northeasterly and northerly on said northwesterly side line of Yerxa Road on a curve to the left with a radius of 25.0 feet a distance of 37.30 feet to the point of intersection of said northwesterly side line of Yerxa Road and the westerly side line of Ridge Street, thence southerly on said westerly side line of Ridge Street a distance of 84.87 feet to the point of intersection of said westerly side line of Ridge Street and the southeasterly side line of Yerxa Road, thence northwesterly, westerly and southwesterly on said southeasterly side line of Yerxa Road on a curve to the left with a radius of 20.0 feet a distance of 32.99 feet to a point of tangency, thence southwesterly on said southeasterly side line of Yerxa Road a distance of 435.45 feet to a point of curve, thence southwesterly on sid southeasterly side line of Yerxa Road on a curve to the left with a radius of 183.16 feet a distance of 108.20 feet to a point of tangency, thence southwesterly on said southeasterly side line of Yerxa Road a distance of 40.0 feet to a point of curve, thence southwesterly on said southeasterly side line of Yerxa Road on a curve to the right with a radius of 163.16 feet a distance of 95.40 feet to a point of reverse curve, thence southwesterly on said southeasterly side line of Yerxa Road on a curve to the left with a radius of 153.50 feet a distance of 81.27 feet to a point of tangency, thence southwesterly on said southeasterly side line of Yerxa Road a distance of 43.0 feet to a point of curve, thence southwesterly on said southeasterly side line of Yerxa Road on a curve to the right with a radius of 150 feet a distance of 120.21 feet to a point of reverse curve, thence southwesterly on said southeasterly side line of Yerxa Road on a curve to the left with a radius of 100 feet a distance of 73.3 feet to the point of tangency, thence southwesterly on said southeasterly side line of Yerxa Road a distance of 116 feet to a point of curve, thence southwesterly and southerly on said southeasterly side line of Yerxa Road on a curve to the left with a radius of 120 feet a distance of 154.74 feet to the point of intersection of said southeasterly

side line of Yerxa Road and the easterly side line of Hemlock Street, thence northerly on said easterly side line of Hemlock Street on a curve to the left with a radius of 130 feet a distance of 28.16 feet to a point of tangency, thence northerly on said easterly side line of Hemlock Street a distance of 124.48 feet to the point of beginning.

Article 50. To see if the Town will accept the laying out of a Town way from Washington Street to Charles Street, substantially in the location of the private way known as Candia Street, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the easterly side line of Washington Street and the northeasterly side line of Candia Street, thence southeasterly and easterly on said northeasterly side line of Candia Street on a curve to the left with a radius of 15 feet a distance of 23.56 feet to a point of tangency, thence easterly on said northeasterly side line of Candia Street a distance of 44.95 feet to a point of curve, thence southeasterly on said northeasterly side line of Candia Street on a curve to the right with a radius of 128.41 feet a distance of 59.12 feet to a point of tangency, thence southeasterly on said northeasterly side line of Candia Street a distance of 221.27 feet to an angle point, thence southeasterly on said northeasterly side line of Candia Street a distance of 205.74 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Candia Street on a curve to the left with a radius of 20 feet a distance of 31.20 feet to the point of intersection of said northeasterly side line of Candia Street and the northwesterly side line of Charles Street, thence southwesterly on said northwesterly side line of Charles Street a distance of 80.0 feet to the point of intersection of said northwesterly side line of Charles Street and the southwesterly side line of Candia Street, thence northeasterly, northerly and northwesterly on said southwesterly side line of Candia Street on a curve to the left with a radius of 20 feet a distance of 31.63 feet to a point of tangency, thence northwesterly on said southwesterly side line of Candia Street a distance of 202.26 feet to an angle point, thence northwesterly on said southwesterly side line of Candia Street a distance of 218.66 feet to a point of curve, thence northwesterly and westerly on said southwesterly side line of Candia Street on a curve to the left with a radius of 88.41 feet a distance of 40.07 feet to a point of tangency, thence westerly on said southwesterly side line of Candia Street a distance of 44.95 feet to a point of curve, thence southwesterly and southerly on said southwesterly side line of Candia Street on a curve to the left with a radius of 15 feet a distance of 23.56 feet to the point of intersection of said southwesterly side line of Candia Street and the easterly side line of Washington Street, thence northerly on said easterly side line of Washington Street a distance of 70.0 feet to the point of beginning.

Article 51. To see if the Town will accept the laying out of a Town way from Pine Street to Charles Street, substantially in the location of the private way known as Mead Road, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the southwesterly side line of Pine Street and the southeasterly side line of Mead Road, thence north-

westerly, westerly and southwesterly on said southeasterly side line of Mead Road on a curve to the left with a radius of 20 feet a distance of 31.42 feet to a point of tangency, thence southwesterly on said southeasterly side line of Mead Road a distance of 94.21 feet to a point of curve, thence southwesterly, westerly and northwesterly on said southeasterly side line of Mead Road and the southwesterly side line of Mead Road on a curve to the right with a radius of 65.0 feet a distance of 95.79 feet to a point of tangency, thence northwesterly on said southwesterly side line of Mead Road a distance of 303.24 feet to a point of curve, thence northwesterly, westerly and southwesterly on said southwesterly side line of Mead Road on a curve to the left with a radius of 25.0 feet a distance of 32.03 feet to the point of intersection of said southwesterly side line of Mead Road and the southeasterly side line of Charles Street, thence northeasterly on said southeasterly side line of Charles Street on a curve to the left with a radius of 140 feet a distance of 41.53 feet to a point of tangency, thence northeasterly on said southeasterly side line of Charles Street a distance of 37.16 feet to the point of intersection of said southeasterly side line of Charles Street and the northeasterly side line of Mead Road, thence southwesterly, southerly and southeasterly on said northeasterly side line of Mead Road on a curve to the left with a radius of 21.44 feet a distance of 33.52 feet to a point of tangency, thence southeasterly on said northeasterly side line of Mead Road a distance of 300.20 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northeasterly side line of Mead Road and the northwesterly side line of Mead Road on a curve to the left with a radius of 25 feet a distance of 36.84 feet to a point of tangency, thence northeasterly on said northwesterly side line of Mead Road a distance of 91.21 feet to a point of curve, thence northeasterly, northerly and northwesterly on said northwesterly side line of Mead Road on a curve to the left with a radius of 20 feet a distance of 31.42 feet to the point of intersection of said northwesterly side line of Mead Road and the southwesterly side line of Pine Street, thence southeasterly on said southwesterly side line of Pine Street a distance of 80.0 feet to the point of beginning.

Article 52. To see if the Town will accept the laying out of a Town way from #262 to its end, substantially in the location of the private way known as Florence Avenue, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at a point on the southerly side line of Florence Avenue at the end of the present accepted portion thereof, thence southwesterly on said southerly side line of Florence Avenue a distance of 27.38 feet to a point of curve, thence southwesterly and southerly on said southerly side line of Florence Avenue on a curve to the left with a radius of 75.0 feet a distance of 105.45 feet to a point of reverse curve, thence southerly and southwesterly on said southerly side line of Florence Avenue on a curve to the right with a radius of 125.0 feet a distance of 106.35 feet to a point of tangency, thence southwesterly on said southerly side line of Florence Avenue a distance of 272.81 feet to a point of curve, thence southwesterly, westerly and northwesterly on said southerly side line of Florence Avenue on a curve to the right with a radius of 80.0 feet a distance of 119.30 feet to a point of tangency, thence northwesterly on said southerly side line of Florence Avenue and the northeasterly side line of Concord Turnpike a distance of 64.57 feet to a point, thence northeasterly across said Florence Avenue and by the end of Wadsworth Road a distance of 50.18 feet to a point on the northerly side line of Florence Avenue, thence southeasterly on said northerly side line of Florence Avenue a distance of 60.45 feet to a point of curve, thence southeasterly, easterly and northeasterly on said northerly side line of Florence

Avenue on a curve to the left with a radius of 30 feet a distance of 44.74 feet to a point of tangency, thence northeasterly on said northerly side line of Florence Avenue a distance of 272.83 feet to a point of curve, thence northeasterly and northerly on said northerly side line of Florence Avenue on a curve to the left with a radius of 75.0 feet a distance of 63.81 feet to a point of reverse curve, thence northerly and northeasterly on said northerly side line of Florence Avenue on a curve to the right with a radius of 125.0 feet a distance of 175.75 feet to the end of the accepted portion of Florence Avenue, thence southeasterly across said Florence Avenue and by the end of the accepted portion of Florence Avenue a distance of 57.0 feet to the point of beginning.

Article 53. To see if the Town will accept the laying out of a Town way from Florence Avenue to Florence Avenue, substantially in the location of the private way known as Hathaway Circle, as made and filed in the office of the Town Clerk by the Board of Selectmen under the provisions of law authorizing the assessment of betterments; establish said way; make an appropriation for said laying out and the construction of said way; determine in what manner the money shall be raised; or take any action relating thereto.

Said way as so laid out is bounded and described, as follows:

Beginning at the point of intersection of the northerly side line of Hathaway Circle and the southeasterly side line of Florence Avenue at Lot 254, thence southerly and southeasterly on said northerly side line of Hathaway Circle on a curve to the left with a radius of 25.0 feet a distance of 34.18 feet to a point of tangency, thence southeasterly on said northerly side line of Hathaway Circle a distance of 347.66 feet to a point of curve, thence southeasterly on said northerly side line of Hathaway Circle on a curve to the right with a radius of 1056.22 feet a distance of 101.85 feet to a point of tangency, thence southeasterly on said northerly side line of Hathaway Circle a distance of 528.85 feet to a point of curve, thence southeasterly, southerly and southwesterly on the easterly side line of Hathaway Circle on a curve to the right with a radius of 115 feet a distance of 199.84 feet to a point of tangency, thence southwesterly on said easterly side line of Hathaway Circle a distance of 74.56 feet to a point of curve, thence southwesterly and westerly on said easterly side line of Hathaway Circle on a curve to the right with a radius of 70.0 feet a distance of 98.27 feet to a point of tangency, thence northwesterly on the southerly side line of Hathaway Circle a distance of 549.92 feet to a point of curve, thence northwesterly on said southerly side line of Hathaway Circle on a curve to the left with a radius of 1016.22 feet a distance of 97.99 feet to a point of tangency, thence northwesterly on said southerly side line of Hathaway Circle a distance of 262.98 feet to a point of curve, thence westerly and southwesterly on said southerly side line of Hathaway Circle on a curve to the left with a radius of 25.0 feet a distance of 39.84 feet to the point of intersection of said southerly side line of Hathaway Circle and the southeasterly side line of Florence Avenue at Lot 280, thence northeasterly on said southeasterly side line of Florence Avenue a distance of 90.01 feet to the point of intersection of said southeasterly side line of Florence Avenue and the northerly side line of Hathaway Circle at Lot 320, thence southerly and southeasterly on said northerly side line of Hathaway Circle on a curve to the left with a radius of 25.0 feet a distance of 38.70 feet to the point of tangency, thence southeasterly on said northerly side line of Hathaway Circle a distance of 264.13 feet to a point of curve, thence southeasterly on said northerly side line of Hathaway Circle on a curve to the right with a radius of 1056.22 feet a distance of 101.85 feet to a point of tangency, thence southeasterly on said northerly side line of Hathaway Circle a distance of 549.92 feet to a point of curve, thence southeasterly, easterly and northeasterly on the westerly side line of Hathaway Circle on a curve to the left with a radius of 30.0 feet a distance of 42.11 feet to a point of tangency, thence northeasterly on said westerly side line of Hathaway Circle a distance of 74.56 feet to a point of curve, thence northeasterly,

northerly and northwesterly on said westerly side line of Hathaway Circle on a curve to the left with a radius of 75.0 feet a distance of 130.33 feet to a point of tangency, thence northwesterly on the southerly side line of Hathaway Circle a distance of 528.85 feet to a point of curve, thence northwesterly on said southerly side line of Hathaway Circle on a curve to the left with a radius of 1016.22 feet a distance of 79.99 feet to a point of tangency, thence northwesterly on said southerly side line of Hathaway Circle a distance of 286.75 feet to a point of curve, thence westerly and southwesterly on said southerly side line of Hathaway Circle on a curve to the left with a radius of 25 feet a distance of 48.36 feet to the point of intersection of said southerly side line of Hathaway Circle and the southeasterly side line of Florence Avenue at Lot 282, thence northerly on said southeasterly side line of Florence Avenue on a curve to the left with a radius of 125.0 feet a distance of 63.79 feet to a point of reverse curve, thence northerly on said southeasterly side line of Florence Avenue on a curve to the right with a radius of 75.0 feet a distance of 50.36 feet to the point of beginning.

Article 54. To see if the Town will make an appropriation under the provisions of law authorizing the assessment of betterments for the reconstruction of any or all parts of certain public ways in the Town, the laying out of which is accepted at this meeting including costs of acceptance, land damages and the cost of paving of any or all sidewalks to be laid out at the time of said reconstruction; determine how the money shall be raised and expended; or take any action relating thereto.

Article 55. To see if the Town will make an appropriation for the conversion of the Towns Radio Broadcasting and Receiving System in accordance with the directive contained in Docket #12295 of the Federal Communications Commission; determine in what manner the money will be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee appointed to investigate, consider and make recommendations relative to the replacement of the Town's Radio Broadcasting System)

Article 56. To see if the Town will make an appropriation for the purpose of installing air conditioning in the Town's Engineering Department on the third floor of the Town Hall Addition; determine in what manner the money shall be raised and expended; or take any action relating thereto.

Article 57. To see whether the Town will declare that there is a need for Urban Renewal in the Town; whether the Town will delegate to the Arlington Housing Authority the powers of Urban Renewal; whether a sum of money shall be appropriated for the use of said Housing Authority to formulate a Workable Program and prepare the Survey and Planning application for Federal Assistance; or take any action relating thereto.

(Inserted at the request of the Arlington Housing Authority)

Article 58. To see if the Town will make an appropriation for the installation of a sanitary sewer to service a portion of Madison Avenue, including an outlet sewer through private lands to connect with an existing sanitary sewer; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 59. To see if the Town will abandon a portion of an easement over Private Lands taken by the Board of Selectmen for storm drain purposes, dated April 11, 1960, and duly recorded with Middlesex South District Registry of Deeds in Book 9575, Page 100; said portion of said easement to be abandoned being bounded and described as follows:

Beginning at a point on said southerly side line of Day Street, at the westerly boundary line of Lot 43, thence southwesterly through Lot 44 a distance of 74 feet more or less to a point on the westerly boundary line of Lot 44, thence southeasterly on the division line between Lots 44 and 45 a distance of 15 feet more or less to the division line between Lots 45 and 28, thence southwesterly through Lot 28 a distance of 80 feet more or less to a point on the northerly side line of Dow Avenue, said point being 16 feet southwesterly of the easterly boundary line of Lot 28, thence southwesterly on said northerly boundary line of Dow Avenue, a distance of 10 feet more or less to a point, thence northeasterly through Lot 28 a distance of 80 feet more or less to a point on the division line between Lots 28 and 45, thence northwesterly through Lot 45 a distance of 16 feet more or less to an angle point, thence northeasterly through Lot 45 and Lot 44 a distance of 73 feet more or less to a point on the southerly side line of Day Street, thence northeasterly on said southerly side line of Day Street, 10 feet more or less to the point of beginning.

(Inserted at the request of ten (10) registered voters)

Article 60. To see if the Town will make an appropriation for the construction of a storm drain culvert or main through private lands from Day Street to Dow Avenue, to replace and eliminate the natural waterway and open ditch now existing in this area; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 61. To see if the Town will accept a gift to the Town from Robbins Spring Realty Corp. of a parcel of land shown as Lot B on a plan of land entitled "Plan of Land in Arlington, Mass., Scale 1" = 40', June, 1960, W. H. Roby, Town Engineer", on file in the office of the Town Engineer. Said parcel of land containing 1966 square feet of land according to said plan and is more particularly bounded and described as follows:

Easterly by Washington Street, as shown on said plan 87.17 feet;

Southerly by two curved lines bounding Lot 59 on said plan measuring respectively 33.31 feet and 20.42 feet;

Westerly by the Prop. Extension of Dodge Street, as shown on said plan 37.05 feet; and

Northwesterly by a line shown on said plan 39.72 feet.

(Inserted at the request of ten (10) registered voters)

Article 62. To see if the Town will petition the General Court for authority to sell, convey or otherwise dispose of the parcel of land hereinafter described, which is now part of the public parks within the Town, and will vote to authorize the Board of Selectmen to sell, convey or otherwise dispose of said parcel, or take any action relative thereto. Said parcel of land is bounded and described as follows:

Southeasterly by Lot 59 as shown on a plan hereinafter referred to 201.54 feet;

Westerly by land of the Town of Arlington 185 feet;

Northerly by land of the Town of Arlington 60.77 feet;

Containing 5580 square feet of land according to said plan.

The above described premises are shown as Lot A on a plan entitled "Plan of Land in Arlington, Mass., dated June 1960, W. H. Roby, Town Engineer".

(Inserted at the request of ten (10) registered voters)

Article 63. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included partly in the Residence B District and partly in the Industrial District, and bounded and described as follows:

NORTHERLY by Brattle Street, 25.04 feet;

EASTERLY by Lot C as shown on a plan hereinafter mentioned, in two courses totalling 159.55 feet;

NORTHERLY again by said Lot C, as shown on said plan, 104.67 feet;

NORTHEASTERLY by a right of way as shown on said plan, 10 feet;

NORTHWESTERLY by said right of way as shown on said plan, 50 feet;

NORTHEASTERLY again by Lot A as shown on said plan, 100 feet;

SOUTHEASTERLY by Lots E, 5, 6 and 7A as shown on said plan, 134.99 feet;

EASTERLY again by said Lot 7A as shown on said plan, 54 feet;

NORTHEASTERLY again by said Lot 7A as shown on said plan, 84 feet;

SOUTHEASTERLY again by Brattle Place as shown on said plan, 60 feet;

SOUTHWESTERLY 122.52 feet;

SOUTHEASTERLY again 5 feet;

SOUTHWESTERLY again 123.06 feet;

SOUTHEASTERLY again 11.60 feet; and

SOUTHWESTERLY again 289.81 feet, the last five measurements being by land of the B. & M. R.R. as shown on said plan;

NORTHWESTERLY again by land of owners unknown, as shown on said plan, 197.63 feet;

NORTHEASTERLY again 140.26 feet;

NORTHWESTERLY again 54.76 feet; and

WESTERLY 135.48 feet, all by Lot Pt. D, Pt. 8A and 9 as shown on said plan. Said parcel being shown as Lots numbered 8B, E1, E2, J, H, B and Brattle Drive, as shown on a plan entitled, "Subdivision of Land in Arlington, Mass., dated August, 1960, by Francis J. DeRoche, C. E.", recorded with the Middlesex South District Deeds in Book 9652, Page 458.

Article 67. To see if the Town will amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence A District the area now included in the Residence D District, and bounded and described as follows:

1. Southeasterly side of Pleasant Street

Beginning at a point on the division line between the Residence D District and the Residence A District between Lombard Road and Wellington Street, said point being 200 feet southeasterly of the southeasterly side line of Pleasant Street, thence southwesterly and southerly on said division line across Wellington Street, Addison Street, Hopkins Road, Peabody Road and Lakeview to an angle point at the center line of Spring Valley, thence northwesterly on said center line of Spring Valley a distance of 60 feet more or less to a point on said center line of Spring Valley, thence northerly and northeasterly through said Residence D District and on a line 200 feet southeasterly of, parallel to and concentric with the southeasterly side line of Pleasant Street across Lakeview, Peabody Road, Hopkins Road, Addison Street and Wellington Street to the point of beginning.

2. Section on northwesterly side of Pleasant Street

Beginning at a point on the northeasterly boundary line of the Parmenter School property said point being 200 feet northwesterly of the northwesterly side line of Pleasant Street, thence northwesterly by said northeasterly boundary line of the Parmenter School property a distance of 50 feet to an angle point, thence northeasterly by the boundary line between the Residence D District and the Residence A District and on a line 250 feet northwesterly of and parallel to the northwesterly side line of Pleasant Street across Oak Knoll, Pelham Terrace and Maple Street, to a point on the southwesterly boundary line of land of Town of Arlington, thence southeasterly on said boundary line of the land of Town of Arlington a distance of 50 feet more or less to an angle point, thence southwesterly through said Residence D District and on a line 200 feet northwesterly of and parallel to the northwesterly side line of Pleasant Street across Maple Street, Pelham Terrace and Oak Knoll to the point of beginning.

(Inserted at the request of the Planning Board)

Article 68. To see if the Town will amend its Zoning By-Law by striking out the definition of "Story" appearing in Section 6 and inserting the following definition:

"Story" -- That part of a building between any floor and the floor or roof next above.

For the purpose of this by-law, where a building is not divided into stories, a story shall be considered fifteen feet in height, provided that steeples, penthouses, cupolas, stage lofts, etc., shall not be considered as additional stories. A basement or cellar, the ceiling of which extends more than four feet, six inches above the average finished grade, shall be a story within the meaning of this by-law. However, a basement or first floor which is not occupied by any family for dwelling purposes, except by a janitor and his family, but is used for parking, lobby, stairwell, elevator well, laundry, storage or like purposes, shall not be a story within the meaning of this by-law.

Article 69. To see if the Town will amend its Zoning By-Law by altering the zoning map therein referred to so as to include in the Residence C District the area now included in the Residence B District bounded and described as follows:

Beginning at a point on the northeasterly sideline of Norcross Street, one hundred ninety-two and 79/100 (192.79) feet from the southerly sideline of North Union Street; thence proceeding on a curve with a radius of twenty (20) feet, thirty-one and 42/100 (31.42) feet to a point of tangency; thence proceeding in a

NORTHEASTERLY direction fifty-five (55) feet to a point in the southwesterly sideline of lot 2 on a plan of land hereinafter mentioned; thence proceeding in a

NORTHWESTERLY direction by said sideline, ninety-six and 94/100 (96.94) feet to a point in the northwesterly sideline of said lot 2; thence proceeding in a

NORTHEASTERLY direction coincidental with the northwesterly sidelines of said lots 2 and 3 on said plan, a distance of one hundred forty-four and 54/100 (144.54) feet to a point in the northeasterly sideline of said lot 3; thence proceeding in a

SOUTHEASTERLY direction coincidental with said northeasterly sideline of said lot 3, a distance of one hundred thirty-three and 03/100 (133.03) feet to a point in the southeasterly sideline of said lot 3; thence proceeding in a

SOUTHWESTERLY direction coincidental with the southeasterly sidelines of said lots 3 and 2 and lot 4 on said plan, two hundred ten and 35/100 (210.35) feet to a point in the northeasterly sideline of Norcross Street; thence proceeding in a

NORTHWESTERLY direction in a line coincidental with the southwesterly sideline of said lot 4, forty (40) feet to the point of beginning.

The plan above referred to is a plan of land entitled "Subdivision Plan of Land in Arlington, Mass." dated July 1960, John J. Sullivan, C. E., duly recorded with Middlesex South District Deeds as Plan #80 of 1961.

(Inserted at the request of ten (10) registered voters)

Article 70. To see if the Town will amend its zoning by-laws by altering the zoning map therein referred to so as to include in the Residence C District the area now included partly in the Business A District and partly in the Residence B District, and bounded and described as follows:

WESTERLY by Mystic Street, 144.91 feet;

NORTHWESTERLY by Rangely Road, 170 feet;

NORTHEASTERLY by Lot 17 on a plan hereinafter mentioned, 157.5 feet; and

SOUTHEASTERLY by land of the Commonwealth of Massachusetts, 206.06 feet said parcel being shown as Lots Nos. 1 and 2 on Assessors' Block Plan 64, Section B, and being numbered 147 and 151 Mystic Street, in the present numbering of said street.

(Inserted at the request of ten (10) registered voters)

Article 71. To see if the Town will authorize and direct the Board of Selectmen to amend the terms and conditions of a deed given by the Town to the Roman Catholic Archbishop of Boston, conveying certain land on Summer Street, which deed is dated September 30, 1957, recorded with the Middlesex South District Registry of Deeds in Book 9035, Page 466, by striking out the condition number 2 in said deed, reading as follows:

"2) Said land shall be used by St. Agnes Catholic Church and School of Arlington for High School purposes only and said school shall be built within five (5) years from the date of transfer of the land, or title to same shall revert to the Town as part of its public parks upon reimbursement to the grantee of the purchase price of said land;"

and in place thereof substituting the following:

"2) Said land shall be used by St. Agnes Catholic Church and High School of Arlington for educational and/or athletic purposes, including use of said land for an athletic field and athletic activities of Arlington Catholic High School, such use to commence within five (5) years from the date of the transfer of the land, or title to the same shall revert to the Town as part of its public parks upon reimbursement to the grantee of the purchase price of said land;"

and will authorize and direct the said Board of Selectmen to execute, acknowledge and deliver in the name and behalf of the Town any and all instruments necessary or convenient to carry out the purposes of this article; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 72. To see if the Town will vote to amend Section 6 of Article 2 of the By-Laws, by striking out said Section 6 and inserting in place thereof the following:

Section 6. On all questions submitted for the consideration of the Town Meeting, there shall be a roll call vote when requested by twenty or more Town Meeting Members present at the meeting. All roll call votes shall be recorded so as to indicate the individual vote of each Town Meeting Member who shall have voted. Said roll call votes shall be available as recorded at the Town Clerk's office and shall be published in the Annual Town Report.

(Inserted at the request of ten (10) registered voters)

Article 73. To see if the Town will authorize the change of the name of Monument Park; excluding that section of the park on which the Civil War Monument is erected, and to be still known as Monument Park; to Francis J. Neville Memorial Park.

(Inserted at the request of ten (10) registered voters)

Article 74. To see if the Town will transfer the sum of Five Thousand Dollars ($5,000.00) from the Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemeteries.

(Inserted at the request of the Board of Cemetery Commissioners)

Article 75. To see if the Town will vote to instruct the Selectmen to review the precinct boundaries of the Town or take any action relating thereto.

Article 76. To see if the Town will vote to appropriate a sum or sums of money to be expended under the direction of the Town Manager for the purpose of converting three coal-firing steam boilers at the Junior High School West to oil-burning boilers and to remodel the heat units and control system and other related work; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the School Committee)

Article 77. To see if the Town will vote to appropriate the sum of five thousand dollars ($5,000.00) for the purpose of obtaining architectural and engineering services in connection with a survey of possible remodeling work in the old section of the High School, the Cutter and Locke elementary schools and any other school buildings in the Town of Arlington; said sum to be expended under the direction of the committee appointed under Article 8 of the Warrant for the Special Town Meeting held on March 15, 1954; determine in what manner the money shall be raised or take any action relating thereto.

(Inserted at the request of the School Committee and the School Survey Committee)

Article 78. To see if the Town will make an appropriation for further alterations and improvements to and reconstruction of part of the Robbins Library to restore, increase and improve existing library facilities; determine in what manner the money shall be raised and expended, or take any action relating thereto.

(Inserted at the request of the Trustees of Robbins Library)

Article 79. To see if the Town will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of the parcel of land with the building thereon, to Arlington Post 1775, Veterans of Foreign Wars of the United States, Inc. for the use of said veterans organization as quarters, said parcel of land with the building thereon is located on Railroad Avenue, and is referred to as the former railroad station, at Arlington Center, of the Boston and Maine Railroad.

(Inserted at the request of ten (10) registered voters)

Article 80. To see if the Town will vote to authorize and direct the Board of Selectmen to sell, convey or otherwise dispose of the parcel of land, to Arlington Post 1775, Veterans of Foreign Wars of the United States, Inc. hereinafter described. Said parcel of land is owned by the Town of Arlington and is that land in the immediate vicinity of the Winslow Street side of the railroad station situated on Railroad Avenue; bordered on the west by Russell Terrace; on the north by Winslow Street; on the east on land owned by the Town of Arlington and on the south by land owned by the Boston and Maine Railroad.

(Inserted at the request of ten (10) registered voters)

Article 81. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

Article 82. To see if the Town will vote to make an appropriation for the purpose of providing ornamental and additional light to the streets in the business area of the Town during the Christmas holiday season; determine in what manner the funds shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 83. To see if the Town will make an appropriation of a sum of money to be expended under the direction of the Board of Selectmen for the purpose of providing suitable headquarters for the Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington, determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of ten (10) registered voters)

Article 84. To see if the Town will make an appropriation to be added to the Stabilization Fund created under Article 73 of the Warrant for the 1958 Annual Town Meeting in accordance with the provisions of Massachusetts General Laws (Ter. Ed.), Chapter 40, Section 5B, as amended; determine in what manner the money shall be raised; or take any action relating thereto.

Article 85. To see if the Town will authorize taking a sum of money voted for the appropriation heretofore made at this Town Meeting under this Warrant, and not voted to be borrowed, from any available funds in the treasury and will authorize the Assessors to use free cash in the treasury in any available funds to an amount not exceeding $325,000.00, in the determination of the 1961 tax rate.

And you will notify and warn the voters of the Town of Arlington to meet at the times and places herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least before the day of said meeting for the election of officers.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk before the day of said meeting.

Given under our hands, at said Arlington this twenty-third day of January, in the year of our Lord one thousand nine hundred and sixty-one.

(S) DANIEL J. BUCKLEY, JR.

Constable, Town of Arlington

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, March 3, 1961

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, previous to the day of the meeting for the election of officers and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the times, places and objects of the meetings was published in the local papers.

(signed) Frank K. Nicksay
Constable of the Town of Arlington,
Massachusetts

ANNUAL TOWN ELECTION

In pursuance of the foregoing Warrant, the inhabitants of the Town of Arlington, qualified to vote in elections, met in the polling places designated by the Board of Selectmen for the several precincts in said Town on Monday, March 6, 1961, at seven o'clock in the forenoon.

Upon receipt of the returns as made by the election officers of the several precincts, they were canvassed by Miss Ann Mahon, Town Clerk, Messrs. Timothy J. Buckley, Arthur P. Wyman and Joseph H. Cormier, Registrars of Voters, assisted by Miss Mary A. Farrington, Assistant Registrar of Voters, and the results were announced at 7:30 A.M. on Tuesday, March 7, 1961, as follows:

All used and unused ballots, tally sheets, total vote sheets, voting lists, and all other records pertaining to the Town Election, properly signed and sealed, were delivered to the Town Clerk to be preserved by her during the time required by law.

The persons declared elected town officers, including town meeting members, were notified as required by the General Laws.

A true record.
ATTEST:

Ann Mahon
Town Clerk

In accordance with Section 61 of Chapter 51 of the General Laws, the return of the registered voters in Arlington at the close of registration for the Town Election on February 14, 1961, was forwarded to the Secretary of the Commonwealth.

*Elected

The results of the count of votes cast at the Town Election were forwarded to the Secretary of the Commonwealth.

In accordance with Section 132 of Chapter 54 of the General Laws, the total number of voters checked on the voting lists in each precinct was forwarded to the Secretary of the Commonwealth.

In connection with the work of the Department of Corporations and Taxation, a list of Town Officials was forwarded to the Director of Accounts.

ANNUAL TOWN MEETING - MARCH 20, 1961

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall, in said Town, on Monday, March 20, 1961, at eight o'clock in the evening. The Warrant calling the meeting served as the notice sent by mail to the town meeting members by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairman and Clerks of Precincts 13 and 14 relative to meetings held on March 16 and March 20, respectively, and of the elections to fill town meeting vacancies until the next annual election, as follows:

> Precinct 13 - Joseph J. Doyle, 48 Peirce Street, to fill the vacancy arising from the failure of the registered voters in such precinct to elect the full number of town meeting members;
>
> Precinct 14 - Ruth S. Milley, 37 Golden Avenue, to fill the vacancy arising from the resignation of Dorothy A. Vahey, whose term was to expire in 1962.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-two (242) town meeting members and nine (9) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred twenty-two (222) town meeting members and nine (9) town meeting members at large (92% of total - 251) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:07 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovar, pianist, and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by Reverend Halsey I. Andrews, Rector of Saint John's Episcopal Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Mr. John O. Parker, Chairman of the Board of Selectmen, permission was granted by general consent for Messrs. Greeley and Pellegrini of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Mr. Hauser of the Board of Assessors; Mr. Waterman, Executive Secretary of the Board of Assessors; Mr. Johnson of the Personnel Board; Mr. Morris, Executive Secretary of the Personnel Board; Messrs. Dunn, Higby, Ahern, Keefe, Guinan, Cotter, Sisson and Dillon of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Messrs. Baker, Daily, Coughlin, Morine, Allen, Kent, Miss Carter and Mrs. Porteus of the School Committee; Mr. Roens, Superintendent of Schools and Mr. Purcell, Town Counsel, to sit within the town meeting enclosure.

The Town Clerk read the call of the meeting and the constable's return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Parker, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Wednesday evening, March 22, 1961, at 8 o'clock.

On motion of Selectman Parker, duly seconded, it was

VOTED: That Article 2 be taken up. (Choice of other Town Officers.)

On motion of Selectman Parker, duly seconded, it was

VOTED: That the following be appointed Measurers of Wood and Bark:

Thomas J. Toye, 195 Forest Street
Edward L. Kelley, 20 Paul Revere Road

There being no further business under Article 2, the Moderator declared it disposed of.

On motion of Selectman Parker, duly seconded, it was

VOTED: That Article 3 be taken up. (Reports of Town Boards, Finance and other Committees.)

On motion of Selectman Parker, duly seconded, it was

VOTED: That the reports of the Selectmen and of the various Town officers and committees heretofore appointed, together with the statistics of the Assessors as printed in the Town Report, be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be received.

Mr. Robert F. Douglas reported for the Committee under vote of the Town passed March 26, 1952, to investigate, consider and make recommendations for the purchase or taking by eminent domain, or otherwise, of a suitable site and for the construction of a new building or reconstruction of an existing building to be used for garaging Town-owned vehicles and on his motion, duly made and seconded, it was

VOTED: That the committee be discharged.

Mr. Edward G. Grey presented the report of the Committee under vote of the Town passed March 15, 1954, to investigate and study the adequacy of the present school buildings and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Horace H. Homer presented the report of the Committee under vote of the Town passed March 24, 1954, to procure plans and estimates for the construction of a school building in the area of Florence Avenue, George and Renfrew Streets and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Percival E. Richardson presented the report of the Committee under vote of the Town passed March 24, 1954, to investigate, consider and make recommendations as to the swimming conditions at the Arlington Heights Reservoir Beach and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. David Govenar presented the report of the Arlington Brotherhood Committee under vote of the Town passed March 28, 1955, and on the motion of Mr. Streng, duly made and seconded, it was

VOTED: That the report be received.

Mr. Edward G. Grey presented the report of the High School additions and reconstruction committee under vote of the Town passed April 4, 1956, and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Allan B. Igo presented the report of the Arlington Development Commission under vote of the Town passed March 25, 1957, and on motion of Mr. Streng, duly made and seconded, it was

VOTED: That the report be received.

Mr. Percival E. Richardson presented the report of the Committee under vote of the Town passed March 27, 1957, to investigate and make a study of the land owned by the Town of Arlington in the Town of Lexington, known as the Great Meadows and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mrs. Leona R. Wilkins presented the report of the Committee under vote of the Town passed March 21, 1958, to investigate, consider and make recommendations as to the advisability of installing voting machines in any or all of the precints of the Town and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. William E. Collins presented the report of the Committee under vote of the Town passed March 23, 1959, to investigate, consider and make recommendations relative to the replacement of the Town's radio broadcasting system in accordance with the directive contained in Docket 12295 of the Federal Communcations Commission and on his motion, duly made and seconded, it was

VOTED: That the report be received.

Mr. Aubrey C. Tobey presented the report of the Committee under vote of the Town passed March 23, 1959, to procure plans and estimates for the construction of an elementary school building on land owned by the Town located on Pheasant Avenue and on motion of Mr. Streng, duly made and seconded, it was

VOTED: That the report be received.

Mr. William J. Frost made an oral report for the committee under vote of the Town passed March 21, 1960, to investigate, consider and make recommendations relative to Town encouragement financially, or otherwise, of Town employees seeking formal education in areas related to or growing out of their full-time activities and on his motion, duly made and seconded, it was

VOTED: That the report be received.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant unless otherwise voted as to any particular article, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 4. (Treasurer; Power to Borrow)

VOTED: (Unanimously) That the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1962, in anticipation of the revenue of the financial year beginning January 1, 1962 and to issue a note or notes therefor, payable within one year, and to renew any note or notes that may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws and any amendments thereof; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1962.

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. (Claims or Charges of Symmes Hospital)

VOTED: (Unanimously) That the sum of forty-six thousand three hundred twenty-seven and 46/100 (46,327.46) dollars be and hereby is appropriated to pay claims and charges of Symmes Hospital, including such claims and charges for aid, relief or care furnished prior to January 1, 1961 to persons falling into distress and standing in need of immediate relief; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7C of the By-Laws and as amended under any article of the Warrant for this meeting, be and hereby are amended by increasing all money figures contained therein by approximately four percent (4%) to the nearest even dollar or two hundred and eight (208)

dollars, whichever is the greater, in the annual salary schedule, and four (4.00) dollars or approximately four percent (4%) to the nearest even daily rate, whichever is the greater in the weekly salary schedule; and by increasing the compensation of regularly employed part-time employees by approximately four percent (4%) to the nearest dollar; said amendment to become effective April 1, 1961; and that for this purpose the sum of ninety three thousand seven hundred and fifty (93,750) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum-- $4520.00", "Step 1 -- $4834.00", and "Maximum -- $5150.00" where they appear in Grade PF 2 of said Schedules and inserting in place thereof the words and figures "Minimum -- $4612.00", "Step 1 -- $4926.00", and "Maximum -- $5242.00", and by striking out the words and figures "Maximum -- $5674.00" where they appear in Grade PF 3 of said Schedules and inserting in place thereof the words and figures "Maximum -- $5818.00", and by striking out the words and figures "Maximum -- $6200.00", where they appear in Grade PF 4 of said Schedules and inserting in place thereof the words and figures "Maximum -- $6419.00", and by striking out the words and figures "Maximum -- $6724.00", where they appear in Grade PF 5 of said Schedules and inserting in place thereof the words and figures "Maximum -- $7043.00"; said amendment to become effective April 1, 1961; and that for this purpose the sum of fifteen thousand six hundred and forty ($15,640.00) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 7, the Moderator declared it disposed of.

Article 8. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum -- $6092.00", "Step 1 -- $6354.00", "Step 2 -- $6620.00", "Step 3 -- $6882.00", and "Maximum -- $7158.00", where they appear in Grade LS 8 of said Schedules and inserting in place thereof the words and figures "Minimum -- $6500.00", "Step 1 -- $6750.00", "Step 2 -- $7000.00", "Step 3 -- $7250.00", and "Maximum -- $7550.00", and by striking out the words and figures "Minimum -- $4752.00", "Step 1 -- $4938.00", "Step 2 -- $5150.00", "Step 3 -- $5346.00", and "Maximum -- $5620.00" where they appear in Grade LS 7 of said Schedules and inserting in place thereof the words and figures "Minimum -- $5000.00", "Step 1 -- $5200.00", "Step 2 -- $5400.00", "Step 3 -- $5600.00", and "Maximum -- $5800.00", and by striking out the words and figures "Minimum -- $4650.00", "Step 1 -- $4832.00", "Step 2 -- $5024.00", "Step 3 -- $5220.00", and "Maximum -- $5416.00" where they appear in Grade LS 6 of said Schedules and inserting in place thereof the words and figures "Minimum -- $4700.00", "Step 1 -- $4900.00", "Step 2 -- $5100.00", "Step 3 -- $5300.00", and "Maximum -- $5500.00"; said amendment to become effective April 1, 1961; and that for this purpose the sum of five hundred fifty five (555.00) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 8, the Moderator declared it disposed of.

Article 9. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan - Schedule A and Pay Plan - Schedule B as established by Article 7C of the By-Laws be and hereby are amended by striking out the words and figures "Minimum -- $7308.00", "Step 1 -- $7570.00", "Step 2 -- $7834.00", "Step 3 -- $8096.00", and "Maximum -- $8358.00" where they appear in Grade AG 14 of said Schedules and inserting in place thereof the words and figures "Minimum -- $7450.00", "Step 1 -- $7700.00", "Step 2 -- $7950.00", "Step 3 -- $8200.00", and "Maximum -- $8500.00"; and by reallocating Civil Engineer, Grade 4, from Grade AG 10 to Grade AG 11; said amendment to become effective April 1, 1961; and that for this purpose the sum of three hundred sixty (360) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the departments affected.

There being no further business under Article 9, the Moderator declared it disposed of.

Article 10. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by striking out "(10¢ per hour additional when operating power shovel, power grader and power sweeper)" where it appears after "Motor Equipment Operator, Grade 3" and inserting in place thereof "(10¢ per hour additional when operating power shovel, power grader, power sweeper, and bulldozer on sanitary fill)"; said amendment to become effective April 1, 1961; and that for this purpose the sum of one hundred fifty six (156) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 10, the Moderator declared it disposed of.

Article 11. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Timekeeper from Grade MC 4 to Grade MC 5; said amendment to become effective April 1, 1961; and that for this purpose the sum of one hundred sixty four (164) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 11, the Moderator declared it disposed of.

Article 12. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating General Public Works Foreman from Grade AG 8 to Grade AG 9; said amendment to become effective April 1, 1961; and that for this purpose the sum of two hundred sixty-seven (267) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 12, the Moderator declared it disposed of.

Article 13. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: (Unanimously) That the Classification Plan, known as Schedule A of Article 7C of the By-Laws be and hereby is amended by reallocating Supervisor of Custodians and Maintenance from Grade AG 13 to Grade AG 14; said amendment to become effective April 1, 1961; and that for this purpose the sum of two hundred thirty-six (236.00) dollars be and hereby is appropriated, said sum to be raised by general tax and expended under the direction of the department affected.

There being no further business under Article 13, the Moderator declared it disposed of.

Article 14. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by adding the classification of Supervisor of Technical Services, Grade LS 6.

There being no further business under Article 14, the Moderator declared it disposed of.

Article 15. (Amendment of Town By-Laws - Classification and Pay Plan.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Section 3 of Article 7C of the By-Laws be and hereby is amended by adding the following sentence at the end of Section 3, "Requests to the Personnel Board for amendments to the Classification and Pay Plan or for any other amendments to this By-Law at any Annual Meeting shall be in writing and received by the Personnel Board on or before November 1st of the year preceding such Annual Town Meeting in order to be considered by said Board."

There being no further business under Article 15, the Moderator declared it disposed of.

Article 16. (Amendment of Town By-Laws - Classification and Pay Plan.)

A substitute motion offered by Edward J. Dever, Jr., town meeting member from Precinct 7, was seconded and declared carried on a standing vote, 109 having voted in the affirmative and 105 in the negative. Thereupon, on the motion of the Finance Committee as substituted by the motion of Mr. Dever, it was

VOTED: To see if the Town will vote to amend the Classification Plan, known as Schedule A, of Article 7C, of the By-Laws, by reallocating Senior Building Custodian from Grade MC 4 to Grade MC 5 and by reallocating Senior Building Custodian (Junior High, Library and Town Hall) from Grade MC 5 to Grade MC 6; said amendments to be effective April 1, 1961; appropriate the sum of $2,652.00 to be expended by the various departments affected; and determine how the money shall be raised; or take any action relating thereto.

There being no further business under Article 16, the Moderator declared it disposed of.

Article 17. (Amendment of Town By-Laws - Classification and Pay Plan.)

VOTED: That no action be taken under Article 17 of the Warrant.

There being no further business under Article 17, the Moderator declared it disposed of.

Article 18. (Group Health, Hospital, Medical and Surgical Insurance Benefits.)

A motion to lay Article 18 on the table offered by Frederick A. Mahony, town meeting member from Precinct 11, which was duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, it was

VOTED: That no action be taken under Article 18 of the Warrant.

Mr. Gerald P. Hourihan, town meeting member from Precinct 5, served notice of his intention to move for reconsideration.

There being no further business under Article 18, the Moderator declared it disposed of.

Article 19. (Vacation Leave.)

VOTED: That no action be taken under Article 19 of the Warrant.

There being no further business under Article 19, the Moderator declared it disposed of.

Article 20. (Municipal Parking Area Improvements.)

VOTED: That no action be taken under Article 20 of the Warrant.

There being no further business under Article 20, the Moderator declared it disposed of.

Article 21. (Town Departmental Outlays and Expenses.)

MOVED AND SECONDED: That sums be appropriated to defray departmental obligations, outlays and expenses for the year 1961, to be raised by general tax except as otherwise specifically voted and expended, and that the disposal of motor vehicles and other personal property be authorized, all under the direction of the respective department heads as follows:

On motion of George H. Anderson, town meeting member from Precinct 14, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:58 P.M. on Monday, March 20, 1961, until Wednesday, March 22, 1961, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL TOWN MEETING-MARCH 22, 1961

Pursuant to the vote of adjournment of March 20, 1961, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Wednesday evening, March 22, 1961, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

Lists of the duly qualified town meeting members were used at the entrances to the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-two (242) town meeting members and (9) town meeting members at large qualified to participate and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred one (201) town meeting members and nine (9) town meeting members at large (83.6% of total--251) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:09 P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly accompanied by Mr. Anton Kovan, pianist and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by Reverend Edward L. Gallagher, Curate of Saint Camillus' Church.

The Town Meeting Members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of Mr. John O. Parker, Chairman of the Board of Selectmen, permission was granted by general consent for Messrs. Herlihy and Kenna of the Planning Board, and Mr. Harold Kramer, planning consultant, to sit within the town meeting enclosure.

On motion of Selectmen Parker, duly made and seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Monday evening, March 27, 1961, at 8:00 o'clock.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, it was

VOTED: That Budget 45 of Article 21 be taken from the table.

45. Printing Town Reports (Town Manager)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: (Unanimously)

45. Printing Town Reports (Town Manager)	
Printing Town Reports	$ 4,500.00
Additional Appropriation for 1960 Report	436.00
TOTAL	4,936.00

There being no further business under Article 21, the Moderator declared it disposed of.

Article 22. (Extension of Sewerage System.)

VOTED: (Unanimously) That the sum of twenty-five thousand (25,000) dollars be and hereby is appropriated for the extension of the Sewerage System; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows: Extension of Sewerage System (including Tools and Equipment).

There being no further business under Article 22, the Moderator declared it disposed of.

Article 23. (Extension of Water Mains.)

VOTED: (Unanimously) That the sum of twenty-five thousand (25,000) dollars be and hereby is appropriated for the extension of water mains; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows: Laying and relaying water mains of not less than six inches in diameter (including Tools and Equipment).

There being no further business under Article 23, the Moderator declared it disposed of.

Article 24. (Extension of Storm Drains.)

VOTED: That the sum of twenty thousand (20,000) dollars be and hereby is appropriated for the extension of storm drains in the year 1961; said sum to be raised by general tax and expended under the direction of the Town Manager substantially as follows: Extension of Storm Drains (including Tools and Equipment).

There being no further business under Article 24, the Moderator declared it disposed of.

Article 25. (Sidewalks and Edgestones.)

VOTED: That the sum of twenty thousand (20,000) dollars be and hereby is appropriated for the construction of permanent sidewalks and for the

installing of edgestones in the year 1961; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 25, the Moderator declared it disposed of.

Article 26. (Appropriation--Maintenance of Public Sidewalks.)

VOTED: (Unanimously) That the sum of ten thousand (10,000) dollars be and hereby is appropriated for the reconstruction and maintenance of permanent sidewalks and resetting of edgestones upon the public ways of the Town; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 26, the Moderator declared it disposed of.

Article 27. (Improvement of Drainage System.)

VOTED: That the sum of twenty-five thousand (25,000) dollars be and hereby is appropriated for improvements throughout the Town to the Town's Drainage System and to increase its capacity; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 27, the Moderator declared it disposed of.

Article 28. (Disposal of Obselete Equipment.)

VOTED: (Unanimously) That the Town Manager be and hereby is authorized to sell, transfer, or otherwise dispose of accumulated obsolete equipment now owned by the Town and formerly used by the Public Works Department.

There being no further business under Article 28, the Moderator declared it disposed of.

Article 29. (Reconstruction of Certain Streets.)

VOTED: (Unanimously) That the sum of forty-two thousand one hundred (42,100) dollars be and hereby is appropriated for the relocation; alteration and widening, construction of, specific repairs upon and improvement of all or any parts of Massachusetts Avenue, Mystic Street, Park Avenue and Warren Street, within the town as now existing or hereafter relocated, altered or widened, including land damages, if any, under the provisions of law authorizing the assessment of betterments or otherwise; said appropriation to be used with any sum or sums which may be allotted by the Commonwealth or by the County of Middlesex, or both, for such purpose or purposes; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 29, the Moderator declared it disposed of.

Article 30. (Laying Out of Old Colony Road.)

VOTED: (Unanimously) That the laying out of a town way from Windmill Lane to Cherokee Road, substantially in the location of the private way known as Old Colony Road, as more particularly described in Article 30 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 30, the Moderator declared it disposed of.

Article 31. (Laying Out of Arrowhead Lane.)

VOTED: (Unanimously) That the laying out of a town way from Longmeadow Road to Old Colony Road, substantially in the location of the private way known as Arrowhead Lane, as more particularly described in Article 31 of the Warrant, under the provision of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 31, the Moderator declared it disposed of.

Article 32. (Laying Out of Old Middlesex Path.)

VOTED: (Unanimously) That the laying out of a town way from Old Colony Road to #20 and #21, substantially in the location of the private way known as Old Middlesex Path, as more particularly described in Article 32 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 32, the Moderator declared it disposed of.

Article 33. (Laying Out of Lowell Street Place.)

VOTED: (Unanimously) That the laying out of a town way from Lowell Street to the Boston and Maine Railroad, substantially in the location of the private way known as Lowell Street Place, as more particularly described in Article 33 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 33, the Moderator declared it disposed of.

Article 34. (Laying Out of Norcross Street.)

VOTED: (Unanimously) That the laying out of a town way from North Union Street to Gardner Street, substantially in the location of the private way known as Norcross Street, as more particularly described in Article 34 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 34, the Moderator declared it disposed of.

Article 35. (Laying Out of Granton Park.)

VOTED: (Unanimously) That the laying out of a town way from Fremont Street to Norcross Street, substantially in the location of the private way known as Granton Park, as more particularly described in Article 35 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of

Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 35, the Moderator declared it disposed of.

Article 36. (Laying Out of Hemlock Street.)

VOTED: (Unanimously) That the laying out of a town way from end of acceptance to Yerxa Road, substantially in the location of the private way known as Hemlock Street, as more particuarly described in Article 36 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 36, the Moderator declared it disposed of.

Article 37. (Laying Out of Crosby Street.)

VOTED: (Unanimously) That the laying out of a town way from Columbia Road to 270' south of College Avenue, substantially in the location of the private way known as Crosby Street, as more particularly described in Article 37 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 37, the Moderator declared it disposed of.

Article 38. (Alteration of Mill Street.)

VOTED: (Unanimously) That the alteration of the way known as Mill Street, on the northeasterly corner of Massachusetts Avenue, substantially in the location as made and reported by the Board of Selectmen, in its capacity as a Board of Survey, and as more particularly described in Article 38 of the Warrant be accepted and said way as altered be established and used under the provisions of law as a public way; and that the sum of seven thousand five hundred (7,500) dollars be and hereby is appropriated for the alteration of, construction of, and specific repairs upon said way; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 38, the Moderator declared it disposed of.

Article 39. (Alteration of Jason Street.)

By consent of the meeting, the motion of the Finance Committee as appearing in its printed report was considered withdrawn, and on the new motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: (Unanimously) That the alteration of the way known as Jason Street, on the southwesterly corner of Massachusetts Avenue, substantially in the location as made and reported by the Board of Selectmen, in its capacity as a Board of Survey, and as more particularly described in Article 39 of the Warrant be accepted and said way as altered be established and used under the provisions of law as a public way; and that the sum of two thousand (2,000) dollars be and hereby is appropriated for the alteration of, con-

struction of, and specific repairs upon said way; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 39, the Moderator declared it disposed of.

Article 40. (Laying Out of Candia Street.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to King Street, substantially in the location of the private way known as Candia Street, as more particularly described in Article 40 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 40, the Moderator declared it disposed of.

Article 41. (Appropriation for Construction of Ways.)

VOTED: (Unanimously) That the sum of two hundred five thousand four hundred (205,400) dollars be and hereby is appropriated for the original construction of public ways, the laying out of which is accepted at this meeting under Articles 30 to 37 inclusive and Article 40, including land damages and the cost of pavements and sidewalks laid at the time of such construction, all under the provisions of law authorizing the assessment of betterments; that for this purpose the sum of twenty-seven thousand two hundred eighteen and 19/100 (27,218.19) dollars be raised by general tax, and seventy-eight thousand one hundred eighty-one and 81/100 (78,181.81) dollars be taken from unexpended balances in the treasury as follows:

Article #59	Annual Town Meeting--1955 Construction of Ways	$ 5,000.00
Article #56	Annual Town Meeting--1956 Construction of Ways	5,000.00
Article #58	Annual Town Meeting--1957 Construction of Ways	8,988.46
Article #61	Annual Town Meeting--1958 Construction of Ways	4,507.62
Article #49	Annual Town Meeting--1959 Construction of Ways	9,150.69
Article #52	Annual Town Meeting--1960 Construction of Ways	45,000.00
Article #64	Annual Town Meeting--1959 Fence and Lighting at Town Yard	535.04

and for the balance one hundred thousand (100,000) dollars, the Treasurer, with the approval of the Board of Selectmen, be and hereby is authorized to borrow the said sum of one hundred thousand (100,000) dollars and to issue bonds or notes of the Town therefor, said bonds or notes to be payable in accordance with the provisions of Section 19 of Chapter 44 of the General Laws and all Acts in addition thereto or amendment thereof, so that the whole loan shall be paid in not more than ten (10) years from the issue of the first bond or note or at such earlier date as the Treasurer and Selectmen may determine; and further that the sum of two hundred five thousand four hundred (205,400) dollars be expended under the direction of the Town Manager substantially as follows:

Old Colony Road	(Article 30)	$ 54,700.00
Arrowhead Lane	(Article 31)	14,900.00
Old Middlesex Path	(Article 32)	23,600.00

Lowell Street Place	(Article 33)	$ 15,600.00
Norcross Street	(Article 34)	33,800.00
Granton Park	(Article 35)	12,500.00
Hemlock Street	(Article 36)	20,400.00
Crosby Street	(Article 37)	17,000.00
Candia Street	(Article 40)	12,900.00
		$205,400.00

There being no further business under Article 41, the Moderator declared it disposed of.

Article 42. (Easements in Land.)

VOTED: (Unanimously) That the Board of Selectmen be and hereby is authorized and empowered on behalf of the Town, to purchase or take by eminent domain or otherwise acquire, easements in land adjoining the location of ways, the laying out of which is accepted at this meeting under Article 30 to 37 inclusive and Article 40, consisting of the right to have the land of said location protected by having the surface of such adjoining land slope from the boundaries of said locations; that for this purpose the sum of eight hundred (800) dollars be and hereby is appropriated; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 42, the Moderator declared it disposed of.

Article 43. (Laying Out of Windmill Lane.)

VOTED: (Unanimously) That the laying out of a town way from Morningside Drive to Old Colony Road, substantially in the location of the private way known as Windmill Lane, as more particularly described in Article 43 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 43, the Moderator declared it disposed of.

Article 44. (Laying Out of Clyde Terrace.)

VOTED: (Unanimously) That the laying out of a town way from Forest Street to Washington Street, substantially in the location of the private way known as Clyde Terrace, as more particularly described in Article 44 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 44, the Moderator declared it disposed of.

Article 45. (Laying Out of Washington Street.)

VOTED: (Unanimously) That the laying out of a town way from Gay Street to Clyde Terrace substantially in the location of the private way known as Washington Street, as more particularly described in Article 45 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 45, the Moderator declared it disposed of.

Article 46. (Laying Out of Oldham Road.)

VOTED: (Unanimously) That the laying out of a town way from Country Club Drive to Ridge Street, substantially in the location of the private way known as Oldham Road, as more particularly described in Article 46 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 46, the Moderator declared it disposed of.

Article 47. (Laying Out of Ridge Street.)

VOTED: (Unanimously) That the laying out of a town way from Pawnee Road to its end, substantially in the location of the private way known as Ridge Street, as more particularly described in Article 47 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 47, the Moderator declared it disposed of.

Article 48. (Laying Out of Osceola Path.)

VOTED: (Unanimously) That the laying out of a town way from Ridge Street to its end, substantially in the location of the private way known as Osceola Path, as more particularly described in Article 48 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 48, the Moderator declared it disposed of.

Article 49. (Laying Out of Yerxa Road.)

VOTED: (Unanimously) That the laying out of a town way from Hemlock Street to Ridge Street, substantially in the location of the private way known as Yerxa Road, as more particularly described in Article 49 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 49, the Moderator declared it disposed of.

Article 50. (Laying Out of Candia Street.)

VOTED: (Unanimously) That the laying out of a town way from Washington Street to Charles Street, substantially in the location of the private way known as Candia Street as more particularly described in Article 50 of the Warrant under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board

of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 50, the Moderator declared it disposed of.

Article 51. (Laying Out of Mead Road.)

VOTED: (Unanimously) That the laying out of a town way from Pine Street to Charles Street, substantially in the location of the private way known as Mead Road, as more particularly described in Article 51 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 51, the Moderator declared it disposed of.

Article 52. (Laying Out of Florence Avenue.)

VOTED: (Unanimously) That the laying out of a town way from #262 to its end, substantially in the location of the private way known as Florence Avenue, as more particularly described in Article 52 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 52, the Moderator declared it disposed of.

Article 53. (Laying Out of Hathaway Circle.)

VOTED: (Unanimously) That the laying out of a town way from Florence Avenue to Florence Avenue, substantially in the location of the private way known as Hathaway Circle, as more particularly described in Article 53 of the Warrant, under the provisions of law authorizing the assessment of betterments, as made and filed in the office of the Town Clerk by the Board of Selectmen, be accepted, said way established and said Board authorized to take land for the purpose of said way.

There being no further business under Article 53, the Moderator declared it disposed of.

Article 54. (Construction of Ways.)

VOTED: (Unanimously) That the sum of forty thousand three hundred (40,300) dollars be and hereby is appropriated for the construction of the public ways, the laying out of which is accepted at this meeting under Articles 43 to 53 inclusive of the Warrant, all under the provisions of law authorizing the assessment of betterments; said sum to be raised by general tax and expended under the direction of the Town Manager, substantially as follows:

Windmill Lane	(Article 43)	$ 3,000.00
Clyde Terrace	(Article 44)	12,200.00
Washington Street	(Article 45)	1,000.00
Oldham Road	(Article 46)	100.00
Ridge Street	(Article 47)	4,000.00
Osceola Path	(Article 48)	5,500.00
Yerxa Road	(Article 49)	4,100.00
Candia Street	(Article 50)	100.00

Mead Road	(Article 51)	$10,100.00
Florence Avenue	(Article 52)	100.00
Hathaway Circle	(Article 53)	100.00
		$40,300.00

There being no further business under Article 54, the Moderator declared it disposed of.

Article 55. (Radio Broadcasting and Receiving System.)

VOTED: (Unanimously) That the sum of fifty thousand (50,000) dollars be and hereby is appropriated for the conversion of the Town's Radio Broadcasting and Receiving System in accordance with the directive contained in Docket #12295 of the Federal Communications Commission; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 55, the Moderator declared it disposed of.

Article 56. (Air Conditioning in Town Engineering Department.)

VOTED: (Unanimously) That no action be taken under Article 56 of the Warrant.

There being no further business under Article 56, the Moderator declared it disposed of.

Article 57. (Urban Renewal.)

A substitute motion offered by Russell T. Eckel, town meeting member from Precinct 12, duly seconded, was amended by a substitute motion offered by John O. Parker, Chairman of the Board of Selectmen, which was seconded and declared to have carried on a standing vote, 125 having voted in the affirmative and 75 in the negative. Thereupon, on the motion of the Finance Committee, as substituted, it was

VOTED: That an appointing authority consisting of the Moderator, the Chairman of the Board of Selectmen and the Town Manager be and hereby is authorized and directed to appoint a committee of nine persons, comprised of one member of the Planning Board, one member of the Arlington Development Commission, one member of the Arlington Housing Authority, one member of the Finance Committee and five registered voters of the Town to investigate, consider and make recommendations relative to the question of whether or not there is a need for Urban Renewal in the Town; said committee to report not later than the 1962 Annual Town Meeting; and that the sum of one hundred (100) dollars be and hereby is appropriated for the use of said committee, said sum to be raised by general tax.

There being no further business under Article 57, the Moderator declared it disposed of.

Article 58. (Sanitary Sewer--Madison Avenue.)

VOTED: (Unanimously) That the sum of six thousand six hundred (6,600) dollars be and hereby is appropriated for the installation of a sanitary sewer to service a portion of Madison Avenue, including an outlet sewer through private lands to connect with an existing sanitary sewer; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 58, the Moderator declared it disposed of.

Article 59. (Abandonment of Easement.)

VOTED: (Unanimously) That the Town does hereby abandon a portion of an easement over Private Lands taken by the Board of Selectmen for storm drain purposes, dated April 11, 1960, and duly recorded with Middlesex South District Registry of Deeds in Book 9575, Page 100; said portion of said easement to be abandoned being bounded and described as follows:

Beginning at a point on said southerly side line of Day Street, at the westerly boundary line of Lot 43, thence southwesterly through Lot 44 a distance of 74 feet more or less to a point on the westerly boundary line of Lot 44, thence southeasterly on the division line between Lots 44 and 45 a distance of 15 feet more or less to the division line between Lots 45 and 28, thence southwesterly through Lot 28 a distance of 80 feet more or less to a point on the northerly side line of Dow Avenue, said point being 16 feet southwesterly of the easterly boundary line of Lot 28, thence southwesterly on said northerly boundary line of Dow Avenue, a distance of 10 feet more or less to a point, thence northeasterly through Lot 28 a distance of 80 feet more or less to a point on the division line between Lots 28 and 45, thence northwesterly through Lot 45 a distance of 16 feet more or less to an angle point, thence northeasterly through Lot 45 and Lot 44 a distance of 73 feet more or less to a point on the southerly side line of Day Street, thence northeasterly on said southerly side line of Day Street, 10 feet more or less to the point of beginning.

There being no further business under Article 59, the Moderator declared it disposed of.

Article 60. (Storm Drain Day Street -- Dow Avenue.)

VOTED: (Unanimously) That the sum of two thousand eight hundred fifty (2,850) dollars be and hereby is appropriated for the construction of a storm drain culvert or main through private lands from Day Street to Dow Avenue, to replace and eliminate the natural waterway and open ditch now existing in this area; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 60, the Moderator declared it disposed of.

On the motion of John J. Bilafer, town meeting member from Precinct 11, duly seconded, it was

VOTED: That Article 62 be considered before Article 61.

Article 62. (Disposal of Park Land.)

A substitute motion offered by John J. Bilafer, town meeting member from Precinct 11, duly seconded, was declared lost on a voice vote. Thereupon, on the original motion of the Finance Committee, it was

VOTED: That no action be taken under Article 62 of the Warrant.

There being no further business under Article 62, the Moderator declared it disposed of.

Article 61. (Acceptance of a Gift of Land.)

VOTED: That no action be taken under Article 61 of the Warrant.

There being no further business under Article 61, the Moderator declared it disposed of.

At this point a recess was taken from 9:30 to 9:50 P.M.

Article 63. ZONING (Area bounded in part by Brattle Street and Brattle Place.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: That no action be taken under Article #63 of the Warrant because it cannot be considered on its merits at this meeting.

There being no further business under Article 63, the Moderator declared it disposed of.

Article 64. ZONING (Area bounded in part by Spy Pond, land of the Town of Arlington and land of Boston and Maine Railroad.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly seconded, as substituted by the motion of Daniel W. Shea, Jr., town meeting member from Precinct 9, which was duly seconded and declared by the Moderator to have carried on a voice vote, it was

VOTED: (Roll Call Vote, 130 voting in the affirmative and 63 in the negative)

That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District and bounded and described as follows:

WESTERLY	by SPY POND by five courses together measuring 808.86 feet;
NORTHERLY	by land of the Town of Arlington, as shown on plan hereinafter mentioned, 240 feet;
EASTERLY	by land of the Boston and Maine Railroad, as shown on said plan, in seven courses together measuring 847.90 feet;
SOUTHEASTERLY	by land of William H.& Marilyn H. Hamilton, as shown on said plan, 66 feet;
SOUTHWESTERLY and SOUTHEASTERLY	by land of Frederico Boraschi &Bruno Pedrelli, as shown on said plan, in two courses measuring respectively 63.60 feet and 48.50 feet.

Said parcel being shown on a plan entitled "Plot Plan of Land in Arlington, Mass.", dated Sept. 21, 1960, by Albert A. Miller and Wilbur C. Nylander, Civil Engrs & Surveyors.

There being no further business under Article 64, the Moderator declared it disposed of.

On motion duly made and seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:30 P.M. Wednesday, March 22, 1961, until Monday, March 27, 1961, at 8:00 P.M.

A true record.

ATTEST:

Ann Mahon
Town Clerk

ADJOURNED ANNUAL TOWN MEETING-MARCH 27, 1961

Pursuant to the vote of adjournment of March 22, 1961, and written notices sent by mail by the Town Clerk, the town meeting members met in the Town Hall on Monday evening, March 27, 1961, to act upon the remaining articles set forth in the Warrant for the Annual Town Meeting.

A Certificate was filed with the Town Clerk by the Chairman and Clerk of Precinct 9 relative to the meeting held on this date and of the election to fill a town meeting vacancy until the next annual election, as follows:

Precinct 9 - Aubrey C. Tobey, 36 Fox Meadow Lane, to fill the vacancy arising from the resignation of Allan Roy Kingston, whose term was to expire in 1963.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Mary A. Farrington and James E. Sweeney. The lists contained the names of two hundred forty-three (243) elected town meeting members and nine (9) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that two hundred seven (207) elected town meeting members and nine (9) town meeting members at large (85.7% of total 252) attended the meeting.

The Moderator, Lawrence E. Corcoran, declaring a quorum present, called the meeting to order at 8:00 o'clock P.M.

The meeting was opened with the singing of the "Star Spangled Banner" by the Assembly, accompanied by Mr. Anton Kovar, pianist, and Mr. Richard Laman, trumpeter, both of the School Department.

The invocation was given by Rabbi Herbert Rosenbloom of the Temple Emunah Center in Lexington.

A town meeting member who had not previously been sworn was thereupon sworn by the Moderator.

There being no objection to the request of Selectman Parker, permission was granted by general consent for Mr. Robert F. Roland, consultant to the Planning Board, to sit within the town meeting enclosure.

There being no objection to the request of Selectmen Parker, he was granted permission to address the meeting and make an announcement in connection with the Metropolitan Transit Authority.

On motion of Selectman Parker, duly seconded, it was

VOTED: That if all the business of the meeting as set forth in the Warrant is not disposed of at this session, when the meeting adjourns, it adjourns to Wednesday evening, March 29, 1961, at 8:00 o'clock.

The Moderator declared Article 65 to be now before the meeting.

Article 65. ZONING (Area bounded in part by Spy Pond and Spy Pond Lane.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Miss Campbell then presented the motion of the Planning Board which was seconded. A substitute motion offered by John P. Kedian, town meeting member from Precinct 12, which was seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the motion of Miss Campbell, it was

VOTED: That no action be taken under Article 65 of the Warrant.

There being no further business under Article 65, the Moderator declared it disposed of.

Article 66. ZONING (Area bounded in part by Broadway and Oxford Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Residence C District the area now included in the Residence B District, bounded and described as follows:

Beginning at a point on the center line of Oxford Street, said point being 101.45 feet southwesterly along said center line from the point of intersection of said center line and the southwesterly side line of Broadway, thence northwesterly across Oxford Street, and through a Lot marked "Puffer" on a Plan entitled "Land in Arlington, Mass." dated November 6, 1909, H. S Adams, C. E., recorded with Middlesex South District Registry of Deeds in Plan Book 182, Plan 37, on the southwesterly boundary line of the Business A District shown on said Zoning Map a distance of 116.86 feet to a point on the northwesterly boundary of said Lot marked "Puffer" thence southwesterly on the southeasterly boundary of Lot 109 shown on said Plan now or formerly of Everett H. Mains a distance of 23.97 feet to an angle point, thence southeasterly on the northeasterly boundary of Lot 110 shown on said Plan now or formerly of Phillip G. Campbell a distance of 7.0 feet to an angle point, then southwesterly along the southeasterly boundary of said Lot 110 a distance of 55 feet to an angle point, thence southeasterly along the southwesterly

boundary of Lot 148 shown on said Plan and along an extension of said boundary line to the center line of Oxford Street, a distance of 110.15 feet to said center line, thence northeasterly along the center line of Oxford Street, a distance of 95.97 feet to the point of beginning.

There being no further business under Article 66, the Moderator declared it disposed of.

At this point a short recess was taken.

Article 67. ZONING (Area in rear of Pleasant Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by altering the Zoning Map therein referred to so as to include in the Residence A District the area now included in the Residence D District, and bounded and described as follows:

1. Southeasterly side of Pleasant Street
   Beginning at a point on the division line between the Residence D District and the Residence A District between Lombard Road and Wellington Street, said point being 200 feet southeasterly of the southeasterly side line of Pleasant Street thence southwesterly and southerly on said division line across Wellington Street, Addison Street, Hopkins Road, Peabody Road and Lakeview to an angle point at the center line of Spring Valley, thence northwesterly on said center line of Spring Valley a distance of 60 feet more or less to a point on said center line of Spring Valley, thence northerly and northeasterly through said Residence D District and on a line 200 feet southeasterly of, parallel to and concentric with the southeasterly side line of Pleasant Street across Lakeview, Peabody Road, Hopkins Road, Addison Street and Wellington Street to the point of beginning.

2. Section on northwesterly side of Pleasant Street
   Beginning at a point on the northeasterly boundary line of the Parmenter School property said point being 200 feet northwesterly of the northwesterly side line of Pleasant Street, thence northwesterly by said northeasterly boundary line of the Parmenter School property a distance of 50 feet to an angle point, thence northeasterly by the boundary line between the Residence D District and the Residence A District and on a line 250 feet northwesterly of and parallel to the northwesterly side line of Pleasant Street across Oak Knoll, Pelham Terrace and Maple Street, to a point on the southwesterly boundary line of land of Town of Arlington, thence southeasterly on said boundary line of the land of Town of Arlington a distance of 50 feet more or less to an angle point, thence southwesterly through said Residence D District and on a line 200 feet northwesterly of and parallel to the northwesterly side line of Pleasant Street across Maple Street, Pelham Terrace and Oak Knoll to the point of beginning.

There being no further business under Article 67, the Moderator declared it disposed of.

Article 68. Amendment of Zoning By-Law.

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That the Town amend its Zoning By-Law by striking out the definition of "Story" appearing in Section 6 and inserting the following definition:

"Story" -- That part of a building between any floor and the floor or roof next above.

For the purpose of this by-law, where a building is not divided into stories, a story shall be considered fifteen feet in height, provided that steeples, penthouses, cupolas, stage lofts, etc., shall not be considered as additional stories. A basement or cellar, the ceiling of which extends more than four feet, six inches above the average finished grade, shall be a story within the meaning of this by-law. However, a basement or first floor which is not occupied by any family for dwelling purposes, except by a janitor and his family, but is used for parking, lobby, stairwell, elevator well, laundry, storage or like purposes, shall not be a story within the meaning of this by-law.

There being no further business under Article 68, the Moderator declared it disposed of.

Article 69. ZONING (Area bounded in part by Norcross Street.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, it was

VOTED: (Unanimously) That no action be taken under Article 69 of the Warrant.

There being no further business under Article 69, the Moderator declared it disposed of.

Article 70. ZONING (Area bounded in part by Mystic Street and Rangeley Road.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly made and seconded, it was

VOTED: That the report be received.

Thereupon, on the motion of Miss Campbell, duly made and seconded, as substituted by the motion of George J. Remmert, town meeting member from Precinct 4, which was seconded and declared by the Moderator to have carried on a standing vote, 99 having voted in the affirmative and 42 in the negative, it was

VOTED: (Standing Vote, 144 in the affirmative and 41 in the negative.)

That the Town amend its Zoning By-Laws by altering the zoning map therein referred to so as to include in the Residence C District the area now included partly in the Business A District and partly in the Residence B District, and bounded and described as follows:

WESTERLY by Mystic Street, 144.91 feet;

NORTHWESTERLY by Rangely Road, 170 feet;

NORTHEASTERLY by Lot 17 on a plan hereinafter mentioned, 157.5 feet; and

SOUTHEASTERLY by land of the Commonwealth of Massachusetts 206.06 feet, said parcel being shown as Lots Nos. 1 and 2 on Assessors' Block Plan 64, Section B, and being numbered 147 and 151 Mystic Street, in the present numbering of said street.

There being no further business under Article 70, the Moderator declared it disposed of.

Article 71. (Amendment in Terms and Conditions of A Deed.)

VOTED: (Unanimously) That the Town does hereby authorize and direct the Board of Selectmen to amend the terms and conditions of a deed given by the Town to the Roman Catholic Archbishop of Boston, conveying certain land on Summer Street, which deed is dated September 30, 1957, recorded with the Middlesex South District Registry of Deeds in Book 9035, Page 466, by striking out the condition number 2 in said deed, reading as follows:

"2) Said land shall be used by St. Agnes Catholic Church and School of Arlington for High School purposes only and said school shall be built within five (5) years from the date of transfer of the land, or title to same shall revert to the Town as part of its public parks upon reimbursement to the grantee of the purchase price of said land;"

and in place thereof substituting the following:

"2) Said land shall be used by St. Agnes Catholic Church and High School of Arlington for educational and/or athletic purposes, including use of said land for an athletic field and athletic activities of Arlington Catholic High School, such use to commence within five (5) years from the date of the transfer of the land, or title to the same shall revert to the Town as part of its public parks upon reimbursement to the grantee of the purchase price of said land;"

and does authorize and direct the said Board of Selectmen to execute, acknowledge and deliver in the name and behalf of the Town any and all instruments necessary or convenient to carry out the purposes of this Article.

There being no further business under Article 71, the Moderator declared it disposed of.

Article 72. (Change in By-Laws.)

A substitute motion offered by John J. Bilafer, town meeting member from Precinct 11, duly seconded, was declared lost by the Moderator on a roll call vote, 90 having voted in the affirmative and 110 in the negative. Thereupon, on the motion of the Finance Committee, it was

VOTED: That no action be taken under Article 72 of the Warrant.

There being no further business under Article 72, the Moderator declared it disposed of.

Article 73. (Change the Name of Monument Park.)

A substitute motion offered by Joseph S. Daly town meeting member from Precinct 11, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the motion of the Finance Committee, it was

VOTED: That no action be taken under Article 73 of the Warrant.

There being no further business under Article 73, the Moderator declared it disposed of.

Article 74. (Transfer of Cemetery Funds.)

VOTED: That the sum of five thousand (5,000) dollars be and hereby is transferred from Mount Pleasant Cemetery Sale of Lots and Graves Fund to the Cemetery Commissioners for the improvement of the Town Cemetery.

There being no further business under Article 74, the Moderator declared it disposed of.

Article 75. (Review of Precinct Boundaries of the Town.)

VOTED: That the Town does hereby instruct the Board of Selectmen to review the precinct boundaries of the Town.

There being no further business under Article 75, the Moderator declared it disposed of.

Article 76. (Converting from Coal to Oil--Junior High School West.)

VOTED: That no action be taken under Article 76 of the Warrant.

There being no further business under Article 76, the Moderator declared it disposed of.

Article 77. (Architectual and Engineering Survey.)

VOTED: That the sum of five thousand (5,000) dollars be and hereby is appropriated for the purpose of obtaining architectural and engineering services in connection with a survey of possible remodeling work in the old section of the High School, the Cutter and Locke elementary schools and any other school buildings in the Town of Arlington; said sum to be raised by general tax, and expended under the direction of the committee appointed under Article 8 of the Warrant for the Special Town Meeting held on March 15, 1954.

There being no further business under Article 77, the Moderator declared it disposed of.

Article 78. (Alterations and Improvements to Robbins Library.)

VOTED: That the sum of thirty thousand (30,000) dollars be and hereby is appropriated for further alterations and improvement to, and reconstruction of part of the Robbins Library to restore, increase and improve existing library facilities; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 78, the Moderator declared it disposed of.

Article 79. (Conveyance of the Railroad Station to the V.F.W.)

A substitute motion offered by Valentine T. Chisholm, town meeting member from Precinct 14, duly seconded, was declared lost by the Moderator on a voice vote. Thereupon, on the motion of the Finance Committee, it was

VOTED: That no action be taken under Article 79 of the Warrant.

There being no further business under Article 79, the Moderator declared it disposed of.

Article 80. (Conveyance of Land.)

VOTED: That no action be taken under Article 80 of the Warrant.

There being no further business under Article 80, the Moderator declared it disposed of.

Article 81. (Advertising Town By-Laws.)

VOTED: That the sum of three hundred seventy-five (375) dollars be and hereby is appropriated for the purpose of defraying the expense of advertising and other costs relating to the By-Laws voted at this meeting; said sum to be raised by general tax and expended under the direction of the Town Clerk.

There being no further business under Article 81, the Moderator declared it disposed of.

Article 82. (Ornamental Lighting--Christmas Holiday Season.)

VOTED: That the sum of three thousand eight hundred (3,800) dollars be and hereby is appropriated for the purpose of providing ornamental and additional light to the Town during the Christmas Holiday Season; said sum to be raised by general tax and expended under the direction of the Town Manager.

There being no further business under Article 82, the Moderator declared it disposed of.

Article 83. (Headquarters for Lt. Stanley G. Benner Detachment Marine Corps League of Arlington.)

VOTED: That in accordance with Chapter 40 Section 9 under the General Laws of Massachusetts, as amended by Chapter 409 of the Acts of 1946, the sum of one thousand two hundred (1,200) dollars be and hereby is appropriated for the purpose of providing headquarters for the "Lt. Stanley G. Benner Detachment, Marine Corps League of Arlington"; and that said sum be raised by general tax and expended under the direction of the Board of Selectmen.

There being no further business under Article 83, the Moderator declared it disposed of.

Article 84. (Addition to the Stabilization Fund.)

VOTED: (Unanimously) That the sum of fifty thousand (50,000) dollars be and hereby is appropriated to be added to the Stabilization Fund established by vote of the Town Meeting under Article 73 of the Warrant for the Annual Town Meeting of 1958; said sum to be raised by general tax.

There being no further business under Article 84, the Moderator declared it disposed of.

Article 85. (Appropriation of Available Funds.)

VOTED: That the sum of three hundred twenty-five thousand (325,000) dollars voted for appropriations heretofore made under the Warrant for this meeting, and not to be borrowed or to be taken from available funds or from balances of special appropriations made in other years, shall be taken from

any available funds in the Treasury; and that the Assessors be instructed to use free cash in the Treasury in any available funds to that amount in the determination of the 1961 tax rate.

There being no further business under Article 85, the Moderator declared it disposed of.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 3 be taken from the table. (Reports of Town Boards, Finance and other Committees.)

There being no further business under Article 3, the Moderator declared it disposed of.

On motion of Mr. Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 11:51 P.M. on Monday, March 27, 1961.

A true record.

ATTEST:

Ann Mahon
Town Clerk

WARRANT FOR SPECIAL TOWN MEETING MONDAY, AUGUST 21, 1961

TOWN WARRANT

THE COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss.

To the Constables of the Town of Arlington, in said County:

GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Arlington, to meet in the

TOWN HALL

in said Town on

MONDAY, THE 21ST DAY OF AUGUST, 1961

at 8 o'clock P.M., at which time and place the following articles are to be acted upon and determined exclusively by town meeting members, in accordance with, and subject to, the referenda provided for by Chapter 43A of the General Laws.

Article 1. To hear and act upon the reports of the Finance and other committees heretofore appointed.

Article 2. To see if the Town will amend Schedule A of the Classification Plan, as established by Article 7C of the By-Laws, by adding the classification of Telephone Operator and Clerk and Typist, Grade CG 1.

(Inserted at the request of the Personnel Board)

Article 3. To see if the Town will vote to amend the By-Laws of the Town by adding thereto a new Article to be known as Article 9B establishing rules and regulations for the use of areas under control of the School Department; or take any action relating thereto; said new By-Law to read as follows:

ARTICLE 9B
USE OF AREAS UNDER CONTROL OF
THE SCHOOL DEPARTMENT

Section 1. No person shall injure, mutilate, or destroy any property or equipment, real or personal, belonging to the Town of Arlington under the jurisdiction of the School Department.

Section 2. No person shall park a vehicle on property under the jurisdiction of the School Department except while attending functions at or doing business in the adjoining school building; such parking shall be only at designated locations and not in conflict with faculty or school personnel parking and not in violation of Fire Department regulations governing parking adjacent to school buildings. There shall be no overnight parking of vehicles on any School Department property except for vehicles under the direct control of the School Department, or by special permit issued by the Superintendent of Schools.

Section 3. No person shall refuse or neglect to obey any rule, posted by sign, concerning the use of any area under the jurisdiction of the School Department; nor shall they refuse or neglect to obey any reasonable direction of a police officer, custodian or School Department employee during the time they are on School Department property.

Section 4. No person shall cause or permit any animal owned by him or in his custody or under his control to roam or be at large in or on any property under the care and control of the School Department, except a dog when restrained by a leash not exceeding six feet in length.

Section 5. No person shall remain upon school grounds, including playgrounds, during the periods when school is in session except when under the direct supervision of school personnel.

Section 6. No person or persons shall congregate in doorways or recess areas of school buildings for purposes of loitering, card playing or any other activity not specifically authorized by the School or Park Department.

Section 7. Motor cycles and motor scooters are not permitted on school property including the roadway in the rear of the Arlington Senior High School building.

Section 8. Any person violating any of the foregoing sections shall, for each offense, be punished by a fine of not more than twenty (20) dollars.

(Inserted at the request of the School Committee)

Article 4. To see if the Town will make an appropriation for the purchase of addressing and billing machines and related equipment for the Board of Assessors; determine in what manner the money shall be raised and expended; or take any action relating thereto.

(Inserted at the request of the Committee for the Study of a Central Machine Billing System)

Article 5. To see if the Town will amend its Zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Residence B District the area now included in the Residence C District and bounded and described as follows:

WESTERLY	by Spy Pond by five courses together measuring 808.86 feet;
NORTHERLY	by land of the Town of Arlington, as shown on plan hereinafter mentioned 240 feet;
EASTERLY	by land of the Boston and Maine Railroad, as shown on said plan, in seven courses together measuring 847.90 feet;
SOUTHEASTERLY	by land of William H. and Marilyn H. Hamilton, as shown on said plan, 66 feet;
SOUTHWESTERLY and SOUTHEASTERLY	by land of Frederico Boraschi and Bruno Pedrelli, as shown on said plan, in two courses measuring respectively 63.60 feet and 48.50 feet.

Said parcel being shown on a plan entitled "Plot Plan of Land in Arlington, Mass.", dated Sept. 21, 1960, by Albert A. Miller and Wilbur C. Nylander, Civil Engineers and Surveyors.

(Inserted at the request of more than one hundred (100) registered voters)

Article 6. To see if the Town will make an appropriation of a sum or sums of money to be expended under the direction of the Committee appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting, said appropriation to be for the purpose of completing and equipping the elementary school building situated on Pheasant Avenue and Mountain Avenue and to be added to the appropriation under Article 82 of the Warrant for the 1960 Annual Town Meeting for the construction of said school; determine in what manner the money shall be raised; or take any action relating thereto.

(Inserted at the request of the Pheasant Avenue School Building Committee)

Article 7. To see if the Town will make an appropriation to be expended under the direction of the Town Clerk, for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; determine in what manner the money shall be raised; or take any action relating thereto.

And you will notify and warn the voters of the Town of Arlington to meet at the time and place herein specified by leaving at every dwelling house in the Town a printed copy of this Warrant, and also by posting a copy of the same at the doors of the Town Hall, and in a conspicuous place in each of the fourteen precincts of the Town, seven days at least prior to the time of said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, on or before said day and hour of meeting.

Given under our hands, at said Arlington, this seventeenth day of July, in the year of our Lord one thousand nine hundred and sixty-one.

(Signed)

JOHN O. PARKER
HORACE H. HOMER
JOSEPH P. GREELEY
ARTHUR D. SAUL, JR.
PHILIBERT L. PELLEGRINI

SELECTMEN OF THE TOWN OF ARLINGTON

A true copy.
ATTEST:

FRANK K. NICKSAY
Constable, Town of Arlington

CONSTABLE'S RETURN

COMMONWEALTH OF MASSACHUSETTS

Middlesex, ss. Arlington, August 18, 1961

By virtue of this Warrant I have notified and warned the legal voters of the Town of Arlington to meet at the time and place and for the purposes herein specified by causing a printed attested copy of said Warrant to be left at every dwelling house in the Town, and by posting an attested copy of said Warrant at the doors of the Town Hall and in two or more conspicuous places in each of the fourteen precincts of the Town, seven days at least before the day of said meeting. A notice of the time, place and objects of the meeting was published in the local papers.

(Signed) Frank K. Nicksay
Constable of the Town of Arlington, Massachusetts

SPECIAL TOWN MEETING - AUGUST 21, 1961

Pursuant to the Warrant of the Selectmen served according to law upon the inhabitants of the Town of Arlington by a constable of said Town, and notices having been sent by mail by the Town Clerk at least seven days before the day of the meeting to the town meeting members elected and qualified to act in town meetings in Arlington under the provisions of Chapter 43A of the General Laws, as amended, and published in the local newspapers as required by the Town's By-Laws, the town meeting members met in the Town Hall in said Town on Monday, August 21, 1961, at eight o'clock in the evening. The Warrant calling the meeting was the notice sent by mail by the Town Clerk.

Certificates were filed with the Town Clerk by the Chairman and Clerks of Precincts 1, 5 and 9 relative to meetings held on August 21 and of the

elections to fill town meeting vacancies until the next annual election, as follows:

Precinct 1 - James Meikle, 68 Oxford Street, caused by the decease of Robert E. Mahoney, whose term was to expire in 1962.

Precinct 5 - Kevin P. Feeley, 126 Everett Street, caused by the resignation of Robert W. Wynne, whose term was to expire in 1964.

Precinct 9 - Ethel Y. Blackwood, 96 Columbia Road, caused by the resignation of Vincent McCarthy, whose term was to expire in 1963.

Lists of the duly qualified town meeting members were used at the entrances of the meeting place and were in charge of Miss Mary A. Farrington and Mr. James E. Sweeney. The lists contained the names of two hundred forty-two (242) elected town meeting members and nine (9) town meeting members at large qualified to participate in and vote in town meetings in Arlington.

The check lists filed with the Town Clerk at the close of the meeting by the checkers showed that one hundred seventy-six (176) elected town meeting members and six (6) town meeting members at large (72.5% of total - 251) attended the meeting.

Philip H. Burt was sworn by the Town Clerk as Stenographer to impartially and correctly report the proceedings of the Meeting to the best of his ability.

The Moderator, Lawrence E. Corcoran, called the meeting to order at 8:10 o'clock P.M.

The meeting was opened with the singing of "The Star Spangled Banner" by the assembly, accompanied by Mr. Anton Kovar, pianist, of the School Department.

The invocation was given by Rev. Gerald B. Horgan, curate of St. James' Church.

The town meeting members who had not previously been sworn were thereupon sworn by the Moderator.

There being no objection to the request of John O. Parker, Chairman of the Board of Selectmen, permission was granted by general consent for Messrs. Greeley and Pellegrini of the Board of Selectmen; Mr. Nicksay, Executive Secretary of the Board of Selectmen; Messrs. Dunn, Higby, Ahern, Lawlor, Guinan, Cotter, Sisson and Dillon of the Finance Committee; Mr. Farrow, Executive Secretary of the Finance Committee; Messrs. Herlihy, Kenna and Cataldo of the Planning Board and Mr. Purcell, Town Counsel, be permitted to sit within the Town Meeting enclosure.

The Town Clerk read the call of the meeting and the Constable's Return of the Warrant, the reading of the remainder of the Warrant being waived by consent of the meeting.

On motion of Selectman Parker, duly seconded, it was

VOTED: That if all the business of the meeting is not disposed of at this session, when the meeting adjourns, it adjourn to Wednesday evening, August 23, 1961, at 8 o'clock.

On motion of Selectman Parker, duly seconded, it was

VOTED: That Article 1 be taken up. (Reports of Finance and other committees.)

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the report of the Finance Committee as presented in printed form be now received.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 1 be laid on the table.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the remaining articles in the Warrant be now taken up separately in the order in which they appear in said Warrant, and that the recommendations of the Finance Committee under said articles as presented in their printed report be considered as now before the meeting, to be voted upon without further motion, separately, under the respective articles as they appear in said report.

Article 2. (Amendment of Town By-Laws--Classification and Pay Plan.)

VOTED: That the Classification Plan, known as Schedule A of Article 7C of the By-Laws, be and hereby is amended by adding the classification of Telephone Operator and Clerk and Typist, Grade CG 1.

There being no further business under Article 2, the Moderator declared it disposed of.

Article 3. (Amendment of Town By-Laws.)

VOTED: (Unanimously) That the By-Laws of the Town be and hereby are amended by inserting after Article 9A a new Article to be known as Article 9B, and to read as follows:

ARTICLE 9B

Use of Areas Under Control of The School Department

Section 1. No person shall injure, mutilate, or destroy any property or equipment, real or personal, belonging to the Town of Arlington under the jurisdiction of the School Department.

Section 2. No person shall park a vehicle on property under the jurisdiction of the School Department except while attending functions at or doing business in the adjoining school building; such parking shall be only at designated locations and not in conflict with faculty or school personnel parking and not in violation of Fire Department regulations governing parking adjacent to school buildings. There shall be no overnight parking of vehicles on any School Department property except for vehicles under the direct control of the School Department, or by special permit issued by the Superintendent of Schools.

Section 3. No person shall refuse or neglect to obey any rule, posted by sign, concerning the use of any area under the jurisdiction of the School Department; nor shall they refuse or neglect to obey any reasonable direction of a police officer, custodian or School Department employee during the time they are on School Department property.

Section 4. No person shall cause or permit any animal owned by him or in his custody or under his control to roam or be at large in or on any property

235326

under the care and control of the School Department, except a dog when restrained by a leash not exceeding six feet in length.

Section 5. No person shall remain upon school grounds, including playgrounds, during the periods when school is in session except when under the direct supervision of school personnel.

Section 6. No person or persons shall congregate in doorways or recess areas of school buildings for purposes of loitering, card playing or any other activity not specifically authorized by the School or Park Department.

Section 7. Motor cycles and motor scooters are not permitted on school property including the roadway in the rear of the Arlington Senior High School building.

Section 8. Any person violating any of the foregoing section shall, for each offense, be punished by a fine of not more than twenty (20) dollars.

There being no further business under Article 3, the Moderator declared it disposed of.

Article 4. (Appropriation--Addressing and Billing Machines.)

VOTED: (Unanimously) That the sum of fifteen thousand nine hundred thirty five (15,935) dollars be and hereby is appropriated for the purchase of addressing and billing machines and related equipment for the Board of Assessors; said sum to be taken from available funds in the Treasury, and expended under the direction of the Board of Assessors, substantially as follows:

Addressing and Billing Machines and Related Equipment	$16,035.00	
Less Allowance on old machines and equipment	100.00	
		$15,935.00

There being no further business under Article 4, the Moderator declared it disposed of.

Article 5. ZONING (Area bounded in part by Spy Pond, land of Town of Arlington and land of Boston and Maine Railroad.)

Chairman Murdena A. Campbell reported for the Planning Board and on her motion, duly seconded, it was

VOTED: That the report be received.

Miss Campbell then presented the following motion, which was seconded:

"That the Town amend its zoning By-Laws by altering the Zoning Map therein referred to so as to include in the Residence B District the area now included in the Residence C District and bounded and described as follows:

WESTERLY	by Spy Pond by five courses together measuring 808.86 feet:
NORTHERLY	by land of the Town of Arlington, as shown on plan hereinafter mentioned, 240 feet:
EASTERLY	by land of the Boston and Maine Railroad, as shown on said plan, in seven courses together measuring 847.90 feet:

SOUTHEASTERLY by land of William H. and Marilyn H. Hamilton, as shown on said plan, 66 feet:

SOUTHWESTERLY AND
SOUTHEASTERLY by land of Frederico Boraschi and Bruno Pedrelli, as shown on said plan, in two courses measuring respectively 63.60 feet and 48.50 feet.

Said parcel being shown on a plan entitled "Plot Plan of Land in Arlington, Mass." dated Sept. 21, 1960 by Albert A. Miller and Wilbur C. Nylander, Civil Engineers and Surveyors."

A roll call vote was thereupon taken and, 60 having voted in the affirmative and 108 in the negative, the motion was declared lost by the Moderator.

There being no further business under Article 5, the Moderator declared it disposed of.

Article 6. (Appropriation--Pheasant Avenue School.)

VOTED: (Unanimously) That the sum of fifteen thousand three hundred and eighty-eight (15,388) dollars be and hereby is appropriated for the purpose of completing and equipping the elementary school building situated on Pheasant Avenue and Mountain Avenue and to be added to the appropriation made under Article 82 of the Warrant for the 1960 Annual Town Meeting for the construction of said school; said sum to be taken from available funds in the treasury, and expended under the direction of the Committee appointed under Article 88 of the Warrant for the 1959 Annual Town Meeting.

There being no further business under Article 6, the Moderator declared it disposed of.

Article 7. (Advertising Town By-Laws.)

VOTED: That the sum of one hundred (100) dollars be and hereby is appropriated for the purpose of defraying the expense of advertising and other incidental costs relating to the By-Laws voted at this Town Meeting; said sum to be taken from available funds in the treasury and expended under the direction of the Town Clerk.

There being no further business under Article 7, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That Article 1 be taken from the table.

There being no further business under Article 1, the Moderator declared it disposed of.

On motion of Kermit C. Streng, Chairman of the Finance Committee, duly seconded, it was

VOTED: That the meeting adjourn.

The meeting thereupon adjourned at 10:35 P.M. on Monday, August 21, 1961.

A true record.

ATTEST:

Ann Mahon
Town Clerk

Report of the Town Clerk's Department

To the Citizens of Arlington:

The following annual report of the Town Clerk for the year ending December 31, 1961, is herewith submitted, in accordance with Section 3 of Article 3 of the Town's By-Laws.

*1962 Licenses issued in December, 1961

Paid to Division of Fisheries and Game, Licenses	$4,524.50
Paid to Town Treasurer, Fees	272.95

Your attention is directed to the reports appearing on the pages that follow upon the vital statistics of the Town which are recorded at this writing. It should be noted, however, that the summary of statistics relating, in particular, to the births and deaths is incomplete, inasmuch as records thereof pertaining to Arlington residents are still being received by our office from other cities and towns.

Respectfully submitted,

Ann Mahon
Town Clerk

This Department has turned into the Town Treasurer the sum of Three Hundred Seventy Dollars which was collected as sealing fees.

Respectfully submitted,

James J. Dolan
Sealer of Weights & Measures

ANNUAL REPORT of the BOARD OF ASSESSORS for 1961

During the year, the Board of Assessors met every Monday evening, plus special meetings called by the Chairman, especially during July and August, when intermittent sessions were held.

Hearings were held with residents of the town on the subjects of property valuations, personal and motor excise taxes, relief to the aged, infirm or poor, veterans' exemptions and the like.

During the year, members of the Board attended all conferences conducted by the State Department of Corporations and Taxation.

Members of the Board made weekly trips "into the field" during the year to assess new property constructed within the town, as well as additions and alterations to existing property.

During the month of January, members of the Board made individual inspections throughout the Town and assessed personal property in the amount of $5,257,800.00.

At the organizational meeting on the Monday following the Annual Town Election, the members, including Mr. Walter S. Cooledge, Jr., Mr. John B. Byrne, Jr., and Mr. William O. Hauser, met and unanimously elected Mr. Cooledge as chairman and Mr. Hauser as clerk for one year.

The number of bills processed by the office was over forty-nine thousand (49,000) this year.

The following permits were received from the Building Department during the year:

Residential Buildings	134	Signs	40
Commercial Buildings	6	Swimming Pools	1
Apartment Houses	4	Carports	2
Additions & Alterations	111	Demolish Buildings	20
Garages	6	Miscellaneous	11

Following is a comparison of exemptions granted on Real Estate, as required by law:

	1961	1960
Veterans (disability, etc.)	$146,513.70	$129,774.41
Widows	23,567.85	23,942.39
Old Age	8,489.22	6,783.85
Blind	4,212.60	3,694.95
Inability to Pay	2,826.58	2,851.46
Minors	660.80	742.90
	$186,270.75	$167,789.96

The total amount of statutory exemptions granted in 1961 represents approximately $2.13 on the Tax Rate.

New property was found and total valuation increased as follows:

January 1, 1957	$1,400,000
January 1, 1958	1,553,500
January 1, 1959	1,347,500
January 1, 1960	1,974,500
January 1, 1961	1,686,400
January 1, 1962	1,100,000 (estimate)

In conclusion, the Board of Assessors would like, once again, to call attention to the above figures regarding new property valuation. It will be noted that, whereas in 1961, new property was in excess of $1,500,000, the estimated increase for 1962 is just over $1,000,000. As you can see, the Assessors prediction of a decrease in new value is shown by this year's figures.

The Assessors, having attended the week-long Assessors' seminar at the University of Massachusetts, and in line with the recent Supreme Court decision, as well as rulings of the Tax Commissioner, feel that the townspeople will have to face a program of revaluation in the very near future.

The Tax Rate figures, statistics and percentages of appropriations by departments follows:

Walter S. Cooledge, Jr., Chairman

John B. Byrne, Jr.

William O. Hauser, Clerk

Recapitulation of Figures Used in Determining the Tax Rate of 1961 ($82.60)

DEBITS		
Appropriations (including all appropriations voted since 1960 tax rate was fixed)	$8,710,861.99	$
Appropriations voted to be taken from available funds	94,253.81	8,805,115.80
Overlay deficits		10,428.88
State Audit of municipal funds		7,342.32
State examination of retirement systems		233.59
Smoke inspection service		1,597.55
Metro. parks		89,820.20
Metro. Sewer North		179,366.83
Metro. water		148,685.36

Walter S. Cooledge, Jr.)
John B. Byrne, Jr.) BOARD OF ASSESSORS
William O. Hauser)

Compiled by P. J. Waterman, Exec. Secty., Board of Assessors, Dec. 22, 1961

Report of the Finance Committee for 1961

There was one change in personnel of the committee this year.

Precinct 7. Joseph Keefe resigned and appointed was,
Eugene F. Lawler, Jr., 47 Alton St.

Organization was held and the following officers were elected;

Kermit C. Streng	Chairman
T. Richard Guinan	Vice Chairman
Percival E. Richardson	Secretary
William H. Farrow	Exec. Secretary

Chairman Streng appointed the following Sub-Committees;

Sub Committee A; with budgets 1, 2, 3, 4, 7, 10, 11, 14, 16, 18, 19, 20, 21, 22, 23, 35, 42, 43, 44, 45, 46, and 47.

Ronald E. Higby, Chairman
Philip D. Ahern
T. Richard Guinan

Sub Committee B; with budgets 6, 8, 9, 13, 15, 24, 25, 26, 27, 28, 29, 30, 34, 39, 40, 41, 50 and 51.

Gilbert F. Dillon, Chairman
J. Howard Hayes
Robert G. Sisson

Sub Committee C; with budgets 12, 31, 32, 33, 33A, 49, also Extension Water mains, Extension Sewer mains, Extension Storm Drains, and Maintenance, of same.

John R. Cotter, Chairman
Edwin A. Barnard
George K. Rugg
Eugene F. Lawler, Jr.

Sub Committee D; with budgets 5, 17, 36, 37, 38 and 48.

George J. Remmert, Chairman
William H. Dunn
Charles W. Blackmon
Percival E. Richardson

Sub Committee E. Policy Committee

T. Richard Guinan, Chairman
Ronald E. Higby
George J. Remmert
John R. Cotter
Gilbert F. Dillon

Personal Committee
Charles W. Blackmon, Chairman
Philip D. Ahern
George J. Remmert

The Chairman is a member (ex Officio) of all sub committees.

There have been 23 full committee meetings of the Finance Committee this year and fifty sub committee meetings.

Average attendance was 13.

The Finance Committee members also held the usual precinct meetings the Thursday prior to opening of Town Meeting to acquaint the Town Meeting members of their precinct with the budgets and Warrant Articles.

Status of Reserve Fund budget 47 at close of 1961 is as follows:

Amount of budget 47								$85,000.00
7/31/61	From reserve to Budget				21	Fire Dept.	$ 433.00	
"	"	"	"	"	2	Selectmen	86.87

Total transfers $77,005.46

Balance returned to Treasury $ 7,994.54

Respectfully submitted,

Percival E. Richardson
Secretary

Report of the Tree Warden Superintendent of the Moth and Town House Grounds Department

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit by report as Tree Warden and Superintendent of the Moth and Town House Grounds Departments for the year ending December 31, 1961.

TREE DEPARTMENT

In the Spring of the year four hundred and fifty (450) trees were planted on new streets constructed by the Public Works Department and private contractors, also; in various sections of the Town when requested by private individuals.

Trees were ordered out by the Board of Selectmen for construction of streets and sidewalks at the following locations: Norcross Street (6), Lowell Street Place (3), Jason Street (1), Park Avenue (2) and River Street (1).

Public hearings were held for the removal of Town trees at #299 Massachusetts Avenue and #45 Trowbridge Street. As there were no objections the trees were removed at the expense of the petitioners.

Trees were pruned and removed by this Department for the Park, Cemetery, School and Public Works Departments, at the request of the respective department heads.

The Boston Edison and New England Telephone and Telegraph Companies removed the tops of fifteen (15) dead trees that had their utility wires running through them. Twenty nine (29) dead trees over 24" in diameter were topped by the personnel of this Department. All of these trees were removed below ground level with the aid of our stump cutter. There were also many smaller trees taken out throughout the Town.

Many requests are still received at the office during the year for trimming trees that are growing close to houses and overhanging roofs, also; for low limbs overhanging sidewalks. A continuation of our program of raising up and trimming trees to alleviate obstruction from high delivery trucks and buses traveling along our highways was continued.

Roots of trees were trimmed or removed for sidewalk construction, at the request of the Public Works Department.

Trees were trimmed for street light clearance on Oxford, Grafton, Everett, Harlow, Foster, Adams, Allen, Wyman and Palmer Streets, at the request of the Wire Inspector.

The Department was alerted September 21, 1961, for the arrival of Hurricane Esther. Although it did not strike here with full force, damage to trees all over Town resulted from exceptionally high winds. This damage was all taken care of in due time.

Christmas trees in all sections of the Town were disposed of this year by Brush Chippers, thereby saving a considerable amount of money in extra truck hire.

The personnel of the Department assisted the Park Department clearing skating areas when requested and also assisted the Public Works Department plowing streets and removal of snow.

The Reservoir Dump has been turned over to this Department for complete maintenance.

MOTH DEPARTMENT

The regular spraying schedule of this Department was carried on as usual, including a dormant spray given to Elm trees to combat the Scolytus Beetle which is the carrier of the Dutch Elm Disease. During the year twenty-one (21) samples of trees were taken, five (5) of which were on private property. When the laboratory tests were made known the property owners were notified and if their tree was diseased they were ordered to have it removed. There is no known cure for this disease outside of removing the trees and burning them up or burying them.

Verticillium Wilt on the Maple trees was again very prevelant this year. In recent years we have removed an increasing amount of Maple trees due to this disease and it requires constant watching. The only control possible against this disease is the disinfecting of tools to prevent spreading to healthy trees.

Infestation of Tent Caterpillars were reported in various sections of the Town and they were sprayed as soon as reported.

Japanese Beetles again this year required spraying but the infestation was not as heavy as in past years. This Beetle originates in the turf and I would advise all property owners to treat their lawns with either D.D.T. or Chlordane.

Some calls were received regarding European Earwigs. As this insect can be controlled by individuals, residents were advised as to what to use and how to control them.

All of the trees on our main streets and many side streets had to be sprayed in the early morning hours due to heavy traffic conditions during the middle of the day.

There were one thousand and forty-eight (1048) private estates sprayed at the request of property owners, who in turn made a remittance to the Town for the cost of the work. Both Housing Projects, Mount Pleasant Cemetery and all School properties were also sprayed.

Menotomy Rocks Park was sprayed again this year by Helicopter and very favorable results obtained from it.

We sprayed for the elimination of Poison Ivy at twelve (12) different locations.

Bees' Nests and Hornets' Nests were either sprayed or cut down from trees when they were called to our attention.

Many calls were received about squirrels jumping from trees on to houses. In all cases the branches were cut back to alleviate the condition.

The sand at Reservoir Beach was sprayed on two different occasions for the control of Ants.

TOWN HOUSE GROUNDS DEPARTMENT

As has been the custom in past years, the personnel of the Tree and Moth Departments maintain the grounds bordering the Town Hall and Robbins

House. These men also take care of the lawn and hedges at the Police Station and the grass areas adjoining the parking lot on Mystic Street. This year the islands on New Mystic Street were turned over to this Department for landscaping and maintenance.

A new drain was installed in the pool located on the Town House Grounds and it was given two coats of Turquoise Blue Silasheen Paint.

New shrubbery was planted on the banking in the rear of the Indian to replace shrubbery that was damaged or had died.

The Patriot's Day celebration again attracted large crowds of adults and children which necessitated the men of the Department to rope off the entrance to the Town Hall and police the grounds.

A watchman was employed during the summer months to patrol the grounds every evening as well as all day Saturdays, Sundays and Holidays. He also checked the Robbins Library doors and windows on weekends.

The regular maintenance of the grounds was attended to as usual. The lawns were all top dressed, seeded and fertilized.

Snow removal from the front platform of the Town Hall, the walks through the grounds, also the parking area in the rear of the building and at the rear of the Robbins House was taken care of as usual. These areas were also sanded when needed.

In conclusion, I wish to gratefully acknowledge the co-operation given me by you and your staff, the personnel of this Department and all other Departments of the Town.

Respectfully submitted,

George M. Dolan
Tree Warden and Superintendent
of Moth and Town House Grounds
Departments

Annual Report of the Park Commission

January 11, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Board of Park Commissioners herewith submits its Annual Report for the year ending December 31, 1961.

Frank J. Hughes resigned as Park Commissioner after serving one term of three years. John W. Walsh, 3d of 9 Cheviot Road, Arlington, was appointed by the Town Manager, and approved by the Board of Selectmen, to serve a three year term which will expire on December 22, 1963. The Board organized on Monday, January 23, 1961, with all members present and elected Edward D. Buckley as chairman.

MAINTENANCE

Warren A. Peirce Field:

Regraded and reseeded middle of gridiron.

Demolished old tool house at west end of field and reseeded area.

Painted east and west grandstands which seats approximately 3,500 persons.

Replaced twenty-five seat and floor boards in grandstand.

Installed time clock on basketball courts which turns lights on at 7:00 P.M. and off at 10:00 P.M. - cost $50.00. This eliminated a paid employee having to do this.

Installed 140 feet of 1-1/4 rail pipe on chain link fence to support fabric which had been damaged by automobiles backing into fence.

Cemetery Street:

Replaced broken water main and drain to wading pool; also resurfaced concrete surface.

Parallel Street:

Painted 1,400 running feet of chain link fence.

Installed three Saddle Mates; a horse, a donkey, and a swan, which the children enjoyed tremendously.

Menotomy Rocks Park:

Installed new electric switch for night skating.

Resurfaced roadway from Jason Street to Spring Street.

Removed fifteen diseased trees.

Crusher Lot:

Repaved 110 feet of asphalt walk from the Junior High West to Gray Street; also repaired several pot holes; estimated cost $150.00.

North Union Street:

Installed four permanent players benches.

Installed new roof drain and repaired roof of locker building, this has to be done annually.

Replaced new locks on all of the doors.

Hardy School:

Replaced two basketball backstops which were destroyed by automobiles backing into them; estimated cost $150.00.

Replaced a 16 foot galvanized slide; estimated cost $250.00.

Spy Pond Field

Installed granite stairwell at northeast entrance to field from Lombard Road; this was necessary because of constant washouts from railroad tracks. Labor was $300.00; no cost for materials which had been discarded by the Public Works Department.

Meadow Brook Park:

Installed three new electric light poles; old poles had rotted away.

Floodlights were erected for night skating.

100 ton of fill was dumped in old water hole and then graded to eliminate danger spots during winter skating and to make it safer for small children.

Robbins Farm:

Erected a fieldstone wall 2' x 30' at the end of Mt Vernon Street.

Loamed and seeded an area 40' x 50' which had eroded and was a menace to abutter's property.

Resodded washouts at both ends of retaining wall which held up baseball backstop.

Reservoir Field:

Installed six permanent baseball players benches.

Erected 40 feet of portable grandstand for Little League games.

Twenty floodlights were replaced for the fourth straight year.

Reservoir Beach:

Reseeded beach area.

Planted six Willow and six London Plane trees to replace dead trees.

Installed three new locks in bathhouse doors.

Dumped 1,000 tons of sand and graded beach area.

To prevent pollution, we emptied 100 lbs of H.T.H. into swimming area every day during swimming season; cost $2,300.00.

Florence Avenue:

Installed two players benches, one picnic table, and one park bench.

An asphalt apron 20' x 20' x 18' of six inch transite drain pipe was installed around the drinking fountain to correct unsightly condition caused by children playing with fountain.

General Maintenance:

We repaired 84 chair swings and 60 regular swing seats and replaced worn chains; marked Warren A. Peirce gridiron for freshmen, junior varsity, junior high school and varsity football games; marked Linwood Street, Junior High West and Warren A. Peirce hockey fields for school contests; marked baseball fields for Little League, C.Y.O., Cub Scouts, A.Y.A., Hoboes, Cardinals, Legion and high school games. The following areas were flooded for skating: Meadow Brook Park, North Union, Waldo Road, Parallel Street, Robbins Farm, and Ethel Wellington tennis courts. Hills Pond, our most popular skating area, was sprayed occasionally and all areas were cleared of snow when necessary.

RECREATION

Skating areas were maintained by the department at Meadow Brook Park and Hills Pond with floodlights operated during the evening hours when ice was available. Small areas were maintained for skating by flooding and spraying at North Union Street, Waldo Road, Parallel Street, Robbins Farm and Ethel Wellington tennis courts. A total of 22 skating days were recorded, somewhat less than the 52 skating days in 1960; this was due to heavy snowstorms.

Our golf clinic was held for the eleventh year which started on January 3, 1961 and extended for six weeks. John Thoren, golf pro at Myopia Country Club located in Hamilton, Massachusetts, conducted the course at the Junior High East. There were three one-hour classes on Tuesday evening and three classes on Wednesday evening; 135 registered for the course.

16 teams competed in the 12th annual bowling league season. Two leagues of eight teams each competed on Tuesday and Thursday evenings for a period of twenty-two weeks. A banquet was held in Legion Hall at the end of the season when team and individual awards were presented the winners. Over $900.00 in awards were presented with no expense to the Town of Arlington.

The High School Basketball League organized with eight teams and played on Tuesday and Friday evenings at the Junior High West. Only boys in high school, and not representing a school team, were eligible for this league. Two rounds of play were scheduled and the first four teams entered an elimination tournament to determine the championship. The winners were awarded small trophies by the department.

The Adult Basketball League had eight teams which played on Wednesday evenings for a ten week period at the Junior High West. This program gave young men between the ages of 18 and 25 an opportunity to get some exercise. There were four games each night and the league played one round and the first four teams played an elimination series to determine the champion of the Town. Any adult may join this supervised program.

Pee Wee Hockey League was organized for the fourth successive year with 125 sixth, seventh and eighth grade boys registering. The league was formed into eight teams of 13 boys each. Games were played every Saturday from 7:00 to 9:30 A.M. at the M.D.C. Rink on Route 2. The season opened December 3 and ended March 18. This was a popular program and exceptionally successful. Inter-city games were played with Melrose, Cambridge, Wakefield, Medford, Saugus and Stoneham.

Badminton classes were held for adults every Tuesday evening in the new gym at the high school.

62 boys and girls registered at the Junior High West and 48 at the Junior High East to learn ballroom dancing. These youngsters were taught the basic dance steps and proper etiquette. A fee of $2.00 for ten lessons was charged. A the final lesson, prizes were awarded and refreshments served.

Arts and Crafts classes for 5th and 6th grade girls were held on Saturday mornings from November 3 through March 18 at the Hardy, Thompson, Dallin, Locke, Cutter and Peirce schools. This prgram included the teaching of folk dances, quiet games, story telling, making of holiday gifts, and as a special event a skating party at the M.D.C. Rink.

The Golden Age Club continued to be a popular and active organization. This group met the first and third Thursday of every month, except during July and August, at Robbins Junior Library. Many trips were planned for their enjoyment; they were the guests of the Red Sox at several ball games, they attended the Flower Show and the Ice Capades, and took a trip to Old Sturbridge Village and Canobie Lake.

One of our most successful programs was the Town Softball League which consisted of twenty teams. Two leagues were organized, one Class A and one Class B. Each league played two rounds of play, then the first four teams played a 2 out of 3 series in an elimination series to determine the league champion. Both league winners then played a series of 2 out of 3 games to determine the Town champion. A banquet was held at Legion Hall on October 28, 1961. Town officials were invited and awards presented the winners with no banquest expense to the town.

A group of All Stars were chosen from the two leagues and a game was played under the lights at Reservoir Field for the benefit of the Jimmy Fund. The proceeds of the game amounting to $44.00 was forwarded to the Executive Director of the Jimmy Fund.

The Little League program was coordinated by this department and consisted of twelve teams with boys ranging from 8 to 12 years of age. There were three leagues: Northern, Southern and Western. Each league played 5 rounds of play and at the end of the season an elimination series was played to determine the Town championship. An All Star team was chosen to play inter-city games in the district to decide local champions.

Schedules were drawn up for the Cub Scouts. 12 teams were organized into one league and they played during the month of May at the Brackett School, Bishop School, Cemetery Street playground, Spy Pond Field and Junior High West.

Reservoir Beach opened June 6 and closed on Labor Day, September 8, 1961. The beach was restricted to Arlington residents for the third year. Residents wishing to use beach facilities were required to register, with the exception of youngsters under five years of age. A fee of 25 cents was charged for identification tag which allowed holder access to the beach during the entire summer. 4,385 persons purchased these tags and $1,096.25 was turned over to the Town Treasurer. Average attendance was 350; on hot days there was an estimated attendance of 2,000.

Red Cross swimming classes for young people were conducted at 11:00 A.M. and 2:00 P.M., Monday through Friday, by our lifeguards. Classes averaged 70 in the morning and 125 in the afternoon. Children were assigned to three groups; Beginners, Itermediate and Advanced. Red Cross Junior and Senior Lifesaving classes were conducted three days a week.

An active summer program was provided for Arlington children at sixteen supervised playgrounds and one swimming beach. The season opened June 26 and closed August 16. A variety of games, free play, arts and crafts, baseball, softball, archery, tennis, trips and special events held the interest of the children.

Three baseball leagues were formed: Midget, Junior and Senior; interplayground games were played. More interest was shown in baseball than in previous years.

Leagues were also formed for ping pong, horseshoes and softball.

Tennis lessons were provided at Crosby School and Ethel Wellington tennis courts.

Archery matches were held with Weymouth and Belmont Day Camp.

Children always enjoy special events and we try to hold one each week. 600 children enjoyed the day at Pleasure Island without a mishap; a large group attended the Magic Circle Theater at Tufts University; 500 boys and girls attended the annual Red Sox baseball game; 1,800 attended the annual Weenie Roast conducted at Menotomy Rocks Park where 1,800 hot dogs, 1,800 bottles of Coca Cola, and 1,800 bars of ice cream were distributed to the children through the courtesy of the Touchdown Club of Arlington and the Arlington Lodge of Elks; amateur acts were performed by children from various playgrounds.

The Final Day Parade was held on August 16 with youngsters from sixteen playgrounds marching from Robbins Library to Warren A. Perice Field to music by St. Agnes Band and St. Marys of the Annunciation of Cambridge Band. Costumes, decorated bicycles, doll carriages and prize winning floats were viewed with pride and sometimes laughter. This annual affair was sponsored by the Boys' Club Associates.

At Warren A. Peirce Field awards were presented to the winners of the various contests. Champions in archery, ping pong, horseshoes, baseball, softball, tennis and several outstanding amateur acts were also presented awards by Town Manager, Edward C. Monahan, Chairman of the Board of Selectmen, John Parker; and Park Commissioner, J. Fred McGann.

190 permits to use facilities at Menotomy Rocks Park were issued to Girl Scouts, Cub Scouts, Boy Scouts, church groups, and families. Approximately 150,000 persons used this area during the course of the year for picnics, fishing, ice skating and summer playground program.

Eighty-six softball and baseball teams were issued permits to use our fields and permits were also issued to basketball teams to use school gymnasiums.

The Board of Park Commissioners wishes to express its appreciation to Town officials and to employees of this department for their co-operation and able assistance.

Very truly yours,

Edward D. Buckley, Chairman
J. Fred McGann
John W. Walsh, 3d

Supervisor of Custodians and Maintenance

January 11, 1962

Mr. Edward C. Monahan
Town Manager
Town of Arlington, Mass.

Dear Mr. Monahan:

I, herewith, submit my report as Supervisor of Maintenance and Custodians for the year ending December 31, 1961.

Specifications for various types of repairs, alterations, and replacements to various Town Owned Buildings for contract work, including fuel, etc., were prepared by this Department and submitted to the Purchasing Agent to obtain competitive bids. After bids were awarded, this Department supervised and inspected all work and materials as the work progressed.

The following consists of some of the various types of projects completed by Contractors and the Building Maintenance Department during the year:

SENIOR HIGH SCHOOL

Installed a suspended Acoustical Tile Ceiling, and Fluorescent Lights in the Physical Education Office in the "C" section of the building.

Installed an Acoustical Tile Ceiling with furring strips in the Girls' Clinic Room in the "A" section of the building.

Cut openings in the brick walls in the room previously used as a shower room in the "A" section of the building and installed (3) doors and door frames. Work done by the Building Maintenance Department.

Wired and installed a new Sump Pump in the Electric Room in the "B" section of the building.

Replaced Rudd copper 80-80 gas hot water booster for dishwashing machine in the Cafeteria.

Rebuilt Garbage Disposal in the Cafeteria Kitchen.

Relocated and added exterior flood lights at the rear of the "A" section of the building to improve lighting the dark areas at night.

Reconditioned the 1,000 gal. Hot Water Tank located in the Boiler Room in the "B" section of the building. The work consisted of removing and replacing of the steam coil after leaks were repaired, installation of a new Powers Regulator, new relief valves and thermostatic traps on same. Part of this work was done by the Building Maintenance Department.

Traced out circuits in Room 48 and rewired for (5) extra units of equipment and installed (4) extra Fluorescent Light Fixtures, prepared and painted the entire room, constructed and installed chalk and bulletin boards and did other related work. Work done by the Building Maintenance Department.

Disconnected all program bells related to the Vocational Department from the regular High School schedule and set up a new independent schedule on the existing school master clock for the Vocational Department.

Reconditioned the Study Hall in the "A" section of the Building. The work consisted of rewiring and installation of (38) Fluorescent Light Fixtures, installation of asphalt tile floor over underlayment and painting the entire area.

Rewired the "B" section of the Cafeteria and installed (40) 8' new Fluorescent Light Fixtures.

Rewired the main power and light panel board in the "A" section of the Building and enclosed all switches and fuses to comply with local ordinances.

Remodeled Room 35 Physics Laboratory. The work consisted of installation of new Laboratory tables, sink, cabinets, etc., gas, plumbing and electric work to the tables and painting the entire room. The preparatory work and painting was done by the Building Maintenance Department.

Installed a concealed metal suspension Acoustical Ceiling over loose plaster in Room #6 and the School Supply Stock Room in the "A" section of the Building. The Building Maintenance Department prepared and painted the entire classroom #6.

Installed (3) lavatories and a drinking fountain in the Girls' Locker Room in the "A" section of the Building.

Located and repaired leaks around skylight #2 and #3 over the Study Hall, and repaired roof and gutter leaks over stairway "C" and "D", Rooms 29, 21, 27 and the 3rd floor corridor.

Made repairs and replacements to the light dimmer controls on the panel located in the Auditorium in the "E" section of the Building.

Classrooms #14 and #29 were divided into two classrooms each. This work consisted of the installation of two partitions with doors, revamping the lighting system, adding and relocating of pupils' furniture, and painting the entire areas. The greater part of this work was done by the Building Maintenance Department.

Painted the entire Boys' Shower and Locker Rooms #2 in the "B" section of the Building and the Girls' Gym Instructors' Room in the "A" section of the Building, including the Girls' Shower Room floor. This work was done by the Building Maintenance Department.

Checked wiring in the "A", B and D" sections of the Building and located and repaired grounds in the clock and program system wiring.

Installed a Bituminous Berm on the Parking lot at the front of the Building and a Bituminous Walk from the Auditorium Exit in the "E" section of the Building to the roadway. This work was done by the Public Works Department.

Replaced bearings and components on the large Vent Fan #2 in the "A" section of the Building.

Wire lathed and plastered sections of the ground floor corridor ceiling where sections of loose plaster had fallen.

Strapped the entire ceiling areas in the ground floor, 1st floor and 2nd floor corridors where plaster had become loose and prepared areas for receiving Acoustical Tile ceilings that are to be installed this coming summer. This work was done by the Building Maintenance Department.

Prepared and painted the entire fire escape at the "E" Building Auditorium Exit, prepared and painted all stair handrails and rail fence around

the building and painted with masonry paint the entire retaining wall at the side of the Gym. Work was done by the Building Maintenance Department.

JUNIOR HIGH EAST SCHOOL

Replaced center brick baffle in Boiler #2 fire box.

Replaced stem swivels on (27) Fluorescent Light Fixtures.

Located and repaired grounds in the clock system wiring.

JUNIOR HIGH WEST SCHOOL

Located and repaired leaks in the roof gutters and conductors on the Playground side of the building.

Installed new checker brickwork in combustion chambers Boilers #1 and #2.

Located and repaired grounds in the clock system wiring and installed a new movement in the master clock.

Painted the floors in the Girls' Locker Rooms, painted the entire (2) Instructors' Rooms, Boys' Shower Room, (2) Shower Rooms oof the lobby, corridor and stairways to the Boys' Locker Rooms. This work was done by the Building Maintenance Department.

Replace water feeder on Boiler #2.

Changed the keyway on (15) exterior door cylinders and replaced (4) lock cylinders.

Constructed cabinets for musical instruments and built same into storage room adjoining the Multipurpose Room. Work was done by the Building Maintenance Department.

JUNIOR HIGH INDUSTRIAL ARTS SCHOOL

Converted classroom #8 into an office to be used by the School Purchasing Department. The work consisted of wiring a new circuit from the Electric Panel in the basement to the room, wiring and installing (6) 8' Fluorescent Light Fixtures, installed (6) venetian blinds, covering slate chalkboards with wallpaper and painting the entire room. The painting was done by the Building Maintenance Department.

Replaced missing slate on the roof area.

Replaced pulleys and belts on the large Vent Fan in the Stack Room to "V" type.

Prepared and painted the entire areas of Rooms #6 and #7 and did other related work. Work was done by the Building Maintenance Department.

CUTTER SCHOOL

Removed the worn skylight from the roof area over the Auditorium section and reroofed the area with slate, replaced (2) copper valleys approximately 18' long in the Auditorium section of the roof, replaced missing roof slate and cleaned roof gutters and conductors.

Made repairs and painted the entire exterior of the building.

Prepared and painted the entire areas of the (2) Basement Playrooms; this work was done by the Building Maintenance Department.

LOCKE SCHOOL

Repaired bridge wall in Boiler #1 and bridge wall and side wall in Boiler #2.

Located and repaired leaks in the roof areas over the Auditorium and and Attic area, cleaned gutters and replaced missing roof slate.

Wired and installed Fluorescent Light Fixtures in 2nd floor corridor, and installed a speaker for intercom system in the Custodians' Room.

Prepared and painted the (3) Basement Play areas and entrances and (2) Boys' and Girls' Sanitaries. Work was done by the Building Maintenance Department.

Cut opening through masonry wall between playroom and adjoining area and installed door for a second egress to comply with the State Law. Work was done by the Building Maintenance Department.

Repairs were made, to Boiler #2 that leaked in the girth seam, in accordance with the Boiler Inspector's report of May 17, 1961.

HARDY SCHOOL

Located and repaired grounds in the clock system wiring and made repairs to the clock program system.

Replaced stem swivels on (96) Fluorescent Light Fixtures in the "A" section of the building.

Made repairs to the brickwork in the combustion chambers of Boilers #1 and #2, replaced the rear half of the fire box floor in Boiler #2 and installed new burner cone on burner #2.

Made repairs and replacements to damage chain link fence around play area and relocated middle rail on fence.

Painted entire playroom in "B" section of the Building, including corridor to same. Work was done by the Building Maintenance Department.•

Checked all heavy wood beam brackets on the ceiling of the Auditorium, repaired, resecured and painted same. Work was done by the Building Maintenance Department.

THOMPSON SCHOOL

Replaced motors in (4) wall clocks throughout the building.

Rebuilt both side walls of combustion chamber in Boiler #1 and replaced top courses of brickwork in combustion chamber Boiler #2.

Repaired leaks in the roof area over the Auditorium section of the roof.

BISHOP SCHOOL

Repaired damaged section of chain link fence at the corner of Columbia Road and Stowecroft Street.

Replaced motor on oil burner #1 with exchange motor, and replaced other worn parts on burners #1 and #2.

Painted the entire exterior of the Building.

Located and repaired leaks in the pneumatic heat control system and made repairs to the compressor for the pneumatic heat control system.

PEIRCE SCHOOL

Installed 3/16" Asphalt Tile flooring over underlayment in the entire first floor area, classrooms #11-12-14-15-16-17 and 18, Boys' and Girls' Sanitaries and entire corridor including stair landings. All preparatory work for receiving the floor was done by the Building Maintenance Department.

Replaced (5) sets of deteriorated windows in various classrooms; installation was done by the Building Maintenance Department.

BRACKETT SCHOOL

Located and repaired leaks in the pneumatic heat control system and made repairs and replacements to the air compressor for same.

Located and repaired trouble in the Stoker control system and installed a new time clock on control panel for stoker control.

Repaired brickwork in combustion chamber around retort in Boilers #1 and #2.

PARMENTER SCHOOL

Painted the entire exterior of the building.

Replaced the checker brickwork in the fire box in Boiler #1 and Boiler #2.

DALLIN SCHOOL

Replaced required worn parts for oil burners #1 and #2, replaced broken checker brickwork in combustion chambers in both Boilers, and made repairs and adjustments to induced fans on both boilers.

Made repairs and adjustments to the pneumatic heat control system throughout the building.

STRATTON SCHOOL

Graded area between the School and Park Department area and applied gravel to the area. Work was done by the Public Works Department.

ROBBINS TOWN HALL

Recaned (62) chair backs and (67) seats on chairs in the Hall section. The seats and backs were removed and replaced by the Building Maintenance Department.

Relocated (1) 12' section of Fluorescent lighting and installed (1) new 12' section of Fluorescent lighting in the Town Manager's Clerks Office.

Replaced (6) work flag poles and flags for the front of the building in the sidewalk area.

Replaced leaking cold water supplies to Clerks' and Selectmens' Toilet Rooms, repiped hot water to Dental Clinic, changed cold water supply to hose lines in the Auditorium, connected lawn sill-cocks to new cold water main, removed old reservoir water main and connected branch lines into Metropolitan water service.

Located and repaired trouble in steam return traps in the basement area of the Addition and repaired leaks in steam return lines at the rear of Boiler #1.

Repaired roof leaks over Selectmen's Toilet Room, Engineering Blue Print Room, and area between addition and old section of the Building. Repaired leaks in gutters over the Planning Board Office and replaced missing slate.

For the Civil Defense Headquarters, constructed sound proof booths for radio receivers, made and installed a large panel board on the office wall for maps and constructed shelving in the storeroom. Work done by the Building Maintenance Department.

Prepared and painted the Planning Board Office and constructed a large bulletin board on one wall for map display. Work done by the Building Maintenance Department.

Installed a chair rail over the panels in the Hall and stained and refinished panels and finish around panels. Work done by the Building Maintenance Department.

ROBBINS HOUSE

Painted the entire exterior of the building. Prior to painting the building extensive repairs and replacements was made to the exterior wood trim, windows, gutters, etc. The repairs and preparatory work was done by the Building Maintenance Department.

Wired and installed (3) lights for lighting the Parking area at the side of the building and connected same to existing time clock.

Reconditioned Room 10 which was the former Dental Clinic and is now to be used by the Director of Public Assistance. Work consisted of painting the entire room, installation of (2) new doors, new window shades and refinishing of cabinets and furniture. Work was done by the Building Maintenance Department.

Installed (7) combination Aluminum storm windows in Room 8-12 and 11.

Replaced (14) special double hung sach and (4) single hung sach throughout the building. Work was done by the Building Maintenance Department.

ROBBINS LIBRARY

Repointed and waterproofed the exterior walls of the Children's Library section of the building and the front section of the main building including the entrance steps.

Painted the entire exterior of the building.

DALLIN BRANCH LIBRARY

Painted the entire exterior of the building and the Main Reading Room.

V. F. W. (R.R. STATION)

Located and repaired cause of fuses blowing, wired and installed (5) receptacles, replaced (5) Fluorescent Light Fixture ballasts and wired in one new light circuit.

MT. PLEASANT CEMETERY

Painted the entire exterior of the Cemetery Chapel.

CENTRAL FIRE STATION

Repointed and waterproofed sections of the masonry on the exterior of the Tower section of the building and made other related repairs in the same area.

VARIOUS BUILDINGS, ETC.

During the year 736 lights of glass were replaced by the Building Maintenance Department in the windows of the various Town Owned Buildings at a cost of $3,359.23.

Made repairs and painted the exterior flag poles at (12) School Buildings.

All heating boilers, hot water tanks and air compressors in the Town Owned Buildings were inspected by the Insurance Inspectors and all repairs and replacements were made according to their requests. Certificates of approval were issued for each unit in each building for a period of one year.

The Fire Alarm Systems in all Schools were all tested this summer by the Fire Department and were found through the testing to be in good operation. All Fire Extinguishers throughout the Town Owned Buildings were recharged by the Fire Department.

In addition to the above work, well over a thousand work and repair orders were issued to the Building Maintenance Department workers and Contractors for various types of work, such as, plumbing, heating, painting, electrical work, roof work, boiler and oil burner repairs, carpenter work, furniture repairs, window shades and venetian blind repairs and replacements, etc. The cost of these jobs varied from $3.00 to $95.00 each.

I wish to express my appreciation to you and to the Officials and Employees of this Department and all other Town Departments and Town Officials for their co-operation during the past year.

Respectfully submitted,

George H. Greim
Supervisor of Custodians
& Maintenance

Annual Report of Inspector of Animals

January 9, 1962

Subject: Annual Report of Inspector of Animals

To: Town Manager

1. A total of 154 animals in Arlington were examined and quarantined for biting persons during 1961.

2. There were no cases of rabies in Arlington during the past year.

3. The head of one animal was sent to the Wasserman Laboratory.

4. The Inspector of Animals wishes to express his appreciation to the Police Department and the Board of Health for their cooperation.

Respectfully submitted,

John J. Murphy, Jr., D.V.M.

Report of the Arlington Development Commission

February 9, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

During the year 1961 the Development Commission tried to adhere to the purpose for which it was formed, namely, to stimulate and promote business activity so as to provide some relief for the residential taxpayer. With this in mind, major emphasis was devoted to developing Arlington Center and seeking a desirable purchaser for the Town Yard.

Major developments in Arlington Center during the course of the year in which the Development Commission took an active interest include:

1. Telephone Building on Winslow Street

It is gratifying to see the beautiful new telephone building on Winslow Street, the former location of the Great A & P Store, nearing completion. This telephone office is expected to employ approximately 300 people.

2. Arlington National Bank

Work has been started on an extensive remodeling of this building located at the corner of Massachusetts Avenue and Railroad Avenue. The bank will occupy the entire first floor, and the offices on the second floor will be reached by a new entrance on Railroad Avenue.

3. Lumbermens Mutual Casualty Insurance Co.

Now under construction is an addition to the Wilton Block at the corner of Massachusetts Avenue and Railroad Avenue. This adds a second story to the present building with offices to be occupied by the Lumbermens Mutual Casualty Company. The entrance to these offices also will be from Railroad Avenue.

4. Proposed Apartment Building on Park Terrace

A series of meetings were held with an apartment house developer, the Board of Selectmen, the Town Manager, the Town Counsel, and the Planning Board regarding the possibility of a high-rise apartment house in the area contiguous to the Town parking lot. Although the Development Commission believed that an apartment in the area represented the best possible and most practical solution to the problem of effective use of this property, it was felt that, inasmuch as the report of the Town Planner was almost complete, further discussions should be halted and this entire area be reviewed at a later date.

To further enhance the development of the Arlington Center area, we feel that the plans regarding the off-street parking in the rear of Railroad Avenue should be presented for adoption at the Annual Town Meeting in March.

At the request of the Town Manager and Board of Selectmen, the Development Commission spent considerable time during the latter part of the year seeking a desirable purchaser of the Old Town Yard. A brief description of the property and its assets was circulated to about fifty realtors. Although numerous inquiries have been made for this property, it is our feeling that the property should not be sold unless and until it can bring substantial tax revenue to the Town. With this in mind, a four-page pamphlet has been prepared for distribution. We are sure that this will bring about the sale of the property on a desirable basis.

During the year the Commission has also kept in constant contact with Mr. Mugar of the Star Market regarding the property located on Route 2. Recently Star Market has announced plans for a 50,000 square foot market plus a 300,000 square foot department store on this site. Further plans regarding this proposal are to be announced at a later date.

The operating expenses of the Development Commission during 1961 amounted to $43.75, leaving a balance of $251.05 from the original appropriation of $1,000.00 which was voted by the 1957 Annual Town Meeting at the time this Commission was created.

The 1961 expenditures were as follows:

Stenographic work	$23.50
Letterheads and envelopes	20.25
	$43.75

It is the purpose of the Development Commission to continue in its efforts to stimulate business development and improvements in the Town wherever possible.

Respectfully submitted,

Arlington Development Commission

Annual Report of the Department of Civil Defense

January 11, 1962

Mr. Edward C. Monahan
Town Manager
Arlington 74, Massachusetts

Dear Mr. Monahan:

In accordance with the By-Laws of the Town, I submit herewith the twelfth annual report of the Department of Civil Defense.

In last years report the keynote was public apathy. This year I am glad to say, that we no longer have public apathy. People are vitally interested in Civil Defense but as yet do not understand it in its true meaning. From public apathy we have gone through a period of public confusion. With the new goals set by the Department of Defense, we are gradually leaving this period and I trust are entering a period of public understanding and cooperation.

Opal Alert 1961 - A state-wide test of the public attack warning system sounding the Attack Warning Signal - "Take Cover" - was made at 12 noon April 28th and continued until 12 noon April 29th. For several years, MCDA and the Cities and Towns of Massachusetts have taken part in a nation-wide "Operation Alert." One of the most serious effects of such an attack would result from the "Fallout" coming from large yield thermonuclear weapons.

This year some local communications centers, which are approved monitoring stations, of which we are one, tested their capability for measuring and reporting the intensities which would result from the attack conditions chosen for this years exercise. This test certainly made clear that fallout shelters are absolutely necessary. Our Control Center was opened until midnight on Friday and noon Saturday and our Radio Operators did a tremendous job handling our communications equipment.

After President Kennedy's Speech in July the Civil Defense Office became a very busy place. Many people came to the office for shelter information, others picked up the booklets at the libraries where we have been placing them since 1960. The phone calls from interested citizens were many and we at the Civil Defense Office were pleased that the citizens were finally becoming interested in Civil Defense. Several thousand booklets have been distributed during the past year.

In an August meeting with the Town Manager, in which Civil Defense in Arlington was discussed, Mr. Monahan was sincerely interested in what might happen in Arlington should the effects of a thermonuclear bomb reach the Town. It was at his suggestion that the Civil Defense Director appeared before the Board of Selectmen on September 11th and again duscussed Civil Defense. All the Selectmen showed the same interest as Mr. Monahan. At the Selectmen's request the same lecture was given to the Town Employees. This was done during September and October.

On October 17th at the invitation of Dr. Bert Roens the Director appeared before the School Committee to discuss Civil Defense in our schools. On October 30th, as a result of this discussion all school principals attended a lecture in the Little Theatre at the High School. It was decided to continue to examine existing buildings regarding their protection factor. This work is now being done, at the Federal Government's expense, by architectural firms selected by the Army Corps of Engineers. They have to date had one meeting at the Arlington Civil Defense Office. The 87th Congress, 1st Session, appropriated the sum of ninety three million dollars for this purpose.

Matching Funds

This year we were again able to collect one half of our telephone cost and one half of our electric cost under the Matching Funds Program.

Total Cost	Government Payed	Cost to Town
$205.80	$102.90	$102.90 Telephone
288.00	144.00	144.00 Electric

It is under this program that several thousand dollars has been approved for our new Radio Broadcasting and Receiving System. As this program is not yet completed, the amount saved by the Town will be stated in next years report.

Auxiliary Police Department

The Auxiliary Police spent 2604 man hours on duty this year. They were as follows:

Friday Night Dance Duty	20 hours
Friday Night Traffic Duty	932 hours
Sunday Traffic Duty	1258 hours
Duty at AYA Baseball Games	62 hours
Patriots Day Duty	42 hours
Memorial Day Street Duty	42 hours
March of Dimes Duty	38 hours
Jimmy Fund Campaign Duty	30 hours
Police Duty during Regular Police Banquet	12 hours
Halloween Duty	125 hours
Opal 1961	43 hours
	2604 hours

Surplus Property

During the year the following amount of surplus property was purchased:

Our Cost	Government's Cost	Savings to Town
$873.11	$51,250.60	$50,377.49

Included in our purchases this year were 5 KW Diesel Generators, one Distillation Unit, One Powered Dump Truck and one Truck Crane.

Auxiliary Fire Department

This year Chief Malcolm B. Griffin of the Arlington Auxiliary Fire Department felt it was necessary for him to present his resignation. He had been with the auxiliary many years and it was with sincere regret that his resignation was accepted. His devotion to the auxiliary was outstanding and he was a loyal fireman.

Arlington Auxiliary Firefighters were on duty for a total of 1701 hours, with 567 men reporting. Time used for answering still and box alarms by auxiliary firefighters was 49-1/2 hours. In addition to the man hours listed, many hours have been spent on paper work and attending meetings.

Communications has become a very important part of Civil Defense during the past year. Antennas were installed on the roof of the Town Hall - and communications equipment was moved from the Civil Defense Office, to a position right outside the office. In addition to handling our communications equipment during Opal Alert, our radio operators assisted in the March of Dimes collection and were on duty Halloween.

We feel that this year has been a very progressive one for Civil Defense. Many clubs and organizations called the Civil Defense Office asking the Director to speak at one of their meetings, these requests were fulfilled whenever possible. Many meetings were held with State and Federal Officials. The last week of June the Director attended a Radiological Defense Officers' Course at Eastern Instructor Training Center, Brooklyn, New York and qualified as a Radiological Defense Officer. On November 4th, Arlington was host to local directors and elected officials, Area I at the Arlington Town Hall. This meeting was arranged by State Officials, who were present, for the purpose of discussing with the local civil defense directors, with elected officials and municipal personnel the present status of Civil Defense, future plans, local problems and other matters of interest in civil defense programs.

I wish to express my sincere appreciation to all Civil Defense Volunteers and Town Departments who have assisted me during the past year. And to you, Mr. Monahan, and the Board of Selectmen my grateful appreciation for the trust and kindnesses you have shown me.

Respectfully submitted,

John P. Dempsey
Director of Civil Defense

Report of the Inspector of Buildings

January 10, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Mass.

Dear Sir:

I herewith submit Annual Report of the Inspection of Buildings, Plumbing and Gas for the year ending December 31, 1961.

Annual Report of the Wire Department

January 11, 1962

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington 74, Massachusetts

Dear Sir:

I herewith submit the Annual Report of the Wire Department for the year ending December 31, 1961.

Permits Issued	$1,204
Fees Collected	602.00
Inspections	3,042
Poles Replaced	108
Poles Removed	124

Street lighting in service as of December 31, 1961:

1,000 Lumen Incandescent Lamps	1854
2,500 Lumen Incandescent Lamps	218
4,000 Lumen Incandescent Lamps	154
6,000 Lumen Incandescent Lamps	236
10,000 Lumen Incandescent Lamps	65
11,000 Lumen Mercury Vapor Lamps	58
15,000 Lumen Mercury Vapor Lamps	20
20,000 Lumen Mercury Vapor Lamps	199

Street lights ordered during 1961:

1,000 Lumen Incandescent Lamps	26
2,500 Lumen Incandescent Lamps	48
11,000 Lumen Mercury Vapor Lamps	3
20,000 Lumen Mercury Vapor Lamps	2

Street lights replaced:

1,000 Lumen Incandescent Lamps	10
6,000 Lumen Incandescent Lamps	2
10,000 Lumen Incandescent Lamps	10

I wish to extend my thanks to you and the various departments of the Town for the co-operation and many courtesies extended to me during the year.

Respectfully submitted,

R. L. Reid
Inspector of Wires

Annual Report of the Department of Veterans' Services

The Honorable Town Manager
Robbins Town Hall
Arlington, Mass.

Dear Sir:

Submitted herewith is the seventeenth Annual Report of the Department of Veterans' Services covering the calendar year 1961. Massachusetts laws make it mandatory that financial aid be furnished to needy veterans and their dependents in a special way apart from other public assistance programs and that there be made available to all veterans and their kin such advice, information and assistance as may be necessary to enable them to procure the benefits to which they may be entitled relative to employment, vocational and other opportunities, hospitalization, medical care, pensions, compensation, insurance and other benefits and must keep on hand current booklets and other printed matter pertaining to the statutory rights and privileges of war veterans provided by Federal and State laws. The first section of the report deals with the services provided to all veterans and their kin and, the second section, with the financial aid disbursed to needy veterans and their dependents.

VETERANS' SERVICES

Photocopies made	2908
Documents notarized	129
Discharges recorded in the Town Archives	8
Contacts made in furnishing counsel, information and assistance in prosecuting claims of veterans and their dependents and survivors and processing claims for all types of benefits	2742
Visits to hospitals, homes and other places	689
Letters, history entries and records	1761
Veterans Administration forms completed	501
Veterans Administration claims handled	147
Total for year 1961	8885

Total cash benefits accruing to Arlington claimants by reason of Veterans Administration awards in claims processed by this department	$20,888.70
Estimated total of money saved the Town by reason of successful prosecution of Veterans Administration claims filed by persons who had applied for financial aid or who would have been forced to apply at an early date	$11,462.50

VETERANS' BENEFITS AND BURIAL AID

A tabulation of the administrative work connected with the disbursement of financial aid to needy veterans and their dependents follows:

Contacts (visits, interviews, etc.)	2346
Applications, history entries, records and letters	2532
Cases on aid rolls	
(a) Settled in Arlington	98
(b) Settled in another Massachusetts town	0
(c) State settled	1

Applications and re-applications received	105
Applications and re-applications accepted	70
Applications and re-applications rejected	17
Applications referred to other communities	13
Applications pending	0
Refund cases	17

A tabulation of actual disbursements made to needy applicants for aid during the year 1961 follows:

VETERANS' BENEFITS

(State participation 50% of all authorized payments in Arlington settled cases. Otherwise, 100%)	
Disbursed	$63,508.63

BURIAL AID

(State participation on same basis as above)	
Disbursed	384.00
Total disbursements	$63,892.63

REIMBURSEMENT AND REFUNDS

Reimbursement by the State Treasurer is now ten months in arrears. The Town Collector and Treasurer received from the State Treasurer in 1961 the amounts which covered the months of October, 1959 through February, 1961

Total reimbursement	$36,937.63	
Refunds from persons who had received aid and returned checks	2,927.36	
Total receipts		$39,864.99
Net disbursement by Town for aid		$24,027.64

1961 will be remembered as the year in which medical aid for the aged and hopsital aid assumed huge proportions. Federal and State legislation was mainly responsible. On the other hand, the cost of hospitalization is so great nowadays that old people of ordinary means and young couples with four or five children to support just can't cope with it. They are forced to apply for aid if one of a family is hospitalized for more than a week. In any event, the Department of Veterans' Services had more calls for aid because of hospitalization in 1961, than in any two previous years. There seems to be no prospect that the calls for aid will grow less in the immediate future.

The Department of Veterans' Services for the Commonwealth, which maintains a certain supervision over this department and arranges for reimbursements, has made up some lost ground. Whereas, one year ago the State was in arrears fifteen months in it's reimbursement, at the present time it is only ten months in arrears. The Town Treasury benefits by this speedup in repayments.

We wish to gratefully acknowledge the cooperation and help received from the Board of Selectmen, the Town Manager, the Personnel Board and their staffs and to express our appreciation of the excellent work performed by the employees of this department.

Respectfully submitted,

Charles R. Armour
Director

Report of the Board of Appeals

January 12, 1962

Honorable Board of Selectmen
Town of Arlington
Arlington, Mass.

Gentlemen:

Submitted herewith is the Annual Report of the Boards of Appeal for the calendar year ending December 31, 1961:

The Zoning Board of Appeals heard a total of 41 cases during 1961, disposition of which was as follows:

Variances granted	30
Variances granted with restrictions	2
Variances denied	3
Appeals withdrawn	3
Appeals withheld pending further action or study	3

The Building Board of Appeals heard a total of nine Appeals of which seven were granted and two withheld pending further action or study.

After nearly seven years of valued service to the Town as Chairman of the Zoning Board, Mr. Philibert L. Pellegrini submitted his resignation on March 13, 1961 in order to assume his new duties as a member of the Board of Selectmen.

Respectfully submitted,

Ralph H. Tuller
Chairman Zoning Board of Appeals

Daniel A. Healy, Jr.
Chairman Building Board of Appeals

Report of the Dog Officer

January 8, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I herewith submit by report as Dog Officer for the Town of Arlington for the year ending December 31, 1961 in accordance with Section #3 of Article #3 of the Town By-Laws.

Complaints registered with me are as follows:

Dogs impounded	267
Unlicensed dogs impounded and delivered to owners	54
Licensed dogs returned via telephone	241
Licensed dogs returned by car	56
Unlicensed dogs impounded and turned over to the Animal Rescue League when owners could not be located	183
Dogs destroyed at pound	14
Dog owners contacted on Warrant	1280
Dogs caused to be licensed	1100
Dogs licensed	2181
Complaints received at my office and investigated	61

Complaints registered with me to remove dead or mutilated animals from the highways are as follows:

Dogs	79	Pigeons	35
Cats	165	Rats	12
Skunks	14	Rabbits	26
Squirrels	65	Pheasant	1
Turtle	1	Raccoons	4

At this time I wish to express my thanks to you and the Board of Selectmen for the advice and assistance given me in the settlement of the many controversies arising between the dog owners and complainants.

I would also like to take this opportunity to thank Police Chief Ryan, his department and the office of the Town Clerk for the splendid co-operation given me through the past year.

In conclusion, I gratefully acknowledge the prompt attention given by the dog owners of Arlington to the licensing of their dogs this year.

Respectfully submitted,

Samuel F. Femia
Dog Officer, Town of Arlington

Annual Report of the Arlington Housing Authority 1961

Submitted herewith is the Annual Report of the Arlington Housing Authority for the year 1961.

At the Annual Town election in March 1961, Mr. Myron D. Chace was re-elected to the Authority for a term of five years.

The Authority organized for the year at its Annual Meeting held on March 14, 1961, at which time Mr. Edward J. Doherty was elected Chairman; Mr. James A. Coffey, Vice-Chairman; Mr. Myron D. Chace, Treasurer; and Mr. Joseph S. Vahey, Assistant Treasurer.

On July 27, 1961 Mr. Thomas M. Kelly was appointed to the Authority by the State Housing Board, replacing Mr. John P. Kedian, who had served the Authority for a period of ten years.

The Authority filed, for consideration at the Annual Town Meeting, an Article to institute Urban Renewal work within the Town. As a result of this Article, a committee was appointed to study the problem and to report to the Annual Town Meeting of March 1962.

Throughout the year the Authority met regularly on Monday evenings and also at many special meetings to consider the many problems of management of the 176 Veteran's apartments and 72 apartments for Elderly Persons. In April of 1961, occupancy of these 72 Elderly apartments was completed. The Authority feels that the erection of these apartments for Elderly Persons has been one of the most gratifying experiences in its history.

A voluntary payment of $6336 was made to the Town by the Housing Authority in 1961, which payment is the largest permitted by law.

The Authority wishes to express its appreciation to all officials, Boards, and Town departments for their cooperation throughout the year.

Respectfully submitted,

ARLINGTON HOUSING AUTHORITY

Edward J. Doherty
James A. Coffey
Myron D. Chace
Joseph S. Vahey
Thomas M. Kelly

Report of the Cemetery Department

January 11, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

The Board of Cemetery Commissioners herewith submit their Annual Report for the year 1961.

Work was continued on the westerly side of Mill Brook. More land was levelled, seeded and is now ready for future use. Tow roads previously constructed were completed. Bushes were planted along the brook in back of the AA Plot adding to the appearance of this section of the cemetery.

There were 436 interments during the year, an increase over the previous year.

Four Elm trees and two Maple trees were cut down. These trees are to be replaced as soon as possible.

Mr. T. Gordon Smith was reappointed to the Board for a three year term.

The Commissioners wish to express their thanks to Town Manager Edward C. Monahan, Department Heads and Supt. Edward C. Preston for their help during the year. To the Cemetery Employees for their cooperation during 1961, our appreciation is extended.

The following are the receipts of the Cemetery Department for the year ending December 31, 1961:

Sale of Lots and Graves	$17,795.00
Annual Care	2,009.40
Foundations	2,000.20
Opening Graves	15,005.00
Miscellaneous	4,298.14
Perpetual Care	19,952.00
Income from Funds	16,100.08

Respectfully submitted,

Board of Cemetery Commissioners

John H. Callahan, Chairman
Arthur L. McAvoy
T. Gordon Smith

Annual Report of the Engineering Department

January 15, 1962

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington, Mass.

Dear Sir:

This Department designed, provided estimated costs, staked and laid out lines, grades, etc. for the various construction projects built by or for the Town. It also drew the contracts and supervised and inspected the work of contractors. Final surveys, record plans, assessments, etc. are made and calculated by this Department.

The relocation of Mystic Street, the extension of the Municipal Parking Area and the revision of the Arlington Center traffic signals were completed in 1961 under the supervision of this Department.

Study plans, estimates, recommendations and assistance were furnished various Boards, Officers and Departments.

Traffic Engineering work increased noticeably during 1961.

Annexed to this report is a list of public and private streets and other statistics as of January 1, 1962.

My sincere thanks are extended to the employees of this Department and to all Town Officials for their cooperation and assistance.

Very truly yours,

W. H. Roby
TOWN ENGINEER

The Three Fatal Accidents were as follows:

On January 3, 1961 at 6:33 A.M. Waldo G. Edwards, 78 years, 156 Scituate Street, Arlington, a pedestrian, while crossing the Concord Turnpike opposite Highland Avenue, in a southerly direction, was struck by an automobile being operated on the Concord Turnpike toward Lexington, receiving injuries which resulted in his death on that date.

On June 11, 1961 at 7:14 P.M. Melanie Merritt, 5½ years, 12 Pleasant Street, Machias, Maine, a pedestrian, while crossing Pleasant Street near #259, in an easterly direction, was struck by an automobile being operated on Pleasant Street toward Arlington Centre, receiving injuries which resulted in her death on that date.

On October 1, 1961 at 9:30 P.M. Robert L. O'Brien, 31 years, 31 College Avenue, Arlington, while operating his automobile in a northerly direction on Orvis Road, was involved in an accident with another automobile at the intersection of Orvis Road and Randolph Street, receiving injuries which resulted in his death at 12:15 A.M. on Octber 2, 1961.

TOTAL	$45,984.16	$32,656.99

TRAFFIC SIGNAL DEPARTMENT

The Traffic Signal Maintenance Division is responsible for the proper installation and maintenance of all aids to the regulation and control of vehicular and pedestrian traffic on the public ways for the safety and convenience of the general public.

Measures adopted during 1961 were as follows:

Traffic Islands were installed on Mill Street and Jason Street where they intersect Mass. Avenue for the channelization of vehicular traffic. An additional traffic signal standard was installed at this location for the benefit of south bound traffic on Mill Street.

Modern street lighting was installed on Eastern Avenue and Park Avenue Extension.

The "No Parking" restriction on Pleasant Street, both sides, at Lakeview was deleted from the Traffic Rules and Regulations.

Meters on street as of January 1, 1961	265
New installations: Medford St. 5 and Court St. 1	6
Replaced two hour parking meters to all day parking meters in Municipal Parking Area (Red Zone) April 1961.	
Meters in Municipal Parking Areas as of January 1, 1961	169
Additional meters installed in Municipal Parking Area June 1961	38
Total Meters	478

AUXILIARY POLICE

A more complete report of the activities of this worthy group is included in the report of the Director of Civil Defense. At the present time the group is in the process of reorganization in conjunction with the accelerated Civil Defense program. However, I wish to take this opportunity to express my sincere appreciation for their unqualified support and cooperation during the past year.

CONCLUSION

To the Honorable Board of Selectmen, esteemed Town Manager, and to all others who in any manner contributed to the success of the Police Department during the past year, may I extend my sincere appreciation.

Respectfully submitted,

Albert E. Ryan
Chief of Police

ANNUAL REPORT OF THE PUBLIC SCHOOLS

REPORT OF THE SCHOOL COMMITTEE FOR THE YEAR 1961

To the Citizens of Arlington:

The Arlington School Committee is proud to inform you that the year 1961 was one of continued progress in our public schools. Significant growth was made toward the ideal of providing every pupil with the type of education that will make him the best possible person he is capable of becoming. This objective is our ideal always bearing in mind that the education we offer must be within the community's willingness and ability to pay.

This year, as in the past, the School Committee has maintained primary interest in the type of education being provided in the schools. It has kept itself informed of the educational program by having frequent oral reports at its meetings from Supervisors, Principals and the Administration.

The Committee is not only concerned with the present smooth operation of the schools, but is ever mindful of its responsibility toward the future citizens of Arlington. In light of this responsibility, the Committee feels it should enlighten the citizenry in regard to future school building needs.

The Committee is fortunate that the Town Planning Board, in its wisdom, chose to hire a private consultant firm (Planning and Renewal Associates) to conduct a survey of Arlington's future school building needs based upon projected enrollment as part of its total study of the Town. This firm studied the problem completely independent of the School Administration, who were also making a study at the School Committee's request, and both groups came up with basically similar enrollment projections. This is significant for these figures were arrived at after careful study using different statistical techniques. This seems to further validate the accuracy of the conclusions reached.

Both studies overwhelmingly agree that the major problem facing the community is to alleviate the overcrowding at the High School, which is rapidly building up. The Planning Board states, "It does not appear likely that the newly announced parochial high school for girls, St. Camillus, will further reduce the conservative figure used in projecting public high school enrollment." It goes on further to state, "There appears to be but two alternatives for meeting the impending demands on the already-crowded high school: one choice would be a wing on the Senior High School; the second would be a new (Junior High North) with a return to the 3-year junior high system using three schools."

The School Committee feels, along with the Planning Board, that the situation is acute and immediate action is needed. The possible addition to the Junior High West has been explored before and found wanting due to the problem of an adequate site for a large enough addition. Unless a current investigation of an addition on this building uncovers new information, this solution may be found unsuitable once again. The School Survey Committee and the School Committee are in the process of studying all possibilities of building construction that might alleviate the secondary school problem.

The Planning Board report predicts that, within the next few years, an addition to the Dallin School will be needed. This prediction is based upon the premise that the approximate forty acres of open land in this district will go into building lots, and that the population already in the area will continue to grow. The School Survey Committee concurs with this assumption. The Dallin School, fortunately, was built with sufficient site and plant to provide for this eventuality.

The Committee is happy to announce that by September, 1962 every school in the system should be equipped with a modern library. Funds have been allocated in the 1962 Budget for libraries at the Junior High Schools East and West. It has been a serious concern to the Committee that the students at this level have not had the benefit of a school library for some time. Provisions have been made for a trained librarian to be shared by both schools.

The delayed opening of the Stratton School has caused some inconveniences, but the effect on the pupils and the curriculum has been kept to a minimum. The staff is to be congratulated for their patience and willingness to accept these inconveniences without a murmur of complaint or a slackening of their teaching skill.

Mr. Kenneth A. Cameron, former principal of the Cutter and the Parmenter Schools, was elected principal of the new Stratton School.

Mr. Harold McLean of North Adams, Massachusetts, was appointed principal of the Cutter School.

Mr. Robert L. Stevenson of the Junior High East was appointed as the Grade Six teacher at the Parmenter School for the 1961-1962 school year; and possibly to assume the duties of principal of the Parmenter School on the following year.

The year 1961 saw the retirement of five long-term professional employees.

Dr. Edna F. Easter, School Physician, attained the mandatory retirement age after 32 years of devoted service.

Mr. William Sullivan, Junior High West Science teacher, retired July 11, 1961 after 25 years of faithful service in Arlington. Mr. Sullivan plans to do consultant work in industry.

Miss Florence Burke, Junior High West Social Studies teacher, retired June 30, 1961 after 32 years of loyal service in Arlington.

Miss Mildred A. Evans, Grade IV, Parmenter School, retired after 36 years of devoted service.

Miss Gertrude L. Toomey, Grade II, Thompson School, retired after 43 years of faithful service in Arlington.

The Committee is deeply appreciative to the entire staff of the Arlington Public Schools for their devotion and sense of duty towards the children of Arlington. It is this type of support that permits our schools to function so well.

We extend our thanks to the Town Manager and other town officials for their help in all school matters in which they were involved.

Respectfully submitted,

Richard W. Baker, Chairman

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

FOR THE YEAR 1961

To the School Committee of Arlington

Ladies and Gentlemen:

Following is the report on the progress of the public schools for the year 1961. During this past year we feel that we were not only able to maintain our reputation for being a community with good schools but to continue to add to their improvement.

This year the School Committee received $67,382.00 under Public Law 874. The Committee chose to continue its policy of alloting most of it to Instructional Services. Accordingly, it was possible to give support to the following areas: the purchase of much-needed audio-visual equipment; partial aid for the purchase of a special school bus for our Special Education program; psychological services; a training course in the SMSG mathematics for our secondary staff; the purchase of necessary books and materials for this course; the complete renovation for our physics laboratory and the purchase of additional materials not provided for in the regular school budget. The sum of $20,000.00 was returned to the Town to be used for teacher salary adjustments in the year 1961.

OUR ELEMENTARY SCHOOLS

A basic responsibility of our schools is the development of the intellect. The best education is that which enables every child to develop his abilities most fully for the benefit of himself and society. The Arlington Public Schools have modeled their program on this premise and it was able to continue to make significant strides toward achieving this aim.

The In-Service Training Program was devoted to the Language Arts. Considerable time and effort were expended in exploring the best methods of presenting these materials. Significant changes were made in the curriculum including more emphasis on groups in reading, greater stress on spelling, and better articulation between grade levels.

In last year's report the introduction of the Cordts Phonetic Analysis System in the first grades at three schools was mentioned. This work was so favorably received by all concerned that it is now also being used at the second grade level. Our teachers are in the process of developing a workbook to help strengthen phonetic skills by providing additional written work. At another school, this year, in order to try to improve the spelling and reading, two classes are working with a relatively new method in phonics called "The Unified Phonics Method". The crux of this method is a technique by which the child learns how to write down the sounds in spoken English as they are combined into words.

The child learns to write sounds instead of letters. This method teaches spelling first by actually writing the sounds on paper. The pupil is taught the sounds of the 70 common phonograms and his initial step is to learn these phonograms so well, that in any printed word, they stand out clearly as a series of sounds and not merely as a series of letters.

At one school encouraging progress was made in the use of the public address system for large group instruction. The initial approach occurred late in 1959 with the teaching of penmanship in grades four, five and six. Since then, the program activity has been intensified greatly through the use of a variety of exercises to stimulate the pupil interest and progress in the

subject. There is already convincing evidence of success by the improved penmanship shown in the three grades. At the present time, many of the sixth grade pupils who have already had the benefit from this program for two years write so well that they are being utilized as student helpers in grades four and five.

During the year we continued to focus much of our attention on the improvement of the Language Arts at the various schools by: using co-basal reading textbooks at several grade levels; experimenting with team learning in spelling; co-ordinating the work of the speech therapist and the parents; encouraging more writing of original compositions, stories, plays and poetry, and re-emphasizing the need for phonics.

Always alert to the use of new materials of proven worth, several first grade teachers experimented with Cuisenaire Rods to develop a better understanding of arithmetic. Cuisenaire Rods are wooden rods of different colors ranging from one centimeter square in cross section to ten different lengths. The children learn the spatial relationships that exist between objects by making different arrangements with the rods. In making and recording these patterns, children discover that different arrangements of the same rods will produce the same results. Thus, addition, subtraction, multiplication and division are learned simultaneously. It is felt, that as with any concrete teaching aid, when children discover something for themselves they understand it more clearly.

The emphasis on the 3 R's has not resulted in the neglect of the arts. A new music curriculum has been created for Grades I through VI and is now in operation. When this curriculum has been thoroughly tested in the classrooms, any necessary adjustments will be made.

The elementary art program continues to grow in strength and enthusiasm. During this school year a unit on puppetry at the third grade level is being introduced. An Elementary Teachers' Workshop in Art was held for three days with an emphasis on techniques. The immediate results were most enthusiastic and its long range implications for art seem most favorable.

At three of our elementary schools, the Bishop, the Cutter and the Peirce, considerable crowding of pupils has occurred due to the delay in opening the Stratton School. The professional staff of the Stratton School has been deployed at the three schools using every available bit of teaching space. Pre-planning seems to indicate that the actual move to the new school can be effected with a minimum of confusion for the students, the parents and the staff.

This year, as in the past, the 21 "Classroom programs on WGBH-TV were used throughout the town in the following areas:

Grade I	Nature Study; Listen and Say
Grade II	Music
Grade III	Literature
Grade IV	French I
Grade V	French II
Grade VI	Physical Science

The Physical Education Department, in conjunction with the elementary school principals, has been engaged in the process of reviewing its curriculum. The results, so far, indicate three significant changes are or will be taking place in our schools.

First, there will be an increased stress for greater total student involvement in the physical education program. This will be in addition to a "Beefed-Up" program with appropriate consideration to warm-up exercises for all

participants. Second, a special remedial program is underway one afternoon a week for youngsters who can profit from it. Lastly, a pamphlet of suggested exercises has been sent home with every pupil with the hope that the parents will encourage their youngsters to practice these exercises. Recognizing the need for more physical education from the recent national attention which it has received, the School Department feels that this is one method by which more attention can be given to it with due regard to our problems of time, space, and personnel in our schools.

There has been a nation-wide ferment toward lengthening the school day for elementary school youngsters. After a very careful study of the factors involved, it was decided to make a start in this direction by beginning our regular classes at 8:30 a.m. instead of 8:45 a.m. as formerly. This permits a gain of fifteen minutes per day without actually increasing the pupils in school time. This time bonus has been put to good use with extra time for either reading, French, physical education or music. It is our prediction that with increasing demands by the public for additional services to be performed by the schools, the school day, unless other areas are deleted from our offerings, may have to be lengthened even more.

This year has seen a considerable increase and turnover in the number of elementary teachers. This is due in large measure to the need for a new staff at the Stratton School and to marriages, pregnancies, and increased salary competition. The administration, recognizing this problem of assimilation, carried on a rather extensive program of teacher orientation in the fall. In addition, a comprehensive Teacher Handbook has been prepared and distributed.

Arlington has been spared the problem of significant teacher turnover in the past. The future outlook however, seems to indicate that due to our increasing growth and a more mobile population, we will have more turnover rather than less. Being aware of this, it becomes the obligation of all concerned to work toward the best possible solution for integrating new teachers.

JUNIOR HIGH SCHOOLS

The Junior High Schools in the United States today are in the process of re-examining their function. In its beginning, the junior high school was seen, in part, as a device to reduce the length of elementary schooling. The junior high school promised a better transition from elementary school to high school. Its program seemed to be better suited to pupil needs, particularly the exploratory aspect. The junior high classes are formally structured in the direction of the secondary school while the teaching retains much of the character and content of the elementary school. The result is that today's junior high school is essentially a hybrid. It is no wonder then, that prominent educators (Dr. James B. Conant, for one) has said, it is time for us to ask ourselves what kind of a junior high school do we need?

The Association for Supervision and Curriculum Development has just completed a comprehensive three year study of this question. They recommend that a good junior high school of today should:

1. "Be of moderate size (500-800 students)"
2. "Have a well-stocked library, staffed by a professional librarian-teacher."
3. "Provide ample guidance services."
4. "Offer block-of-time instruction each year so that one teacher will have a group of children for a substantial period."
5. "Maintain flexibility of scheduling."

6. "Be staffed with teachers prepared for junior high school teaching and devoted to junior high school age students."

7. "Provide help for teachers by principals, by supervisory staff, and by clerical personnel."

8. "Provide a modern instructional program in subject areas."

9. "Have adequate physical education programs."

10. "Have ample laboratory and workshop facilities."

11. "Have an established, reasonable teacher load."

If we take these recommendations entirely at face value we find that in only two areas are we seriously deficient -- we have no junior high libraries and we have little laboratory or workroom space. Provisions for the former are included in the 1962 Budget, and the latter problem is under study by the administration. We must not let complacency set in however, for in nearly every area there is much more that we must do to strengthen our junior high school program.

The year 1961 indicates that the junior high school staff has been active in many and varied pursuits. After a full year of in-service training by all the mathematics teachers, the School Mathematics Study Group program was introduced to selected groups of pupils in grades seven and eight. A reorganization of the English assignments at each school has reduced the pupil-teacher load so that there has been an increase in composition writing by all pupils. Finally, the addition of an instrumental-choral music teacher has greatly strengthened our junior high music program. As a result, additional choral groups and instrumental groups have been formed.

The national interest in physical education has not gone unnoticed in the junior high curriculum. Physical education programs have been demonstrated to P.T.A. groups at their request. New and additional equipment has been purchased. At one school, the interest in physical fitness has progressed to the extent that a special after school class in weight lfting is now in operation.

During the year the two junior high school principals developed a handbook for teachers. This handbook has achieved success in at least two ways. It is a welcome reference for teachers wishing to check on procedural matters, and it has brought about a much closer articulation between the two junior high schools.

The addition of two more teaching periods per week, by a longer school day has proven very successful in the junior high schools. This extended day permits: the introduction of an acutely needed developmental reading program; the inclusion of oral-aural French in grade seven; and an increase in the science curriculum in grades seven and eight.

As gratifying as this report may be, the fact remains that problems still exist in our junior high schools that must be resolved. Certainly of paramount importance is the need to improve for the average and the slow-learning pupils the curriculum in social studies, mathematics, English and science. These youngsters represent the majority of our pupils. We have placed great emphasis on developing a curriculum that meets the needs of the gifted pupil and the retarded pupil and this effort must continue, even expand, in the years to come. But we must also provide the type of curriculum that will stimulate the interest and meet the needs of every pupil so that he will develop his potential to the greatest possible extent.

SENIOR HIGH SCHOOL

The year 1961 is one of decision for the future of Arlington High School. Increasing enrollment for the past few years with no relief in sight raises the question -- "Where are we going to house our pupils?" The alternatives are clear. Either we must provide additional classroom space within the next few years or face the unpleasant prospect of crowded classes, curtailed curricula offerings and possible double sessions. If the latter alternatives are chosen, the course is clear, but the results are not pleasing nor do they offer the best possible education for our students. If the former course is chosen, it will take approximately two years between the decision to build and the completion of the facility. This means that the decision must be resolved soon.

At the present time, our high school is operating at a room occupancy of over 90%. Conservative figures indicate that the optimum occupancy rate should be closer to 80% in order that necessary maintenance can be carried out without curtailing pupil services drastically.

German I has finally been added to the curriculum because of sufficient student interest. In addition, we have been able to provide several courses in S.M.S.G. Mathematics. These courses have been made possible by a systematic retraining of our mathematics instructors through funds made available to us under Public Law 874. These new courses were necessary in order to keep pace with the national trend toward S.M.S.G. Mathematics.

The Physics laboratory was completely renovated this past summer. These modern, efficiently arranged, and easily supervised facilities are now in use every period of the school day. This facility was made available to us in part from federal funds.

Real effort was made this year to increase the number and quality of our extra-curricular program offerings. Three new student clubs were initiated this year; namely, Debating, French, and Mathematics. The Mathematics Club has several teams which engage in contests with other schools. The extra-curricular program is on a sound basis with excellent faculty leadership and instructional services available.

Two summers ago we installed a Language Laboratory at the High School. An honest appraisal of the first year's operations of our Language Laboratory offers considerable grounds for optimism. The positive effect of purposeful laboratory drill has been clearly reflected in increased pupil classroom performance and proficiency. The results are so clearly evident that even the most skeptical of our language teachers agree that it has been a success. Fairness decrees that mention be made of the tremendous time and effort expended by the Department Head, Mr. Guy Petralia. Undoubtedly a large measure of the success was due to his dynamic leadership.

TECHNICAL and VOCATIONAL HIGH SCHOOL

Many changes were effected in the Vocational High School during the past year. In February, the School Committee approved a six point reorganizational plan to become effective with the opening of the 1961-1962 school year which included:

1. The establishment of a four year high school training program replacing the original three year course.

2. A change in the admission requirements by enrolling ninth grade pupils. Previously only tenth grade pupils were eligible for admission.

3. The establishment of a more rigid system of selecting candidates for admission.

4. The addition of advanced mathematics to the curriculum to include Algebra I and II; plane geometry and physics; the addition of current affairs as an academic subject; and technical research as a related subject.

5. A general upgrading of the entire training program.

6. The adoption of a new name - "The Arlington Technical and Vocational High School".

In July the electronics department received approval to function under Title VIII of the National Defense Education Act. As a result, approximately $15,000.00 from Federal funds was allocated to Arlington for the purchase of equipment and supplies and for the full salary of one teacher for one year.

During the summer over 175 applications were processed from which 92 new students were selected to form the Freshman and Sophomore classes. Total enrollment at the opening of school in September reached a high of 152, an increase of 60% over the previous year. Three new teachers were added to the faculty, two for the electronics department and one for the academic department. A new machine shop teacher was also engaged to replace the previous instructor who left to accept a higher paying position in another system.

This fall the school received approval of its application for the loan of machine shop equipment from the National Industries Equipment Reserve, a Federal agency, whose purpose is to loan training facilities to educational institutions that contributes materially to the National Defense effort. Equipment valued at over $102,000.00 has been selected at no cost to the Town except a token fund which has been provided for its safe delivery and installation.

The Technical and Vocational High School now offers the following opportunities to industrially talented youth:

1. A good general education

2. An excellent technical education

3. A skill in a specialized field

4. Preparation for further education or a marketable skill upon graduation.

ADULT EDUCATION

Adult Education has been a part of the public school system for over twelve years. It has grown steadily until it now has almost 1200 students enrolled. The Adult Education program is carried on under the supervision of the School Committee, with the cooperation and partial financial support of various divisions of the Massachusetts Department of Education.

Adults of all age levels are enrolled in 51 classes as follows: Ceramics, Chair Caning, Decorated Ware, Fabric Painting, Block Printing, Foods, Party Refreshments, Cake Decorating, Meal Planning, Furniture Refinishing, Home Repairs, Knitting I, Advanced Knitting, Jewelry, Silvercraft, Leathercraft, Metalcraft, Enameling, Millinery, Pottery, Rug Making Hooked, Rug Making Braided, Sewing, Children's Sewing, Tailoring, Advanced Tailoring, Slip Covers, Upholstery, Typing-Beginners, Typing-Advanced, English-

Beginners, English-Advanced, Citizenship, Automotive Mechanics, Machine Shop Practice, and Electronics.

The Senior High School is open from 7:00 - 10:00 P.M., Mondays through Thursdays; the Industrial Arts building on Tuesdays and Wednesdays, to carry out the program. A few morning and afternoon classes are also arranged for the convenience of young mothers and some older adults unable to attend evening classes.

Automation, increased leisure time, and rapid scientific change are making learning a life-long pursuit for many people. A look to the future indicates that there is every indication that this trend will continue to grow as the years go by. An ever increasing number of adults are seeking opportunities to grow in knowledge and understanding, to acquire technical and professional skills, and to discover new leisure-time interests.

The School Administration is well aware of the increasing interest in Adult Education in this community and of its responsibility in continuously re-examining our local needs. Accordingly, the School Administration, through the Director of Adult Education, is planning to:

1. Undertake a survey of community opinion in regard to the types of courses desired.

2. Undertake written appraisal of present courses, their objectives and the degree to which they are being met.

3. Undertake a survey of existing facilities to determine their adequacy and where possible to improve the teaching situation.

4. Undertake an evaluation of the present staff with the aim to strengthen it, if needed.

5. Explore the feasibility of promoting new courses for adults which will enable them to develop cultural and appreciative abilities. These might include: Courses in Music Appreciation, Art Appreciation, Sketching, Sculpture, Oil Painting, The Great Books, Current Issues, Contemporary Literature, and Current Drama to mention but a few.

Upon completion of this survey the School Administration will present the results to the School Committee for their counsel and direction.

The future for Adult Education is bright provided we offer courses geared to the interests and needs of our citizens. It gives people an opportunity to develop the skills, attitudes, and knowledge they need to live more meaningful lives, so essential to their well-being. The concept of education as a never-ending process is exemplified in a well-rounded community Adult Education program.

PUPIL PERSONNEL SERVICES

The eighteenth annual survey of the previous June graduating class of the Arlington High School indicated that 60.8% of the class was enrolled in full-time advanced education. Last year's figure was 59.9% which shows the continuing trend toward more post high school education for our graduates each year. In addition to the 60.8% in full-time advanced education, 12.3% of the class are taking part-time education. 29.5% of the class are in four year degree granting institutions with the remainder of the group in junior colleges, nursing schools, business schools, technical institutes, etc. 31.8% of the class are employed, and a study of this group shows that they are following careers pursuant with their studies at Arlington High School.

5.8% of the group are in the armed services, and 1.6% are ill, married or at home.

A large proportion of the class are attending colleges in the Greater Boston area, with 28 at Northeastern, 19 at Boston University, 11 at Tufts, 9 at Framingham State College, 7 at Boston College, 3 at Harvard, 3 at Jackson, 2 at Radcliffe, 2 at Wellesley, and 2 at the Massachusetts Institute of Technology. Other well known colleges which have enrolled members of the Class of 1961 are Antioch, Bates, Brandeis, Brown, Colby, Stanford, United States Naval Academy and Vassar. Forty-five members of the class are enrolled in business with 21 at Chandler, 12 at Burdett, and 9 at Bentley, leading the field.

Twenty-two are in junior colleges with 7 at Fisher, 3 at Mount Ida, and 2 each at Dean, Lasell, Newton and Westbrook. Twelve girls are attending nursing schools and 17 boys are attending technical schools, with Wentworth leading with 13.

A determined effort to interest our young people in the field of teaching has been successful with 22 members of the class attending state colleges to prepare for this profession. Eighteen others are attending various schools of education throughout the country. Although we are well aware of the nation-wide shortage of teachers we are particularly concerned that our best students are not entering the teaching field. The teacher shortage facing the Greater Boston Community is largely one of a lack of quality teachers rather than applicants meeting minimum certification standards. This is not the case for the country as a whole.

The Class of 1961 has scholarship grants, exclusive of those granted by our own Thompson Fund, the Arlington Parent-Teacher Association, and the Arlington Women's Club, for a greater amount than has ever been received by any class in the history of the school. In addition to two National Merit Scholarships, which amount was not disclosed, awards totalled over $30,125.00. Since only four of these awards were on a yearly basis and were renewable for each year, the total winnings of the class were near $100,000. This is certainly an extraordinary record for any school group. Scholarships were received from many of our leading colleges--Harvard, Tufts, Antioch, Simmons, Bates, Massachusetts Institute of Technology, Boston University, Webb Institute, Emmanuel and a host of others. Three graduates of this class won National Reserve Officers Training Corps awards and are attending college under this program.

Again this year, the job placement bureau within the High School Guidance Department has been most active. Among the graduates of June, 1961, 92 girls of the 105 employed were placed in full-time work by the Department and 426 girls were placed in part-time employment. Among the boys, 28 of the 54 graduates working were placed in full-time work by the Department.

The present senior class is the first which will be graduated under our Academically Talented program, and it is interesting to note that this group obtained the highest junior college board scores of any Arlington High School class to date. This may possibly reflect on the desirability and advantages of our Academically Talented program.

Now that we feel our Academically Talented Program is operating well, we must continue to uphold these standards and improve upon them where we are able. The time is now propitious to turn our attention to the underachiever who seems to be common to all grades and curricula. In many cases of under achievement one is apt to assume that the child is only lazy or indifferent to school and that there would be little point in investigating the problem. There seems to be good reason, however, based upon pre-

liminary study, to believe that the cause is much more complex in make-up and merits serious investigation by us.

CONCLUSION

Fairness decrees that a word of thanks and recognition be given to the people who made this report possible -- the men and women who comprise the Arlington School Committee. It is a privilege as a School Administrator to work with such a dedicated group. Their willingness to devote long hours to the enactment of sound educational policies, makes the task an easier one.

To the members of the professional staff I express my appreciation for their devoted service and support. To the clerical staff and to the custodial staff I wish to express my thanks for their fine services.

The entire School staff is most appreciative of the gracious assistance afforded us whenever we have called upon the Town Manager, the Superintendent of Public Works, the Fire Chief, the Chief of Police, the Supervisor of Maintenance and the Supervisor of Custodians.

To all concerned, I extend my appreciation and gratitude.

Respectfully submitted,

Bert A. Roens
Superintendent of Schools

Report of the Planning Board

January 10, 1962

Mr. Edward C. Monahan, Town Manager
Robbins Memorial Town Hall
Arlington 74, Massachusets

Dear Mr. Monahan:

In accordance with Section 49 of Chapter 40 and Section 71 of Chapter 41 of the General Laws, the Planning Board submits its report for the year ending December 31, 1961.

Work continued through 1961 on the Comprehensive Plan for Arlington being prepared for the Planning Board by its consultants, the Planning Services Group of Cambridge. This project, on which work began in August, 1960, is financed in part through an Urban Planning Asssistance Grant from the U.S. Housing and Home Finance Agency under the provisions of Section 701 of the Housing Act of 1954. As of December 31, 1961, approximately 80% of this plan has been completed.

Reports submitted during 1961 include an analysis of population trends in Arlington which indicates that the town's population characteristics will not change drastically within the next two decades. It is estimated that Arlington's population will rise slightly over the 1960 level (49,953), perhaps to 55,000 in 1970 but more probably remaining below 53,000, and that subsequently it will remain approximately constant. The proportion of young people should decline somewhat below the high 1960 level as families with young children continue to move to suburbs with larger lots and more open space. The study depicts a community which has virtually no open land remaining for single family housing but with a location in close proximity to both the central portions of the Boston Metropolitan area and growing industrial belt of Route 128 which should preserve Arlington as a desirable residential community.

A study of public school needs based on this population survey was discussed with the School Committee and the Committee on School Buildings in September. The most acute problem is the lack of space in the Senior High School which will be felt strongly by 1963. There seems to be but two solutions--one, the building of an addition to the Senior High School; second, a new Junior High North, with a return to the three-year junior high system. It is recommended that the present high level of upkeep and modernization characteristic of Arlington schools should be continued because all will be needed in the next ten years but recommendations have been planned to permit gradual retirement later of those schools built over sixty years ago which are in areas of declining enrollment and on inadequate and inefficiently located sites with respect to pupil distribution.

The section of the Comprehensive Plan concerned with public outdoor recreation was discussed with the Park Commissioners in December. The salient point emphasized in this study is that a good recreation system is an indispensable factor in maintaining Arlington's chief source of taxes: the high quality of its one and two-family homes. Its recommendations are based on the assumption that Arlington desires a truly modern system of recreation areas and facilities providing equal standards of service for youngsters in all parts of town and offering adults opportunity for healthy use of leisure time that will attract desirable residents to Arlington and keep them there.

This memoradum on parks suggests that Arlington consider the formation of a joint public body with Arlington and Lexington representation which might qualify for federal assistance in developing the Great Meadows in Lexington owned by Arlington. While a nature science park is a possible use of the area, land use and recreation planning considerations suggest that the site would be of considerable value as a municipal golf course which might pay its own way when once established.

The economic base study indicates that both private family economies of Arlington residents and town finances appear to be in sound condition. An analysis of economic patterns in Arlington and the six adjoining cities and towns reveal that per capita and family incomes in Arlington are among the highest in this area while its equalized tax rates are among the lowest. However, town expenditures have been rising faster than our family incomes and unless there is a change in the Massachusetts tax structure, heavier tax burdens are indicated for the families of this town. One of the major problems of the town is to maintain the existing economic base, much of whose strength is derived from housing occupied by moderate to high income families. Three items appear necessary to achieve this objective: (1) maintaining and strengthening the public schools, (2) strengthening the park and recreation system, (3) improving Arlington Center. Steps to exploit the community's economic potential include (1) measures to assemble and develop industrial land, (2) renewal and expansion of the retail core, (3) attraction of high quality apartment houses to the town.

The Comprehensive Plan is scheduled for completion by March, 1962 and will include reports on traffic, utilities and urban renewal.

The membership of the Board changed during the year. Due to an unexpected foreign assignment, Professor Clair E. Turner found it necessary to resign after serving only a few months and his unexpired term was filled by the appointment of John A. Cataldo.

During the year the Board held eighteen meetings and participated in fifteen meetings with the Board of Selectmen, Development Commission, School Committee, Park Commissioners, Arlington Housing Authority, Zoning Board of Appeals, Arlington business men, the committee appointed to investigate urban renewal, and in numerous conferences with town officials.

Eight public hearings were conducted for revisions in the Zoning By-Law and changes in the Zoning Map for the March Town Meeting and one for the August meeting. Two of the recommendations of the Board regarding these revisions were not upheld by the Town Meeting. One, an adverse report on rezoning land on Spy Pond to the Residence C apartment district, was defeated by a margin of less than one vote. Residents of the area secured an injunction to prevent the issuing of a building permit and requested a Town Meeting in August for reconsideration. At this meeting the margin of approval for rezoning was larger than in March. The residents then brought suit in the Superior Court and a decision is expected in the near future.

In October the Chairman of the Board, together with the Chairman of the Board of Selectmen and the Development Commission, was appointed to represent Arlington on the Community Advisory Council established by the Massachusetts Transportation Commission which has undertaken a comprehensive survey of the Boston Metropolitan Region. This survey will assist the MTC in finding solutions to the problem of mass transportation and in identifying future needs in this field.

The Board is currently preparing for the 1962 Town Meeting recommendations for zoning revisions to direct and encourage apartment house

construction. These revisions, based on the comprehensive plan studies, include the raising of the height limitation to 75 ft. for apartment houses in some areas of the town.

While Arlington should have a full-time professional planner and staff to carry forward the planning work begun under the Comprehensive Plan, the Board is recommending that the town defer establishing this arrangement for approximately one year in order that the Board can more easily restrict its work load until two important planning programs not covered by the existing 701 contract are completed. It is our understanding that these would qualify for federal planning assistance under the present consultant arrangement. The first would be a Public Improvements Program which will provide schedules of costs and priorities to carry out the Comprehensive Plan. The second would be a substantive plan for Arlington Center. During the past year the Board has been asked for specific proposals regarding this key area which require analysis beyond the scope of the present 701 planning project.

The members of the Planning Board extend their thanks to the Town Manager, Board of Selectmen, the various town boards and department heads for the cooperation and assistance given during the past year.

Respectfully submitted,

Murdena A. Campbell, Chairman

George M. Herlihy, Secretary

David G. Ashton

John A. Cataldo

Thomas D. Kenna, Jr.

Report of the Public Welfare Department

January 31, 1962

Edward C. Monahan, Town Manager
Town Hall
Arlington, Massachusetts

Dear Sir:

I have the honor to submit the report of the Medical Inspector of the Department of Public Welfare for the year ending December 31, 1961.

	House Calls	Clinic Calls	Total
Old Age Assistance	168	100	268
Medical Assistance for the Aged	94	29	123
Aid to Dependent Children	11	90	101
Disability Assistance	21	45	66
General Relief	6	53	59
Veterans Services	7	14	21
	307	331	638

The total number of visits made to the Clinic for Dental Care - 13.

Respectfully submitted,

Edward W. Feeley, M.D.
Medical Inspector
Department of Public Welfare

February 5, 1962

Honorable Edward C. Monahan
Town Manager
Town Hall
Arlington, Massachusetts

Dear. Mr. Monahan:

I herewith submit my report for the Public Welfare Department for the year ending December 31, 1961.

Case Load Per Month

	Welfare Aid	Old Age Assistance	M.A.A.	Aid to Dependent Children	Disability Assistance
January	25	360	94	24	38
February	27	356	102	27	37
March	27	345	105	27	37
April	27	343	109	28	38

	76

AID TO DEPENDENT CHILDREN

Total Expenditures		$55,833,56
Less Reimbursements and Grants		
Federal Grants	$24,181.50	
State	15,923.85	
	$40,105.35	
Individuals	0.00	$40,105.35
Net Cost to Town		$15,728.21

38 Families were aided under this category of relief including 105 persons, 59 children under 16 years and 8 children between 16 and 18 years of age and attending school.

DISABILITY ASSISTANCE

Total Expenditures		$58,937.90
Less Reimbursements and Grants		
Federal Grants	$19,119.60	
State	23,714.73	
Individuals and Estates	0.00	$42,834.33
Net Cost to Town		$16,103.57

Disability assistance was granted to 52 persons.

MEDICAL ASSISTANCE for the AGED

Total Expenditures		$273,067.97
Less Reimbursements and Grants		
Federal Grants	$157,715.34	
State	97,499.93	$255,215.27
Net Cost to Town		$ 17,852.70

An analysis of gross and net expenditures for 1961 in comparison with 1960 reveals the following results:

The 1961 Gross for the five categories of Aid amounted to $760,818. (cents ommitted) as against $674,025. in 1960. This was an increase of $86,793. or approximately 13%. With Lien Recoveries eliminated from both, the 1961 net was $112,935. as against $127,048. in 1960 - a decrease of $14,113. or approximately 11%. In contrast with 1960, the 1961 gross went up while Net Town Costs declined.

It is too soon yet to assess the merits of the new category which came into being on October 1, 1960. Medical Assistance for the Aged (over 65) are eligible under certain financial conditions. This program is very liberal when compared with Old Age Assistance as no lien is required on real estate.

The Board of Public Welfare continues to meet monthly with the Director and two Social Work Supervisors. New cases and changes in all categories are examined for approval, adjustment or denial.

There is also supervision of Administration by the State Department of Public Welfare. State and Federal Personnel audit at regular intervals. Each month the Board of Public Welfare members go into Executive sessions with the Director to review Administration matters.

The Board of Public Welfare is organized as follows:

Mr. Walter T. Kenney, Chairman
Mr. William J. McKeever) Members
Mr. Harold N. Anderson) Members
Mr. George V. Morse, Director and Secretary

Changes in Personnel

Mr. Cornelius F. Collins, former Board Chairman
Resigned - we all admired his civic interest.

Retired - Mrs. Ena V. Kivlehan, Clerk - always dependable.

IN MEMORIAM - Mrs. Olive W. Holton, Principal Clerk
Longest in Service - 30 years.

Mr. Harold N. Anderson was appointed to the Board of Public Welfare on March 9, 1961 for a term of three years, succeeding Mr. Collins who resigned.

This is the season to extend my thanks to you, to the members of the Board of Public Welfare and to all Officials, Department Heads and employees of the Town who courteously co-operated with me and members of my staff throughout the year. I commend also the Social Agencies, Service Organizations, Church and Civic Groups and individuals for their many services.

Many times these people can rescue a family where we cannot aid. I further wish to commend my staff and the Field Representative of the State Department of Public Welfare without whom we could not function. Our task is to take care of unfortunates and provide rehabilitation and Medical Care.

Respectfully submitted,

George V. Morse
Director of Public Assistance

Annual Report of the Personnal Board

January 12, 1962

To the Citizens of Arlington:

The Personnel Board herewith respectfully submits its annual report for the year ending December 31, 1961.

The membership of the Board changed with the appointment of Edward J. Swadkins, an employee nominee, to succeed Warren E. O'Leary. F. Lawrence Doherty was re-elected Chairman for the coming year. The appointments of William J. Frost and F. Lawrence Doherty will expire on March 12, 1962. Robert L. Johnson, an employee representative, was appointed to March 12, 1963 and Paul E. Widder to March 12, 1964.

The Board attended the sixth annual meeting of the Massachusetts Municipal Personnel Boards Association at Framingham and Lee Morris presided as Chairman of the Association. The main topics of discussion were the mandatory amendment to the Welfare Compensation Plan and collective bargaining for cities and towns.

The Board has held 17 meetings during the year and considered 25 requests of individuals, committees and appointing authorities. A reqeust from the various employee organizations for a general flat increase for all employees, a reduction in service for sick leave eligibility, guaranteed holidays, and additional funeral leave was considered. Since the cost of living continues to rise and the salary rates in comparable communities have increased, the Board is again considering a recommendation of another general increase in order to maintain a median comparison and a fair standard of living for the employees of the Town. In addition to the meetings, we have had frequent contact with the Executive Secretary on various personnel matters that have arisen between meetings. The Executive Secretary has had numerous conferences with the Town Manager, department heads, employees and the Division of Civil Service on matters pertaining to Civil Service procedure, the operation of the Classification and Pay Plan and the Leave Regulations. The following are some of the routine personnel procedures handled by the department this year:

Civil Service requisitions	84
Emergency appointments	58
Appointments, temporary, provisional, renewals	205
Permanent appointments	42
Promotions - permanent and temporary	26
Termination of temporary employment	174
Termination of permanent employment	40
Permanent and temporary transfers	10
Loyalty Oaths	113
Group Insurance	28

There are at present 554 permanent full-time, 24 permanent part-time, 10 temporary full-time, 47 temporary part-time, and 36 seasonal part-time classified employees in the service of the Town. The peak employment period is during the summer months with a total of 731. These figures do not include the personnel under the School Committee.

The Board appreciates the cooperation and assistance given by the Board of Selectmen, Town Manager, Finance Committee, officials, boards, Town Counsel and employees in our effort to administer the duties and responsibilities involved. We also wish to express our sincere appreciation for the capable services of our Executive Secretary and for the clerical work performed by Mrs. Helen McCluskey.

Respectfully submitted,

William J. Frost
Robert L. Johnson
Edward J. Swadkins
Paul E. Widder
F. Lawrence Doherty, Chairman

Report of the Purchasing Department

January 18, 1962

Mr. Edward C. Monahan
Town Manager
Town Hall
Arlington 74, Massachusetts

Dear Mr. Monahan:

I herewith submit my report as Assistant Purchasing Agent for the year ending December 31, 1961.

During the year 1961, the effect of the Federal Government's restrictions on the import of Residual Fuel made itself evident on the New England Economy. The effect on the Town of Arlington's purchasing of heavy fuel was that the discounts quoted by suppliers decreased by about one-hundred and fifty per cent. In 1960, the discount on #5 Fuel Oil was twenty-nine cents per barrel -- in 1961, the discount decreased to eleven cents per barrel. The net result was an increase in cost of heavy Fuel Oil of over two-thousand dollars for the year. Fortunately, the outlook for 1962 is brighter as the Federal Government is reviewing the import restrictions and gives every evidence of lessening restrictions.

The discount price on Gasoline purchased by the Town of Arlington on the other hand increased from .0469 a gallon in 1960 to .052 for the year 1961. With an annual consumption of 160,000 gallons, this produces a savings of approximately $816.00 per year on the purchase of gasoline. This discount was the highest obtained by any city or town in the Commonwealth during the last fiscal year. In addition to the increase in the discount for gasoline, the successful vendor agreed to provide the New Public Works Yard with two - 4,000 gallon tanks and two pumps at no cost to the Town to store and dispense the gasoline supplied.

Copper tubing prices declined in 1961 to the lowest level in years due to extreme competition in the copper tubing industry. The price for 3/4" type K copper tubing went down to twenty-nine cents a foot about ten cents a foot less than the previous year. This resulted in savings of approximately $1,000.00 on the purchase of copper tubing for the year.

The continuing responsibility of the Purchasing Department is clearly to obtain competition for goods, materials, supplies, and services purchased by the Town so that we may be able to purchase our requirements at the lowest prices possible in a competitive market.

Whenever possible, purchases are combined so that formal bids are requested from prospective bidders. In addition, the spirit of competition is carried over into our day to day operations, and telephone quotations are received from at least three bidders whenever possible and practical.

Specifications for formal bids are carefully prepared so that prospective bidders have available all information necessary to prepare an intelligent and competitive bid. All bids are carefully analyzed prior to their award. Thorough investigation is made of the physical and financial responsibility of bidders unfamiliar to the Town of Arlington so that we may determine their competency to provide the material or services bid

upon. Where deemed necessary, insurance certificates and performance bonds are obtained. This provision protects the Town of Arlington against loss from suits or the deficiencies of inadequate performance.

Term Contracts are obtained on items such as Fuel Oil, Tires, Gasoline, Oil, Grease, Diesel Fuel, Storage Batteries, Incandescent and Fluorescent Lamps, Coal, etc. and in this manner considerable savings are realized by combining the needs of all town departments over a period of time.

I wish to take this opportunity to express my sincere appreciation to the Town Manager, Board of Selectmen, various Boards, Commissions, Trustees, Town Officials, Committees, Department Heads, and my staff for their cooperation throughout the year.

Respectfully submitted,

James L. Sullivan
Assistant Purchasing Agent

Annual Report of the Fire Department

January 1, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

I submit my Seventh Annual Report as Chief of the Arlington Fire Department for the year ending December 31, 1961.

PERSONNEL

The uniformed force consists of 99 men: the Chief of Department, 5 Deputy Chiefs, 7 Captains, 19 Lieutenants, and 67 Fire Fighters. The Department has a Master Mechanic, Doward L. Barter; a Physician, Dr. Edward W. Feeley, and a Clerk, Anna B. Hurley.

RETIREMENT

Deputy Chief Lorne S. McEwen in the Department since 1924 retired on disability pesion, April 19. Through the years he gave his untiring efforts to the Fire Service. Deputy McEwen was a sincere and loyal member of the Arlington Fire Department. He leaves with the best wishes of his associates.

PROMOTIONS

The following were advanced in rank, April 30, 1961:

John E. Canniff from Captain to Deputy Chief; replacement for Deputy McEwen;

Robert C. Blomquist, from Lieutenant to Captain; replacement for Captain Canniff;

Eugene Del Gaizo, from Fire Fighter to Lieutenant; filling vacany caused by advancement of Lieutenant Blomquist.

APPOINTMENT

July 9, 1961, Joseph J. Shea, 106 Sunnyside Avenue, was appointed permanent Fire Fighter; replacement for Eugene Del Gaizo.

DEPARTMENT CHAPLAINS

Reverend Father Charles A. McCarthy, curate at St. James Church; and Reverend William W. Lewis of the First Unitarian Church, serve as Department Chaplains.

APPARATUS AT HEADQUARTERS

Engine 1 (1954-Mack), 1000-gallon pumping unit
Engine 4 (1954-Mack), 1000-gallon pumping unit
Ladder 1 (1961-Mack Tractor attached to 1937 Seagrave Trailer) 85-foot aerial ladder truck

Rescue 1 (1958-Mack), equipped for emergency calls and floodlighting operations

Life Boat (1952) 14-foot metal boat with outboard motor and life-saving equipment

Chief's Car (1961-Pontiac)
Deputy's Car (1959-Ford)
Fire Prevention Car (1956-Ford)
Utility Pick-up Truck (1952-Chevrolet), 3/4-ton capacity

APPARATUS AT HIGHLAND STATION

Engine 2 (1952-Seagrave), 1000-gallon pumping unit
Ladder 2 (1952-Seagrave), Non-tractor-drawn 65-foot aerial ladder truck
Heavy-duty Maintenance Truck (rebuilt 1945 Mack chassis) carries 5000-watt Generator Unit supplying power for six flood-lights.

APPARATUS AT PARK CIRCLE STATION

Aerial Ladder 3 (1949-Seagrave), a Quintuplet Unit comprising 750-gallon centrifugal pumper, non-tractor drawn 65-foot aerial ladder, booster pump with attachment, carrier for 1000 feet of 2-1/2 inch hose and 500 feet of 1-1/2 inch hose, and a complement of ground ladders.

Two 500-gallon Auxiliary Fire Pumps (1941-Buffalo) numbered Engine 15 and Engine 16.

IN ACTIVE RESERVE

Engine 5 (1929-Seagrave), a 750-gallon pumper, is ready to replace disabled pumping units for a limited time only due to its age.

RESPONSE

The Department responded to 1065 calls of which 352 were Box Alarms, 633 Still Alarms and 80 Mutual Aid (out-of-town) calls; of the 718 telephone calls received, 120 were Box Alarms and 598 were Still Alarms.

In 1960 there was a total of 1250 calls.

A summary of alarms revealed that the greatest number of such calls occurred in the month of April; that more occurred on Friday than any other day of the week, and also that of these calls, the largest number were between the hours of 10:00 A.M. and 11:00 A.M.; and between 4:00 P.M. and 5:00 P.M.

One hundred and twenty-eight false alarms were sounded as compared with 87 in 1960.

The Rescue Unit responded to 94 First Aid Emergency Calls where the Resuscitator and Inhalator were requested for administration of oxygen. The rescue equipment on this unit was used on several occasions to release persons trapped when involved in automobile accidents; also on calls to homes where accidents occurred through the misuse and faulty operation of home appliances.

Received 9 calls for use of Department Life Boat.

CAUSES OF ALARMS IN 1961

Accidents	16	Lightning	1
Airplane	1	Locked Out	110
Automobiles	69	Malicious Mischief	1
Careless Smoking	39	Miscellaneous	38
Children and Matches	18	Needless	29
Chimneys	4	Oil Burners	34
Dump	14	Oil Tank Leaks	13
False Alarms	128	Out-Of-Town	80
First Aid	94	Refrigerators	4
Gas Leaks	4	Rubbish	37
Gasoline	9	Spontaneous Ignition	2
Grass	178	Sprinkler Systems	9
Grease	13	Televisions	6
Heaters	16	Water Leaks	25
Incinerators	7	Wiring (Inside)	41
Investigating	9	Wiring (Outside)	16

GENERAL SUMMARY OF EQUIPMENT USED AT FIRES

Ladders Raised	2250 feet
Hose Used	35000 feet
Water from Booster Tanks	26000 gallons
Pumping Operations	300 for 47 hours
Miles Travelled	4770 miles
Service Time	2750 hours

MULTIPLE ALARM

February 5, 1961, 2nd alarm sounded on Box 15 at 8:28 A.M. for house fire at 24 Cleveland Street with resulting loss of $15,722.

FATALITY

April 9, 1961, Joseph A. Shea, age 9, of 44 Sunnyside Avenue, died from burns received in automobile fire.

AIRPLANE CRASH

July 24, 1961, a Cessna two-seat plane, en route from Philadelphia, Pennsylvania, to Beverly, landed without casualties in the yard of 50 Hutchinson Road.

SNOW STORMS

On January 20th and February 4th heavy snow storms occurred which necessitated that the Fire Department maintain additional manpower on duty for emergency calls since the snow assumed drifting proportions with the intense strong winds causing dangerous traveling conditions.

HURRICANE ESTHER

September 21, 1961, Hurricane Esther threatened and the Fire Department was placed on stand-by alert. Extensive plans and preparations were made to use if necessary all emergency equipment such as portable pumps, portable generators, lights and cable.

Rain and strong high winds felled utility wires throughout the town. Many cellars were flooded and the fire department was deluged with requests for assistance to remove water from flooded cellars. During the year, also after other minor storms, the department received numerous calls to remove and pump water from flooded cellars.

FIRE LOSSES

Seventy-seven lossess occurred, 12 of which accounted for $58,173 of the entire yearly loss.

The total assessed value of property endangered, insurance thereon, loss sustained, and the amount of insurance paid are as follows:

	Assessed Value	Insurance	Damage and Insurance Paid
Buildings	$1,106,150	$1,766,900	$47,135
Contents	310,580	310,580	29,102
Total	$1,416,730	$2,077,480	$76,237

APPROPRIATION

1961 Appropriation	$616,139
Expended	615,598
Balance	$ 541

CREDITS

Fees for 37 permits to Blast	$18.50
Fees for 4 permits for Flammable Fluids	2.00
Fees for 13 permits for use of Tar Kettle	6.50
Sale of Junk	20.24
	$47.24

REPORT OF DEPARTMENT PHYSICIAN

Dr. Edward W. Feeley, Department Physician, rendered the following services in 1961: Office Calls 60, Station Calls 1, Hospital Calls 1, Treated at Fires 5. In addition, Dr. Feeley responded to many emergency calls and alarms of fire. Several conferences were held with the Chief of Department on medical matters pertaining to members of the Department.

FIRE PREVENTION

Fire Fighters periodically inspected places of business, public buildings, schools, hospitals, convalescent homes and places of public assembly. A record was made of existing conditions with date when corrections were made.

Recharged 394 fire extinguishers in these buildings. For the second year, conducted the "In-Service" Plan of recharging these extinguishers in public buildings whereby fire apparatus with Fire Fighters responded to each building and instructed occupants in the operation and actual use of a fire extinguisher in case of fire.

For the sixth year, in October, at the request of the Catholic Archbishop of Boston, the Fire Department inspected all Catholic Churches, convents, schools and other church property in Arlington and noted conditions found. These reports with recommendations were forwarded to the Chancellery.

During 1961, Lieutenant Daniel J. Mahoney, Inspector of Oil Burning Installations and Flammables, inspected a total of 350 oil burners and other flammable installations and storage equipment. Two hundred and thirty-six permits were issued for approved installations after inspection. It was

necessary to reinspect 114 installations because of faulty equipment and failure of installers to meet all rules and regulations pertaining to oil burners and storage of flammables. In addition, extensive and prolonged investigations were conducted for the removal of petroleum products from underground storage.

FIRE PREVENTION WEEK

The week of October 8-14 was observed as Fire Prevention Week. Fire Department Officers distributed timely and conspicuous posters marking the occasion. These were placed in public buildings and places of business throughout the Town. Practical Fire Prevention pamphlets and booklets for children were passed out to schools with permission of Dr. Bert A. Roens, Superintendent of Schools. The pamphlets were interesting and favorably received by the children.

In conjunction with Fire Prevention Week activites the Public Works Department cooperated in removing accumulated rubbish set out at curbings for collection by occupants.

DWELLING INSPECTIONS

For the fifth year, conducted "In-Service Inspection" of dwellings whereby approximately 11,000 homes were inspected by Fire Fighters with apparatus. Continuous contact with Fire Department Headquarters was maintained through the medium of two-way radio. Many weeks were required for the inspection of dwellings - a most vital phase of fire prevention for reducing hazards in the home.

In conjunction with dwelling inspections, the "Clean-up, Fix-up, Paint-up" Program for 1961 began on April 17th and continued through May 24th. Such a home inspection campaign makes fire prevention realistic to all. It presents an opportunity whereby Fire Fighters reveal existing fire hazards suggesting ways for their elimination. Emphasis is placed on the importance of practicing fire safety in the home and stressing the need for constant vigilance.

During the "Clean-up" period, the Public Works Department fully cooperated in the removal of rubbish and debris which was placed on the sidewalks for pick-up - an opportunity afforded twice a year, during the spring and fall months. Lieutenant Harold C. O'Leary directed this program for the third year.

FIRE DRILLS IN SCHOOLS

The Annual Fire Drill for the evacuation of children from school buildings under the supervision of Officers of the Arlington Fire Department was conducted in public, parochial and private schools.

A record was made of the number of classrooms, pupils, exists used and the time required to evacuate each building; a copy of which was sent to the School Department.

For the seventh year, the "In-Service" method was utilized whereby Fire Fighters with apparatus went to the schools for the holding of fire drills and at the same time through means of two-way radio remained in service for fire duty in the event of alarm of fire. Complying with Massachusetts General Laws, Chapter 148, four such drills are given during the school year by the Fire Department.

FIRE DRILLS IN NURSING HOMES

In accordance with provisions of Chapter 333, Massachusetts General Laws, the Deputy Chiefs made periodic inspections of Symmes Hospital and the nine Nursing Homes in Arlington and the required fire drill was held. Reports were forwarded to the Massachusetts Department of Public Health.

HYDRANT INSPECTIONS

For the seventh year, Fire Fighters continued the semi-annual "In-Service" inspection of approximately 1300 hydrants in Arlington under the direction of Lieutenant Harold C. O'Leary.

During summer months, water flow tests of each hydrant were made daily after 10:00 P.M. Records were kept of static and residual pressures. Faulty and defective hydrants were reported to the Water Department for repairs.

The winter inspection for frozen and defective hydrants started December 13th. Tests were made during the daytime. If water was found in barrel of hydrant it was pumped out by testing crew of Fire Fighters. Hydrants found frozen were thawed immediately by the Fire Department and the Water Department was notified.

TRAINING OF FIRE FIGHTERS

Fire Fighters participated in frequent drills in their stations and were instructed in the proper methods and use of Fire Department Equipment. Routine drills were held in pumping, drafting and life boat practice on Spy Pond and at the Heights Reservoir. Under the direction of the Department Mechanic, Doward L. Barter, and Company Officers, conducted driver-training program, and Fire Fighters received instruction in the mechanical operation of fire apparatus, ladder trucks and aerial ladders.

On invitation, Arlington Fire Officers attended classes at the Boston Fire Department Training Academy, Moon Island; and also at Hanscom Air Base, U.S.A.F., Bedford, Massachusetts.

AUXILIARY FIRE FIGHTERS

October 8, 1961, Malcolm Griffin, 25 Addison Street, resigned as Auxiliary Fire Chief because of health. During his regime, many innovations went into effect. Chief Griffin always had an avid interest in the progress of the fire service.

The Auxiliary Department composed of men from all walks of life is a dedicated and devoted group. They give valuable time to assist the regular Fire Department during fires and emergencies. These men render stand-by assistance by reporting at the stations daily from 7:00 P.M. to 10:00 P.M. on rotating shifts. Much praise is due our Auxiliary Fire Fighters.

Deputy Chief Irving L. Proctor is the Fire Department Coordinator for this group under the direction of Civil Defense.

September 26th, the Director of Civil Defense, John P. Dempsey, lectured to all Fire Fighters on nuclear radiation and fallout.

DETAILS

Since 1949, Fire Fighters at Park Circle Station have been assigned during school hours for traffic duty in that section to protect school children.

Fire Fighters were detailed to stand-by duty as precautionary measure to guard against fire during welding operations or when blow torches were being used for repairs in school or public buildings.

April 19th, Rescue Unit participated in Patriots' Day Parade.

April 19th, Engine 1 detailed to Patriots' Day Parade in Lexington.

May 6th, Engine 1 with crew took part in "Little League Baseball" Parade.

October 8th, Engine 1 assigned to Boston Fire Department Parade for Fire Prevention Week.

During the year, the Highland Fire Station was used for registration of voters and voting purposes for the Town of Arlington. The Park Circle Station also was used for registering of voters besides being the meeting place for many civic groups.

BUILDING MAINTENANCE

At Headquarters, the contractor continued work of repointing and replacing flashing on brick tower. Two sides of tower remain to be repointed. This work is undertaken gradually and annually because of the great expense involved. With completion of work on tower, all brick construction on upper section of building will have been repointed - A program in progress since 1956.

At Highland Station, repainted and redecorated the interior of building; constructed lockers on apparatus floor for service clothing.

At Park Circle Station, new heavy duty combination storm doors replaced old doors.

Fire Fighters at the three fire stations deserve praise for their work and efforts in maintaining so well these buildings, a task resulting in great financial saving to the Town.

APPARATUS MAINTENANCE

The following major repairs on fire apparatus were undertaken by the Department Master Mechanic at a considerable saving in labor costs:

Ladder 1 - Mack 1961 Tractor was attached to Seagrave 1937 Trailer, 85-foot aerial ladder truck after being completely overhauled in department repair shop; in commission September 7, 1961.

Installed "Preconnected Hose Lines" on:

Engine 1 - Supplies four 1-1/2 inch hose lines and three 2-1/2 inch lines

Engine 2 - Supplies six 1-1/2 inch hose lines and three 2-1/2 inch lines

Engine 4 - Supplies four 1-1/2 inch hose lines and three 2-1/2 inch lines

Preconnected hose lines on pumping engines permit operation at fires with higher degree of efficiency, particularly the extinguishing of fires inside buildings. Water is obtained faster from 1-1/2 inch hose and hose is easier to handle; further there is a reduction in the amount of water damage.

The Department Mchanic also rearranged the construction of apparatus bodies to provide for the storing of "Foam" chemical with the necessary

modern appliances for the extinguishing of petroleum fires either in tank trucks on the road or in buildings. Rescue Unit is carrying foam in addition to its regular equipment.

1961 SURVEY

January 31, 1961, the New England Fire Insurance Rating Association conducted a survey of the Town of Arlington relative to its fire defenses and physical condition covering the Fire Department, Water Department, Fire Alarm Signal System and other phases necessary for fire fighting and protection.

RECOMMENDATIONS

For the year 1962 recommend that $595,921 be appropriated to include the replacement of Deputy Chief's car.

CONCLUSION

I am sincerely grateful to the Honorable Board of Selectmen, and to Town Manager, Edward C. Monahan, for active interest in the affairs of the Fire Department. To all Town Departments for their cooperation, my thanks.

To my own Officers and Men for loyal and devoted performance of duty, my deep appreciation.

Respectfully submitted,

Thomas H. Egan
Chief of Fire Department

Report of the Fire and Police Signal System

January 1, 1962

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Sir:

As Superintendent of the Fire and Police Signal System, I submit my Seventh Annual Report for the year ending December 31, 1961.

The System is maintained by Assistant Superintendent Lester W. Cameron, together with Signal Maintainers, Nicholas J. Bucciero, and Frederick J. Manning.

FIRE ALARM AND POLICE SIGNALS

Many difficulties were experienced as the result of temporary breakdown in aerial and underground lines. Storms, high winds, rain, snow and lightning inflicted severe damage and circuits were grounded. September 21st, Hurricane Esther, with trees blowing against lines caused brief interruption of service. When found out of order, circuits were restored to immediate service.

Made routine repairs, wound and tested fire alarm boxes and police signal boxes. Checked police signal desk, signal registers, air whistles and master clocks. Painted 302 fire boxes and 80 police signal boxes throughout the Town. Installed decal "Fire" on fire pedestals. Conducted water-flow tests on signal boxes connected to sprinkler systems.

The following signal boxes (combination type) were damaged when struck by automobiles:

Police Box 215 and Fire Box 35 - Mystic Street-Chestnut Street
Police Box 21 and Fire Box 315 - Medford Street-Parallel Street
Police Box 412 and Fire Box 82-Massachusetts Avenue-Park Avenue

Installing new Police Signal Boxes:

Box 232 Ridge Street-Sleepy Hollow Lane
Box 363 Ridge Street-Mohawk Road

Installing new Fire Alarm Boxes:

Box 3521 New England Packing Company, 30 Water Street
3553 Pamela Drive
3913 Ridge Street-Sleepy Hollow Lane
3973 Ridge Street-Mohawk Road
7162 Winchester Road-Stone Road
7183 Stratton School-180 Mountain Avenue

755 Bow Street-Newland Road
7712 Nourse Road-Lowell Street
8242 Linden Street-Florence Terrace
8653 St. Camillus Church (new) - 1183 Concord Turnpike
8654 Florence Avenue-Charlton Street
8655 Hathaway Circle - Opposite No. 59
8664 Hathaway Circle - Oakland Avenue

Changing doors on the following fire alarm boxes from out-moded type to quick-action style door:

Boxes: 131-132-1331-136-155-173-174
266-282-358
461-481-482-486-489-621
713-73-731-842-86-8661

Inspected and checked fire alarm signalling systems in public and parochial schools in Arlington prior to the opening of school in September.

CABLE CONSTRUCTION

Replaced, reran and pulled up 2-conductor aerial cable on the following streets, removing old cross-arms:

Wollaston Avenue
Washington Street
Edmund Road
Gray Street
Highland Avenue
Lockeland Avenue
Kenilworth Road
Concord Turnpike
Lake Street
Bailey Road
Prescott Street
Russell Street
Winslow Street
Water Street
Mountain Avenue
Overlook Road
Pleasant Street
Lombard Road
Eastern Avenue
Arlmont Street
Massachusetts Avenue

Replaced, reran and pulled up 6-conductor aerial cable at following locations:

Highland Avenue from Massachusetts Avenue to Eastern Avenue; Gray Street-Pine Ridge Road to Quincy Street;
Silk Street from Gardner Street to River Street-Yale Road; Summer Street from Park Avenue Extension to Summit Street.

Pulled in 6-conductor underground cable replacing old cable, cutting over to signal boxes, and rebuilding terminal boxes at:

Broadway-Everett Street
Hutchinson Road
Mountain Avenue
Wollaston Avenue

Repaired and replaced 3-inch conduit on Park Avenue-Paul Revere Road when M.D.C. construction was under way.

Made transfers of lines to new poles, rebuilding lines and pulling up slack on aerial lines.

Throughout the Fire and Police Signal System, removed and trimmed trees and branches from aerial lines and installed wood mold where wires came in contact with trees.

PUBLIC WORKS YARD

Following work was undertaken at the new location of the Public Works Department Yard on Grove Street for installation of fire and police signals:

Ran in 6-conductor aerial cable on Grove Street, Dudley Street, Brattle Street;

Pulled in 6-conductor underground cable on Grove Street;

Installed 10-inch turtle gong in office;

Removed gate horns from old yard, 1083 Massachusetts Avenue and reinstalled on Grove Street;

Moved Police Box 55 from 1083 Massachusetts Avenue and reinstalled in Grove Street Yard.

AIR RAID SIGNALS

Tested sirens on first and third Fridays of each month.

April 28, 1961, air raid sirens and whistles sounded at noon for Civil Defense State-wide Alert Test.

Routine inspection was made of air raid sirens throughout the Town:

Massachusetts Avenue - Teel Street
Massachusetts Avenue - Winter Street
Massachusetts Avenue - Tufts Street
Massachusetts Avenue - Mill Street
Massachusetts Avenue - Brattle Street
Massachusetts Avenue - Forest Street
Massachusetts Avenue - Park Avenue
Florence Avenue - George Street
Summer Street - Mill Street
Summer Street - Park Avenue Extension
Broadway - Everett Street
Broadway - Silk Street
Lake Street - Margaret Street
Highland Avenue - Ottawa Road
Mystic Street - College Avenue
Medford Street - Sherborn Street
Pleasant Street - Gould Road
Lowell Street - Park Avenue Extension

DETAILS

Set up Public Address System on many occasions for various Town Departments.

Rendered assistance to Departments which requested use of winch and derrick on Fire Alarm Truck.

April 19th, Patriots' Day, sounded 1-7-7-5 on air whistle at Fire Department Headquarters.

The Town Clock in church steeple, Massachusetts Avenue-Pleasant Street, wound weekly on Fridays.

Arranged Christmas lighting and decorations at the Town Hall, Library, Police Headquarters, on tree and crib at Monument Park and at the three Fire Stations. Set up Public Address System for the playing of carols from tower of Fire Headquarters building.

APPROPRIATION

1961 Appropriation	$24,528.
Expended	24,371.
Balance	$ 157.

RECOMMENDATIONS

For the year 1962 recommend that $27,131 be appropriated.

The Committee which studied the Town's two-way radio facilities to comply with a directive received from the Federal Communications Commission has submitted its report. Plans are in process to obtain new radio equipment. The System known as "Local Government" will be installed soon in the Town of Arlington for use of all Departments.

1961 SURVEY

During the year of 1961, the New England Fire Insurance Rating Association conducted a survey of the Town of Arlington including its Fire and Police Signal System. This Association made several recommendations and as a result a Committee was formed to further investigate conditions in the Signal System to submit a report of findings later:

Chief Thomas H. Egan, Superintendent of the Fire and Police Signal System

Deputy Fire Chief John E. Canniff

Robert L. Reid, Wire Inspector, Town of Arlington

Thomas Buckle, Construction Engineer of the Gamewell Company, Newton Upper Falls

The Rating Association recommended among other changes these major proposals:

"That the present Fire Alarm Headquarters equipment be expanded and modified in accordance with the "Standards of the National Board of Fire Underwriters for the Installation, Maintenance and Use of Municipal Fire Alarm Systems", for Type-A (manual) operation; and

"That the Watchroom, now located on the first floor of the Headquarters Station, with all testing facilities,telephone, radio receiving and transmitting equipment, with operators, be transferred to Fire Alarm Headquarters on the second floor of the Station."

These two recommendations will be placed in the annual budgets for consideration. Many of their recommendations have at this time been corrected and put into effect.

CONCLUSION

To the Members of the Board of Selectmen, and to Town Manager, Edward C. Monahan, for cooperating with the Signal System, my sincerest thanks.

To the Assistant Superintendent of the Fire and Police Signal System, and his Signal Maintainers, for untiring efforts to operate efficiently the Signal System for both the Fire and Police Departments, my deepest appreciation.

Respectfully submitted,

Thomas H. Egan
Superintendent
Fire and Police Signal System

Report of the Board of Selectmen

The Board of Selectmen herewith submits its Annual Report for the year ending December 31, 1961.

Following our customary procedure the early portion of the year was principally devoted to discussion on appropriations both budgetary and those covered by articles, in preparation for the Annual Town Meeting. Conferences were held with other Boards and Commissions when such procedure was dictated, and investigative surveys were authorized in instances when detailed information was required.

At the Annual Town Election in March, Mr. Arthur D. Saul, Jr. was re-elected to office and Mr. Philibert L. Pellegrini elected as Selectman, both to serve for three year terms. The Board organized shortly thereafter with Mr. John O. Parker as Chairman and Mr. Horace H. Homer as Vice-Chairman, both being elected by acclamation on one ballot.

After almost nine years of the Town Manager form of government it is rather surprising to note that some confusion still exists in the minds of many of our citizens relative to the duties and the responsibilities of the Board of Selectmen. In order to clarify this issue we feel it may be advantageous to devote a portion of this report to a brief explanation of this type of government, outlining the responsibilities of various officials with particular emphasis on the Selectmen's functions. Under this form of government the Selectmen constitute the Executive branch, the Town Manager the Administrative branch and the Town Meeting acting in a Quasi-Judicial capacity constitutes the appropriating authority and has the sole powers of adopting permissive State Legislation as well as local By-Laws. The Selectmen, are, therefore, essentially responsible for local policy that is not in conflict with local By-Laws or State Laws. The Board works closely with the Town Manager on all matters pertaining to the operation of town functions which, in many instances, require that policy either be established or changed. For instance, the Board can determine the number of voting precincts that should be established, or adopt regulations for traffic control or similarly take action on an unlimited number of matters that would best serve the Town's interests. This constitutes policy which, once adopted, is continued until such time as amendment or repeal may be indicated. The Selectmen, however, are bound to observe all local and state laws the same as any other citizen and if these sometimes seem unjust the only recourse is by modification or repeal through action by the Town Meeting or the State Legislature or both. Any action in this respect is a prerogative of a majority of the Town's citizens who can effect whatever changes they desire by petitioning the aforementioned bodies. All administrative powers previously exercised by the Selectmen are now a function of the Town Manager. It is his duty to administer all phases of the Town's general government efficiently and economically. While it is true that the Selectmen have the appointive powers over the Town Manager, they do not dictate his administrative duties.

The improvements in Arlington Center for which the Town obligated itself are now completed. Mystic Street has been relocated and the parking facilities on Russell Common have been expanded in accordance with the original plans. These improvements were initially proposed by the owners of business property in the area who alleged that without these changes business could not survive in this location. In return for the improvements they promised to renovate and improve their respective properties in a manner which would attract desirable business interests. It is rather disappointing to note that despite the Town's cooperative efforts, these private interests have shown little indication of a desire to go forward with their projected plans in this respect or any realistic basis. One of the largest

property owners alleges that after extensive research the only business enterprise that will give him a fair return on his investment is an apartment house adjacent to Russell Common. He proposes to erect a building eight stories in height, with seventy-eight apartments and a medical center on the first floor. Unfortunately this proposal violates various provisions of the Zoning By-Laws. Several joint conferences have been held with the owner, the Development Commission and the Planning Board on this proposal and if these Town agencies agree with the owner's proposal, amendments to the Zoning By-Laws will undoubtedly be sought at the 1962 Annual Town Meeting.

Beginning with the recommendations contained in the Benjamin Report and the recommendations of subsequent planning consultants, an off-street metered parking area has been proposed for the area comprising the former Railroad property in the rear of Railroad Avenue. One of the problems in connection with the effective development of such an area has been the private ownership of a substantial portion of this property. Negotiations have, however, been conducted by the Planning Board with the bank which is the current owner, and as a result an agreement has been reached whereby the owner has indicated its intention to donate a major portion of this property to the Town provided that the parking area is developed in accordance with present proposals. Funds for this project will undoubtedly be sought at the next Annual Town Meeting.

With the development of a comprehensive master plan for the Town to chart its future change and growth, it was deemed advisable to establish a closer relationship with the Planning Board. As a result, Selectman Pellegrini has been appointed as Liaison Officer between the two Boards. In this capacity he will attend meetings of the Planning Board and report periodically to the remaining members of the Board of Selectmen. In this manner much valuable time can be saved when final discussions are held on projects in which cooperative effort is considered advisable.

Voting in Precincts 9 and 11 has been unsatisfactory for some time due in great measure to the increase of the number of registered voters in relation to the existing voting facilities. This year, supported by authorization of Town Meeting vote, we intend to divide both these precincts to facilitate voting. The precincts will be known as 9A, 9B, 11A and 11B, with 9A to be located in the Bishop School, 11A to remain in the Highland Fire Station and both B precincts to have quarters in the newly erected Stratton School. This will make a total of 19 voting precincts which we hope will adequately serve the Town for some years to come.

Individual Municipal Associations for Mayors of Cities and Selectmen of Towns have existed for more than a quarter of a century but the trend for a joint organization, designed to benefit both Cities and Towns, has been constantly increasing. This year our own State, following this National trend, has formed such an Association, to be known as the Massachusetts League of Cities and Towns. It is anticipated that by combining forces the municipalities of the Commonwealth will be in a position to sponsor and to support Legislation that will grant them greater latitude in self-government. We have become charter members of this association and have high hopes that it will become an effective agency as it gains age, stature and reputation.

During the year we have met weekly with the exception of the summer months when bi-weekly meetings have been held. Much of our time is utilized in routine assignments. As Selectmen we either grant or renew licenses for all types of amusements, Lord's Day, Second-Hand Dealers, Common Victuallers, Auctioneers, Junk Dealers, Theatres, Peddlers, Lodging Houses, bus transportation, sale of used automobiles, parking lots and tag days, to mention a few. As a Board of Survey we approve housing sub-

divisions, lay out streets for acceptance as public ways, adopt Chapter 90 street programs, control the installation of permanent sidewalks and curbing, grant locations for utility poles and conduits, gas mains and telephone lines and conduits. As a Board of Public Works we determine where sanitary sewer mains, water mains and storm drains are to be located, grant permission for the occupancy of public ways, determine policy on underground structures and other matters which come up from time to time. The program for improving volumes and pressures in the Town's water system which was instituted in 1955 has been brought to a successful conclusion. A new program has been adopted to modernize our storm drain system. We anticipate that this program, although not as exhaustive as the water system program, will on completion solve the many flooding problems encountered in the past, during and immediately after severe rainstorms.

One of our more vexing problems concerns the sanitation program. The sanitary fill method of disposal has been in use for more than a decade in discarding rubbish satisfactorily. Garbage has been disposed of by means of a private contract. This latter refuse which was formerly a salable commodity to nearby hog farms has gradually become less and less disposable. The recent State Law requiring that all garbage be cooked before being fed to hogs and the retirement of farmers from this line of endeavor is primarily responsible for these conditions. The exorbitant demands by contractors for the collection and disposal of garbage has forced the Town to reassume this collection with its own labor forces. A program has been evolved whereby the garbage and rubbish is collected simultaneously in the same vehicle and is disposed of in the sanitary fill reclamation area. Exhaustive investigation, prior to the inception of this program, disclosed that no ill effects would be experienced from this manner of disposal. In any event, we will necessarily be limited in these operations because of the lack of future disposal areas. It is only a matter of time when serious thought will have to be given to some other method of disposal which is bound to result in higher costs.

In conclusion we would like to express our appreciation to the Town Manager and to the various Boards and Commissions who have given us the benefits of their experience throughout the year, as well as our Executive Secretary and the Secretarial staff for their loyal and efficient service.

John O. Parker
Horace H. Homer
Joseph P. Greeley
Arthur D. Saul, Jr.
Philibert L. Pellegrini
Board of Selectmen

Honorable Board of Selectmen
Arlington, Massachusetts

Gentlemen:

The Registrars of Voters herewith submit their annual report for the year ending December 31, 1961, in accordance with Section 3 of Article 3 of the By-Laws.

Temporary Assistant Registrars designated by our Board made a complete canvass of the Town for the purpose of taking the annual listing of persons twenty years of age and older residing in the Town of Arlington on January 1, 1961, and in conjunction therewith a listing of owners or keepers of dogs, both as required under the law.

Our Board certified the signatures of 4,901 voters appearing in nomination papers filed by or in behalf of candidates seeking town offices, petitions for articles to be inserted in the Warrant for the Annual Town Meeting, referendum and initiative petitions.

A public hearing was held on February 10, 1961 in the Hearing Room of the Town Hall on the objection filed by Alan Root to the nomination papers of Michael A. Marcellino as a candidate for the Office of Selectman. Three persons were summoned as witnesses -- Alan Root, the objector, Michael A. Marcellino, the candidate, and John A. Castagnozzi the voter whose signature was objected to. As a result of evidence and testimony given at the hearing, the Registrars voted unanimously to disqualify the name and address of John Castagnozzi, 142 Brooks Avenue, as appearing on the nomination papers in question inasmuch as the Board believed beyond any reasonable doubt that the nomination paper had not been signed in accordance with the requirements of law by the person whose name and address was in question. As a result of this decision, Mr. Marcellino, whose nomination papers had borne only the minimum number of ceritified signatures, was unable to have his name placed on the ballot for the Annual Town Election.

Nine evening sessions for the registration of voters were held prior to the Annual Town Election at various public buildings throughout the Town. At these sessions 36 persons were qualified to vote in elections. Throughout the year, sessions for the registration of voters were held daily during regular business hours in the office of the Town Clerk, at which an additional 243 persons were so qualified. A total of 279 names were, therefore, added to the voting list during the year.

A record high of 29,511 registered voters was reached on February 14, 1961, the final day of registration for the Town Election.

For the Town Election held March 6, 1961, the Registrars were in session throughout the entire period the polls were open - 7 A.M. to 8 P.M. - following which they assisted in the tabulation of the returns of ballots cast until the results were announced at 7:30 A.M. on Tuesday, March 7, 1961.

Mr. Arthur P. Wyman was reappointed by your Board as a member of the Board of Registrars of Voters for a term of three years.

Upon completion of the work of revising the voting list, in accordance with the true list information that had been presented, a total of 2417 notices were sent by first-class mail, as required by law, to persons whose names were to be removed from the voting list for the reason that they had not been reported as residing in Arlington on January 1, 1961. Of this number 641 proved residence and were reinstated.

As a result of the notices mailed, the names of 1776 voters were removed from the list for varying reasons including removal from Town, changes of name by marriage or court decree, death, and/or failure to comply with the notice. An additional 119 names of voters were dropped from the voting list because of changes in voting status brought to the attention of our Board.

The total number of registered voters upon completion of the revision of the voting list was 27,657, and of this total 10,351 were enrolled Democrats and 6,615 were enrolled Republicans.

Precinct	Total Voters	Total Democrats	Total Republicans
1	1517	654	281
2	1990	935	346
3	1185	507	286
4	1868	717	397
5	2308	1135	237
6	1540	410	573
7	1457	763	237
8	1700	427	698
9	2280	702	595
10A	786	257	221
10B	958	293	311
11	2773	1027	545
12A	1423	452	425
12B	690	203	228
13	2067	809	484
14A	1339	499	341
14B	1776	561	410
	27657	10351	6615

These figures represent the usual decrease in the number of registered voters in the year following a Presidential Election due to the small number of new registrants.

During the year the information contained in the approximately 35,000 true listing slips, covering on residents of the Town on January 1, 1961, was transferred to their individual master cards which provide for a complete official record of residence for all persons twenty years of age or older from the time they first become residents of the Town of Arlington.

Mrs. Louise Mulkerin was named by our Board to succeed Miss Mary A. Farrington as Assistant Registrar of Voters. Miss Farrington resigned to accept appointment as Assistant Town Clerk.

Respectfully submitted,

Timothy J. Buckley, Chairman
Arthur P. Wyman
Joseph H. Cormier
Ann Mahon, Clerk
Registrars of Voters

Report of the Board of Health

Mr. Edward C. Monahan
Town Manager
Arlington, Massachusetts

Dear Mr. Monahan:

We herewith submit the Annual Report of the Board of Health for the year 1961.

Respectfully submitted,

Ralph L. LaValle, Chairman
Paul F. Burke, D.M.D.
Carl E. Barstow, M.D.

Personnel of the Department

J. Philip Bower, Agent and Clerk
Margaret Wheatley, Principal Clerk
Justin E. Comeau, Milk and Sanitation Inspector
Mary G. Stone, Public Health Nurse
Lawrence S. Fagan, D.M.D., Dentist

Complaints and recalls on complaints	251

Environmental sanitation investigations were conducted in sanitary landfill projects; sub surface sewage disposal systems; water quality of bathing areas and rodent control.

The nature of the complaints varied, all were acted upon accordingly with proper action taken when necessary. Comprehensive reports relative to each incident were submitted and filed.

REPORT OF PHYSICIAN AND BACTERIOLOGIST

Performed the duties required of me in my capacity as Physician of the Board of Health. Rendered professional services at three Immunization Clinics which were conducted by the Board of Health. Released all members of households that had been quarantined because of contagions. Examined smears and cultures and reported the result of the examinations to the Physicians who submitted the specimens.

REPORT OF THE PUBLIC HEALTH NURSE

Visits were made to the homes of patients who were reported cases of communicable disease in accordance with regulations and State Department of Public Health recommendations on the control of communicable diseases.

Assisted at the various clinics which were conducted by the Board of Health.

Made Inspectional visits to Day Care Centers and Nursing Homes that are operated within the Town.

Administered the school nursing program at the elementary Parochial Schools in Arlington. This program includes physical examinations by physicians. Vision and hearing tests were given and all pupils who failed to pass the tests were referred by their parents for further examination. Weight and measurements of the pupils were taken.

Held meetings with those pupils who required counsel and gave assistance in meeting their personal problems.

Attended a work shop conducted by the State Department of Public Health at Simmons College, and had several conferences with District Health Supervisors.

Prepared and maintained files for permanent record on the above activities.

REPORT OF DOG OFFICER

During the year all carcasses of small animals and birds reported by the Board of Health and other Town agencies were collected and disposed of in a prescribed manner. Assisted in attempts to locate the owner of animals that had been reported as "strays" which had been picked up and impounded.

REPORT ON CLINICS CONDUCTED BY THE BOARD OF HEALTH

DIPHTHERIA CLINIC
(Five year comparative figures)

Year	No. of children immunized	Percent below 5 yrs.	Percent 5-10 yrs.	Diphtheria Cases	Diphtheria Deaths
1957	1	100	0	3	0
1958	14	65	35	0	0
1959	9	66	34	0	0
1960	1	100	0	1	0
1961	1	100	0	0	0

DENTAL CLINIC

Total number of patients	802
Total number of operating hours	537
Total sittings	1,570
Total number of operations	2,655
Extractions	
Permanent teeth	0

Report of the Town Counsel

Mr. Edward C. Monahan
Town Manager
Robbins Memorial Town Hall
Arlington 74, Massachusetts

Dear Sir:

I herewith submit my report for the year 1961 in accordance with Section 3 of Article 3 of the By-Laws of the Town of Arlington.

There have been thirty accident claims against the Town this year. Seven have been settled as authorized by the Town Manager and the Board of Selectmen. Ten have brought suit and thirteen are in abeyance. Of the previous year's claims and suits, seven were abandoned without suit, one was abandoned at the time it was reached for trial, eight were settled as authorized by the Town Manager and the Board of Selectmen and four are still pending. There were no verdicts against the Town.

Sixteen land damage claims against the Town arising from street widenings and storm drain installations were disposed of by compromise settlements authorized by the Town Manager and the Board of Selectmen.

There was one case pending against the Town before the Massachusetts Appellate Tax Board petitioning for real estate tax abatement. This case was tried and there was a finding for the Town denying the requested abatement.

A Bill in Equity appealing from a decision of the Zoning Board of Appeals resulted in a Final Decree in the Superior Court in favor of the Town and upholding the decision of the Board of Appeals. Two other Bills in Equity brought against the Town resulted in findings for the Town and decrees dismissing the said bills.

A petition for a writ of mandamus was brought in the Superior Court by residents of the area abutting the land on Spy Pond which was rezoned from the Residence B, or two-family, District to the Residence C, or apartment house, District under Article 64 of the Warrant for the 1961 Annual Town Meeting. This petition challenged the power of the Town Meeting to rezone the area in question and alleged that the action taken under Article 64 was invalid and of no effect. This matter was heard by the Court in November in a trial which lasted for ten days. Briefs have been filed. No decision has been handed down by the Court at the time of the preparation of this report.

Substantial amounts of money for aid rendered by the Board of Health and the Symmes Hospital have been collected and turned over to the Town Collector.

Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance have been recovered and turned over to the Town Collector also.

The Town Counsel has been available at regular and special meetings of the Board of Selectmen, has worked in close co-operation with the Town Manager, has rendered opinions as requested by the Town Manager, various Boards, Departments, Committees and Officers, has attended meetings at State Board and Commissions, and has been vigilant in all matters affecting the interest of the Town.

For the kind consideration and co-operation extended to me by all the officials of the Town during the past year, and especially to the Board of Selectmen and Town Manager, I desire to record my sincere appreciation.

Very truly yours,

Joseph A. Purcell
Town Counsel

Annual Report of the Robbins Library for the Year 1961

TRUSTEES

Mrs. Maude Thompson - Appointed Aug. 1961
Mrs. Molly F. Yood
Robert J. Brosnan
Robert T. Uek - Appointed April 1961
J. Milton Washburn, Jr. - Chairman, Sept. 1961
Mrs. Margaret H. Spengler - Chairman, Resigned Aug. 1961
Nicholas F. Troiano - Resigned March 1961

HEAD LIBRARIAN

Judith E. Stromdahl

PROFESSIONAL STAFF

Elizabeth J. Hodges - Assistant Librarian
Elizabeth L. Toohey - Supervisor of Children's Library Activities
Yu T. Chiu, Supervisor of Technical Services
Dorothy L. Hart - Reference Librarian
Esther McQuaid - Head of Circulation
Penelope Maglaque - Music Librarian - Resigned Feb. 1961
Hazel White - Music Librarian
Edith Sanborn - Young People's Librarian - Resigned May 1961
Lucile F. Carpenter - Young People's Librarian
Helen W. Thompson - Branch Librarian - Dallin Branch
Evelyn Colcord - Branch Librarian - East Branch
Ann Anderson - Senior Assistant
Susan E. Casey - Senior Assistant
Stillman Hilton - Senior Assistant
Luz Posada - Senior Assistant
Rose M. Rothenberg - Senior Assistant - Resigned March 1961
Norma B. Herz - Junior Assistant - Resigned Dec. 1961
Norma W. Piper - Junior Assistant - Resigned July 1961

Normand J. Paradis

REPORT OF THE TRUSTEES OF THE ROBBINS LIBRARY

To: Mr. Edward C. Monahan - Town Manager

Dear Mr. Monahan:

The past year has been a trying one for the trustees, staff, custodians, and the many faithful folks, both young and old, who have had to cope with the many inconveniences during the renovation program. In spite of all hindrances, however, with the cooperation of all concerned, the circulation figures show an increase.

We are happy to report that for the present we have a full staff of professional and non-professional workers. This in spite of the fact that our salary scale is below that of many other comparable libraries. We hope that this situation may soon be corrected.

Miss Elizabeth J. Hodges was appointed Assistant Librarian in April. Mrs. Yu T. Chiu has taken over admirably the position of Supervisor of Technical Services, left vacant with the resignation of Miss Mary M. Burgarella. Miss Hazel White, our Music Librarian, with a wealth of experience, has graciously filled the position after the resignation of Mrs. Penelope Maglaque. Mr. Stillman Hilton was well qualified to replace Mrs. Rose M. Rothenberg as a Senior Assistant. We were fortunate to secure the services of Miss Lucile Carpenter as Young People's Librarian when Mrs. Edith Sanborn left to accept a position of Librarian in another public library. Mrs. Norma Herz, a Junior Assistant resigned as of January 1, 1962, and her position has been filled by Mrs. Susan Casey.

Miss Ellen P. Wiese has been appointed Curator of the Robbins Print Collection.

Miss Luz Posada, an exchange librarian from Columbia, South America, is visiting us for a year of experience in North American Library Service.

Two Elementary School Librarians were appointed during the year, Mrs. Doris Schermerhorn, and Mrs. Joan Lee.

There were some changes among the part time personnel, pages, and College and cooperative students.

Mrs. Gordon P. Thompson and Mr. Robert T. Uek were appointed trustees filling the places formerly held so ably by Mrs. Margaret H. Spengler and Mr. Nicholas F. Troiano. The present Chairman was elected to the office in August 1961.

In order to share the many responsibilities, and assist the chairman, the members of the Board have assumed the following duties:

Mrs. Thompson	- School Libraries Friends of the Library
Mr. Brosnan	- Invested Funds
Mr. Uek	- Building and Grounds
Mrs. Yood	- Personnel

Step I in the Renovation Program has been completed. This included installation of the elevator and fire escape. Step II is well under way.

The contract for remodeling the gallery area, installing the lighting and ventilating, and erecting the steel for the new stacks was awarded to Manzelli Construction Company who had a low bid of $21,510.00.

The Estey Corporation was awarded the contract for the stacks with a bid of $6025.00, and this work should be completed this Spring.

The room formerly used by the Catalogue Department is now being used by the Young People, and greatly appreciated by them. New chairs and tables were bought in order to accomodate them.

The Catalogue Department has moved up to the room previously used for the Robbins Print Collection.

The former Young People's alcove has been converted to an Adult Browsing Area. Comfortable chairs for this area are needed.

The Public Works Department has been of great assistance in providing the men and materials with which to erect the shelving in the Catalogue room, and to paint the Catalogue room and hall, and the entire gallery area. This work was completed in December.

Step III, the final phase of our program will be completed when funds are provided to purchase:

1 - Furnishings for the new Music and Art Area
2 - New Functional furniture for the Reference Room
3 - New Charging Desks for the Adult and Junior Libraries
4 - Furniture for the Adult Browsing Areas

The Junior Library Wing, as well as the South and East sides of the Main building have been pointed, so that there should be no more leaks in these areas.

The wood work on the outside of the Main Building has been painted and the wells pointed.

The Dallin Branch has been painted inside and out, exclusive of the meeting hall.

New office space has been prepared and furnished for use of the Librarian's Secretary.

The Friends of the Robbins Library held a very successful meeting during National Library Week in April at the Senior High School auditorium. Over 1000 people bought tickets at $1.00 each to hear Emily Kimbrough and Cleveland Amory tell of their many interesting and amusing experiences. The New England News Company very kindly arranged a book exhibit under the direction of Miss Louise Weiscopf and Miss Kimbrough and Mr. Amory autographed their books for those who so desired. Following the meeting a reception was held in the Reference Room of the Library in order that the committee and invited guests might have an opportunity to meet informally with the guest speakers.

The Trustees held a tea in the Reference Room on Sunday afternoon, November 19, 1961. Invitations were sent to all members of the staff, custodians, Town Manager, Board of Selectmen and former Trustees. The guest of honor was Miss Judith E. Stromdahl, who had earlier in 1961 completed ten years of faithful and devoted service as Librarian. An attractive desk clock was presented to her in recognition of these ten busy and challenging years.

The Town of Arlington received a grant of $10,490.13 from the Commonwealth of Massachusetts as the amount due under the recently passed State Aid to Libraries Legislation. This money went directly into the Town Treasury, even though the Trustees had applied for it, hoping that it could be

used to pay for items not included in the budget. A new bill (House #366) has been introduced into the 1962 Legislature "to provide that such State aid for free public libraries may be expended by library trustees without appropriations."

The Trustees have endeavored to maintain the high level of service and community appreciation which has been established over the past years. This could never have been reached without the full support of the entire staff, and particularly that of Miss Stromdahl, our most esteemed Librarian. Largely because of her endeavor, Robbins Library ranks high among the Public Libraries in the State and Nation.

The Town Manager, Board of Selectmen, Finance Committee, Superintendent of Schools, School Committee, and the many members of the Friends of the Robbins Library have all given willingly of their time and experience to make 1961 a fruitful year for Robbins Library.

Respectfully submitted,

J. Milton Washburn, Jr.
Chairman, Board of Library Trustees

Report of the Librarian for the Year 1961

BOOKS - LIBRARIES - PEOPLE - these form an important triad.

Books are basic to our culture and play an important part in the lives of people, young and old. They give information, impart wisdom, offer consolation, furnish recreation. Books help young and old to solve problems, improve skills, become informed; they promote knowledge of other peoples, stimulate new thoughts, generate new ideas, preserve the best that is known and thought in the world and they offer a challenge for leisure time.

Libraries are "facilities centers", "reservoirs of learning" making available books and other related materials such as newspapers, magazines, phonorecords, and films to those seeking truth, learning, enjoyment. Libraries provide the resources of existing ideas to challenge and enlarge the minds of men. Libraries serve the people.

People are the citizens of each community, the potential users of libraries, those who must keep abreast of world, national and local affairs, those who want to improve themselves in their own fields of work and in their general knowledge whether it be of space exploration or of awakening Africa. People include those whose educational programs demand research resources, those who need revitalizing and refreshment of mind and spirit through recreational reading. They are young people and boys and girls who need help in their school projects, books for reading activities and leisure time hours and books to stretch their imaginations and broaden their horizons.

The Town of Arlington has a library, a good one, with an excellent collection of books provided for the people of the community, young and old, who made wide use of its facilities during 1961. In order to really assess library use during the past year, however, it would be necessary to determine a number of facts, such as what books had influenced which people and what role, in turn, these people had played in the lives of others. It would be necessary to know how many college students used library materials to advantage in preparing papers, and the number of business men who turned to the library for information. It would be needful to ascertain how many housewives and parents looked to the library for books to guide them in training their children, preparing meals, decorating the home, and what "do-it-yourself" books helped individuals to complete special projects. The number of members of the League of Women Voters who found material for their study projects, and the use made of the library by other study and community groups would have to be evaluated, as would also the use made by teachers and group leaders of the community.

It would be necessary to check the readers of the several hundred periodicals which are available and to ascertain the use made of the phonorecords. Were these latter used for study or for group listening, for programming or for individual or family enjoyment? What effect or influence did the records have on the listeners?

It would be necessary also, to know what the children's programs have done for the boys and girls. Did they inspire them to read more, have they, together with the books, broadened horizons and inspired the young with higher ideals and have they perhaps deterred some individuals from joining the ranks of the ever-growing number of delinquents?

These are the intangibles which cannot be measured. However, it can be assumed that the library has played its part in the lives of many, judging from the ever-growing reports of borrowers who acknowledge their debt to the library. The tangible results of the year's work can be measured by

the number of books and related materials which the citizens borowed for home use.

During 1961, total circulation of all materials, not including school libraries, was 454,026 items. Books and periodicals accounted for 432,965 of this number, phonorecords 19,200, films 293, and pictures 1,568. The gain in circulation over the year 1960 was 1,330. The adult circulation and young people's departments were the only ones to show a loss. This, however, was not unexpected. Work on the remodeling project started in January and continued throughout the year. Conditions in the stack area have been far from ideal; of necessity books have been stacked on the floors, many times inaccessible to the public. In fact, on several occasions, the stacks have been closed to the public, and lighting in the center stack aisle has been cut to a minimum. In spite of these conditions, circulation has increased during the latter half of the year, although not to the degree of overcoming earlier losses. Amazing is the only term to express the heavy circulation under most adverse conditions. The excellent service given by the Reader's Advisers and members of the Circulation Department no doubt accounts for this accomplishment.

Perhaps excerpts taken from the various departmental yearly reports will give a glimpse of the library program during the past year. First, in the words of the REFERENCE LIBRARIAN, "the numerous activities of the Reference Department followed a familiar pattern in 1961. There were the students writing papers and preparing for examinations, men using the business guides, people doing puzzles and finally, the use of the reference collection and other sources by the staff to find the answers to questions which the public keeps asking.... All in all, it has been a good year.... More people have used the department for reading and study than ever before and it is to be hoped that they have gone away with a feeling of satisfaction at the way they have been received and accomodated."

The MUSIC LIBRARIAN reported that "the circulation of record albums and films remained practically the same as in 1960. Lack of a substantial increase in these areas no doubt is due in part to the fact that, owing to the remodeling of the mezzanine areas, there were several days when the Music Department was closed. Another factor may have been the lack of space for shelving and exhibiting new records as well as the removal from the music room of tables and chairs for lack of space.

.... Although no definite date in 1962 has been set, the staff is looking forward to the time when the Music and Art Department is moved to the third floor where there will be ample shelving space for both books and record albums....."

According to the YOUNG PEOPLE'S LIBRARIAN, "The most important element of the Young People's Department is the young people themselves.. They come to the library to do research for a term paper, to prepare an oral talk, or look up material for a science project. One may want a novel for a book report, the next, a light novel to read during vacation, and the third many be a mature reader looking for a specific English classic. Or they may have come to the library to leaf through a magazine and meet a friend. These individuals together make the Young People's Department hum with activity. It is the responsibility of the Young People's Librarian to develop the collection and increase her knowledge in order to meet the needs of the young people and guide them as they begin to read adult books and prepare for their adult lives.... A big change in the Department in 1961 was its relocation in a new area, the former cataloguing room. This is a far superior location, for now the young people have a room of their own in which they can congregate without disturbing others. The new chairs have arrived and we are eagerly awaiting the new tables. On a busy night, every chair is filled and the entire book collection, particularly the reference section, is being used.

At the time of moving the books, the collection was weeded and about 1,000 teen-age fiction and non-fiction books were given to the Junior Library for its new Junior High section. The Young People's book collection now contains about 96 per cent, adult books....

The RVT, (Read, View, and Talk Club) is an enthusiastic group of teenagers who meet to review books, hold panel discussions, see films, and listen to speakers. It is a pleasure for Mrs. Butler and Mrs. Hynson, the school librarians, and for me to meet with them and participate in their lively discussions. During 1961 Mr. Holt Ashley, a professor at MIT, talked to them about "Progress in the exploration of space" and Mr. Harry Siegel of the Arlington High School history department talked about integration. Another meeting was an animated panel discussion on the subject of youth codes.

The program is planned by the school librarian and the Young People's Librarian. After that the young people take over, selecting themes and books, planning refreshments, and organizing the panel discussions. I enjoy working with them for it gives me an opportunity to work closely with some of the teenagers.

As the young people seek help in finding an historical novel, a play, or information, I have attempted to teach them how to find the material for themselves. When they need information, I have shown them how to look material up in the card catalogue, reference books, and the Reader's Guide to Periodical Literature. They use the pamphlet file frequently to look up careers for assignments or for their own use. So far, it has met every demand except how to raise huskies to pull sleds in Alaska.

When there is a large demand for a subject, we have put the books on the reserve truck. Shakespeare and Elizabethan England seem to rest there permanently. In November ninety students had to compare the Cavaliers and the Puritans; these books were constantly being used in the room, surrounded by a group of young people sharing their ideas. The High School library and some of the teachers have been helpful in giving me advance notice so that I can locate the books before the requests begin...."

Work with the children is stimulating and challenging. The JUNIOR LIBRARY report carried the following account of some of the activities carried on during 1961, in addition to helping the boys and girls with their reading and reference.

"The past year was filled with a variety of projects and activities which made an interesting and busy schedule in the Junior Library.

We conducted 11 Story Hours, attended by 285 children; 10 Film Strip programs with 355, and 5 movies with 326 in attendance. Four plays were presented by the Hilltop Players, a group of Arlington children under the direction of two teachers. These plays were enjoyed by 295 children, and were presented at different holidays throughout the year.

38 children came to a poetry program held during the Spring and 55 boys and girls enjoyed puppeteer Mrs. Paul Boylen who presented a puppet show for the Young Librarians during Book Week.

During the school year we issued a total of 975 certificates for book reports; of this number, 34 were honor certificates.

There were 276 members in the Summer Reading Club, a gain of 26 children over the previous year.

The exhibits in the glass case were varied and presented some unusual items including a rock collection, a display of Japanese picture books, post cards, and festival decorations, a fine collection of Philippine shells, an autograph collection and a collection of foreign dolls. These exhibits were furnished by the children themselves as well as by adult friends of the library.

In addition to these glass case exhibits, we had an exhibit in the corridor of 14 pastel drawings by the children at the Junior High Industrial Arts.

Booklists for the fourth, fifth, and sixth grades were prepared for summer reading. These were distributed to all the children of the elementary schools.

Classes visited the Junior Library from the Locke and Peirce Schools for book talks during Book Week, as did a class from the Industrial Arts.

Six classes from the Junior High East received library instruction at the Junior Library.

We sent 2,348 books in 54 deposits to schools; this was a decrease over last year. Now that School Libraries have been established in nine schools on a full time basis, we are not sending the number of classroom sets that we did in previous years.

During the summer, as usual, 200 books were sent to Camp Menotomy, and 300 to the Summer Institute Classes at the Crosby School and in September, books went to the Junior High Industrial Arts, the Junior High East and the West.

The development of the School Library program has continued throughout the year. Weekly meetings with the School Librarians have resulted in better coordination of the teaching program and work on a course of study was begun, which we hope to have completed by June 1962.

The School Library circulation figures for the year were as follows:

	1961	1960	Gain or Loss
BISHOP	6,442	7,278	- 836
BRACKETT	6,820	1,343	+ 5,477
CROSBY	5,812	5,820	- 8
CUTTER	8,517	1,587	+ 6,930
DALLIN	7,031	6,026	+ 1,005
HARDY	8,464	8,107	+ 357
LOCKE	5,858	5,725	+ 133
PARMENTER	5,029	787	+ 4,242
THOMPSON	9,363	8,268	+ 1,095
GRAND TOTAL	63,336	44,941	+18,395

The two BRANCH LIBRARIES have been busy places during the past year. At DALLIN "There was an unusually large circulation increase of 10,651 for the year 1960 and it has been of great interest to follow the developments in 1961. For the first four months of the year there were losses amounting to 1,634, attributable to the severe winter and large amount of snow. There were gains for eight months, six of which were the most active months on record at the Dallin Branch. Thus 1961 becomes the most outstanding in the history of the Dallin Branch. The total circulation was 73,070, more than double that of ten years ago when in 1951 the circulation was 35,641.

A review of the juvenile statistics shows a great significance for the future. All during the year planned children's activities were popular, 28 programs were attended by 1,410 boys and girls.... Many adults as well as children have continued to be interested in the Hilltop Players who first started presenting plays at the Dallin Branch under the direction of Mrs. Rita Skinner. The vacation "Reading is Fun" club was enjoyed by 264 members and the summer was the most active on record at Dallin."

The year 1961 at the EAST BRANCH was also a very busy one according to the Branch Librarian who stated, "We are very happy to again have had a substantial increase in circulation with a circulation of 97,240 volumes, a gain of 6,732 over 1960. This is our largest figure on record and more than twice the number of books circulated in 1951.

....Many reference questions were answered. This part of the work is always a challenge and is most enjoyable since we have a fine collection of reference books and material for answering questions. We are happy about our McGraw-Hill Science Encyclopedia for making scientific research so much easier and our Great Books set has been in constant use.... We have tried to give extra help in research to young people in writing papers or with periodical references that will assist in school assignments.... Work with the children is always the best part of our work, even though we cannot have Saturday morning programs due to lack of proper meeting room facilities. Perhaps work with children is so rewarding because they read well and are open to suggestion, so reading tastes can be guided into good channels.... Areas of particular interest with our children are biography, science, history and poetry.

During Spring Book Festival, 18 classes visited the branch for book talks and in Book Week the 33 classes which came were most interested and responsive. Our "Reading is Fun" club did very well during the summer with 290 children participating and a total of 4364 books read for the club program."

No report would be complete without recognition of the part played by the TECHNICAL SERVICES DEPARTMENT in the operation of the library during the year. As has been stated by the Chairman of the Board in his report, this department was moved to new quarters during the year and the department reorganized for efficient operation. Although somewhat smaller in size, the arrangement of the various processes necessary in preparing books for circulation has made the flow of work more logical and satisfactory. During the year, 8,819 books were processed and 2,710 were withdrawn from the collection, making the total number of volumes in the collection on December 31, 1961, 136,856.

For the first time in several years, there were no staff vacancies on December 31; every position was filled. The appointment in April of an Assistant Librarian who also acts as Supervisor of Adult reading services, filled a position which had been vacant over eleven months. Miss Elizabeth J. Hodges, who fills this position is to be especially commended for the fine work she has done with library publicity. With the excellent cooperation of the newspapers, she has kept the public informed on library activities and programs including reports of the visits of the many educators from foreign countries who have visited the library.

The Librarian is aware of the loyal support of all members of the library and custodial staffs. Their help during the past year in making the library both attractive and useful to the community is much appreciated.

The Library has been remembered in many ways during the year. Gifts of books and magazines have been received. Flower arrangements have been placed in the various libraries. Exhibits have been loaned and displays

arranged. To all who have participated in any way in the library program, thanks are herewith given.

1961 has been the busiest year in the history of the library. But busier ones undoubtedly lie ahead. During the past twenty-five years the growth in the American population has been astounding; this population growth is expected to continue making more potential book readers in every age group than ever before. The educational level of the people is constantly rising. More leisure time is becoming available and the changing educational pattern of schools and colleges will have a profound effect on the demand for books. These facts present a challenge to the Town in giving continued support for good library service. They challenge the Trustees and the Staff to recognize changing library needs, to keep abreast of the times and to plan intelligently and wisely for the future.

The members of the Board of Trustees are dedicated to their task. As long as men and women of their calibre are appointed as Library Trustees, the Robbins Library will continue to grow in usefulness. To the members of the Board, the Librarian expresses her most grateful thanks for the year past. Appreciation is due the Town Manager for his help and support, without which the Library could not properly function.

Respectfully submitted,

Judith E. Stromdahl
Librarian

Annual Report of the Department of Public Works

January 29, 1962

Mr. Edward C. Monahan
Town Manager
Robbins Memorial Town Hall
Arlington, Massachusetts

Dear Mr. Monahan:

I herewith submit the Annual Report of the Department of Public Works for the year ending December 31, 1961.

In 1961 the Public Works Department constructed Lowell Street Place, Norcross Street, Granton Park and Crosby Street. Old Colony Road, Arrowhead Lane, Old Middlesex Path, Hemlock Street, Windmill Lane and Candia Street were constructed by private contract.

Under Article 54 of the 1961 Warrant certain Ways which had originally been constructed by Developers were completed by the Department. These streets were Windmill Lane, from Morningside Drive to Old Colony Road; Clyde Terrace, from Forest Street to Washington Street; Washington Street, from Gay Street to Clyde Terrace; Oldham Road, from Country Club Drive to Ridge Street; Osceola Path, from Ridge Street to its end; Yerxa Road, from Hemlock Street to Ridge Street; Candia Street, from Washington Street to Charles Street; Mead Road, from Pine Street to Charles Street; Florence Avenue, from #262 to its end, and Hathaway Circle, from Florence Avenue to Florence Avenue.

New concrete and bituminous concrete sidewalks, drives and new curbstones were installed in various locations throughout the Town. This work was performed under the provisions of Article 25 of the Warrant of 1961. Once again this entire project was completed within the current year.

The program of maintaining permanent public sidewalks was undertaken under the provisions of Article 26. This consists of replacing with concrete or bituminous concrete those areas of public sidewalks which have deteriorated. Our shade trees eventually cause the upheaval of blocks to a point where whole sections must be replaced. These replacements are most worthwhile projects and should be continued.

During 1961 we completed the new Parking Area and Access Roadway which are in the former location of Mystic Street at Massachusetts Avenue. This completes the entire project which was in conjunction with the newly located Mystic Street.

The widening of Jason Street at the southwesterly corner of Massachusetts Avenue under Article 39 was performed entirely by the Department of Public Works. This consisted not only in the widening of the roadway but the complete installation of a new sidewalk and curbstone.

Under Article 38 the northwesterly corner of Massachusetts Avenue and Mill Street was altered by private contract, providing a much desired widening at this intersection.

The entire Public Works Department was moved from its former location at R1083 Massachusetts Avenue to the newly acquired property at #51 Grove Street. Prior to this moving, extensive renovations and alterations were made on the building and grounds at #51 Grove Street. This property

was formerly used by the Mystic Valley Gas Company and had to be altered to suit the operation of a Department of Public Works with its many and diversified duties. The entire job of moving was performed by personnel and equipment of the Department. Approximately 90% of the work in renovating was performed by the Department. There is still much work to be done before this new site can be considered completely efficient for our operation but it is felt that the labor for this work can be performed by our own personnel.

Our Storm Drain System was substantially enlarged by installations as follows: North Brook, from Reed Street northeasterly; Pheasant Avenue, northerly through private lands; Mystic Valley Parkway at Kimball Road; College Avenue, installation of four catch basins. In addition to those mentioned, much drainage was installed by developers, contractors in connection with 1961 Street Construction, and the Department of Public Works in conjunction with 1961 Street Construction. See Table III under item "Storm Drains".

The policy of periodic cleaning of the storm drain mains and catch basins enabled this system to function extremely well during heavy rainfall.

By use of our fleet of power sweepers we are able to sweep our public roadways many times throughout the year. These same sweepers remove the accumulated sand in the Spring and the leaves in the Fall.

Water and Sewer mains were installed in many locations during 1961. In cases where these mains were installed by developers, inspection was provided. This inspection is most necessary inasmuch as the eventual ownership and maintenance of these mains reverts to the Town.

Our entire Sewerage system was maintained and in many sections the mains were flushed and cleaned. This Sewerage main system is now over 110 miles in length and includes 7 electrically operated pump chambers with warning systems. We also serviced those Particular Sewer service connections which became clogged. I must reiterate that this is one of the fine services which we provide to those in distress, no matter what time of the day or night. It is obviously appreciated by those who have had to call upon us.

Our Water main system is now over 122 miles long and must of necessity be kept operating at full efficiency. I feel that the water main cleaning program which we were able to do under the program of "Volumes and Pressures" has been extremely beneficial. The elimination of dead ends has increased the functioning pressure and aided in providing clearer water to residents in such areas. The Fire Department continues to cooperate in every manner possible and with their periodic hydrant pressure tests we are constantly aware of not only the pressure but the working condition of the hydrants.

During 1961 public roads and sidewalks were maintained and 21,845 linear feet of roadways were sealcoated. This is an economical means of prolonging the roadway surface and certainly worthy of continuance.

Rubbish was collected from all dwellings and 90% of the business establishments in the Town. The rubbish is still being disposed of in the Land Reclamation area on Summer Street just east of Reed Street.

When bids were sought for the continued pick-up and disposal of garbage in late 1961 the only bid received was completely unreasonable. Such being the case, the only alternative was for the Department of Public Works to also pick up and dispose of garbage, effective December 1, 1961. This collection now co-incides with our rubbish collection, and all materials are collected

at one time. We are extremely careful that all materials are compressed and adequately covered. We are using recommended chemicals to spray the entire area frequently and it is my sincere belief that the area in no way presents a health problem. The addition of garbage, according to advice, will aid in the disintergration of the materials. In connection with this project we sought professional advice in order that every means would be taken to perform in a competent manner.

It was necessary to put an additional two men on each truck in order that the collection would not be slowed down. This system is working out relatively well with a minimum of complaints.

We were warned well in advance in September that "Hurricane Esther" could possibly cause heavy damage in our area. We prepared in every manner possible for this potential hurricane, procuring additional supplies such as axes, hand saws, pumps, lights, power saws, and putting on the alert suppliers of outside equipment which we might need. Very luckily on September 20, 1961 this area received only heavy rains for which we were well prepared. All drains were kept open, the Mill Brook patrolled, and all citizens who called upon us were aided in the pumping out of basement areas.

During 1961 we were able to obtain from the City of Somerville, through the medium of a sealed bid, three (3) Walters' Snow Fighters; one (1) Elgin Sweeper; one (1) Cletrac sidewalk tractor and two (2) Ford dump trucks. This equipment was all "used" but the purchase has proved to be an excellent one. We are presently using this equipment in our operation.

During the Winter season we kept all streets plowed, sanded and salted. We are fully aware that the residents are accustomed to good service and make every effort to provide same.

We co-operate with the Park Department in providing skating areas wherever possible.

Our Department performed services to all other Departments when called upon.

Board of Selectmen -

Delivered, set-up and maintained voting equipment in all Voting Precincts throughout the Town.

Engineering Department -

Installed Town seals on Department equipment and performed repairs on automotive equipment.

Park Department -

Maintained all department vehicles.

Installed eight (8) water connections to areas planted and maintained as follows: Appleton Street at Massachusetts Avenue; Ridge Street at Oak Hill Drive; Appleton Street at Paul Revere Road; Jason Street at Hillsdale Road; Forest Street at Summer Street; Warren Street at Broadway; Park Circle; and Chestnut Street at Medford Street.

Library Department -

Painted Gallery and performed miscellaneous carpentry.

Removed cabinets from Catalog Room and installed new shelves including painting.

School Department -

Picked up and delivered certain food supplies to School Cafeterias.

Installed berm in parking area at Senior High School. Installed sidewalk to exit door of auditorium at the High School.

Performed miscellaneous sign work, including "Stop" signs on Safety Patrol Banners.

Reconstructed fieldstone wall on Schouler Court side of Senior High School.

Installed bituminous concrete area around underground fuel tanks at Dallin School.

Tree and Moth Departments -

Performed maintenance and servicing of equipment, trucks, etc.

Pheasant Avenue School Building Committee:

Leveled area between School property and land under jurisdiction of Park Department.

Our automotive division serviced and maintained the equipment and vehicles for all Departments other than Police and Fire. The tendency toward almost complete mechanization of Public Works is steadily increasing the number of pieces of equipment to maintain. Presently, with other departments, the number is approximately 140. This consists of heavy equipment such as power shovels; cranes mounted on rubber; road graders; road rollers up to 15 ton weight; front-end loaders; compressors; diaphragm and centrifugal pumps; Walters' Snow-fighters; large trucks, one low-bed trailer and small trucks. All other Departments are allowed to draw upon our automotive stock. In this manner substantial savings can be effected.

The following are the net expenditures made by the Department of Public Works:

General Administration	$ 90,005.84
Highway, Maintenance and General, including Snow and Ice	472,165.15
Capital Outlay	54,833.53
Maintenance of Public Sidewalks	19,263.23
Construction of Ways (1961)	147,557.65
Construction of Ways (1961)	26,964.22
Construction of Ways (1960)	10,542.17
Construction of Ways (1960)	1,574.58
Reconstruction of Certain Streets (1960)	64,019.48

ARLINGTON WATER WORKS
Arlington, Middlesex County, Massachusetts

Population by census of 1961, 49,953
Date of Construction Low Service System, 1872; High Service, 1894.
By whom owned, Town of Arlington.
Source of Supply - Metropolitan Water System.

Consumption

1. Estimated total population at date, 50,500.
2. Estimated population on lines of pipe, 50,500.
3. Estimated population supplied, 50,500.
4. Total consumption for the year 1,723,749,000.
5. Percentage of consumption metered, 100%.
6. Average Daily Consumption 4,722,600.
7. Gallons Per Day Per Capita, 93.

Distribution
(Including Auxiliary Supply from Old Reservoir)

Mains

Five thousand, two hundred eighty-one (5,281) feet of new water mains were laid during the year and two hundred eighteen (218) feet of mains were re-laid during the year and connected with the Metropolitan System. Details of regular water main installation will be found in Table VIII.

1. Kind of pipe; cast-iron, cement and transite.
2. Sizes, from 4 inch to 16 inch.
3. Extended feet during year, 5,281.
4. Number of feet renewed during year, 218.
5. Discontinued during year, 218.
6. Total now in use, 122.61 miles.
7. Cost of repairs per mile, $172.38.
8. Length of pipe less than 4 inches in diameter, 0.
9. Number of hydrants added during year, 14.
10. Number of hydrants now in use, 1,317.
11. Number of stop gates added during year, 36.
12. Number of stop gates now in use, 3,085.
13. Average pressure on mains at center of Town, 110 high system, 80 low system.

Services

One hundred seventy-six (176) services have been added during the year and seven abandoned. There are for all purposes, 4314 on the low, 7664 on the high and 5 on the old Reservoir system. On the Metropolitan water supply there are 95 for municipal purposes, 45 sprinkler services, and 50 for sewer flushing purposes included in the above. On January 1, 1962 there were 190 services temporarily out of use.

1. Kind of pipe: copper, cement-lined, black wrought iron, lead and 3" to 6" cast iron and transite.
2. Sizes, 1 inch to 6 inch.
3. Number of service taps added during year, 176.
4. Number of services abandoned during year, 7.
5. Number of services now in use, 11,976.
6. Percentage of services metered, 100%.

Meters

One hundred seventy-six (176) meters were set during 1961 on services installed in 1960-1961. The total number of meters in use January 1, 1962 was 11,976.

Report of the Town Manager

February 26, 1962

The Honorable Board of Selectmen
Town Hall
Arlington 74, Massachusetts

Gentlemen:

Herewith is submitted my report for the year ending December 31, 1961, which will be my Ninth Annual Report (1953-1961 inclusive) since my appointment as Town Manager on May 1, 1953.

In connection with our constantly increasing local tax rate, the dominating factors continue to be as follows:

1. Inflation - higher costs of labor, materials and services affecting all Town appropriations;

2. Increased state and county charges for M.D.C. sewer and parks, M.T.A. deficits, county hospital and county charges, and Town overlay, which are not offset by state reimbursement to the Town from income and business taxes -- on the contrary, the situation is worsening. For example, in the exchange of funds between the Commonwealth and the Town in 1953, the Town made a net payment of $19,709.39 to the Commonwealth; however, in 1961, the Town was compelled to make a net payment of $317,749.25 to the Commonwealth. As one authoratative critic recently said: "Instead of the Commonwealth assisting the cities and towns in their many problems, especially with respect to the rising cost of schools, the reverse is true."

3. School construction program in the Town;

4. Uncontrollable and non-administrative factors in the Town's appropriation such as debt and interest, Group Life and Health Insurance, pensions, stabilization fund, etc.

The need of cities and towns throughout the Commonwealth for additional funds is "crying" for action. It is to be sincerely hoped that the pleas of all financially sound and prudent citizens that something be done, and done reasonably soon to assist cities and towns in this vital matter, be heard.

Following the study and recommendation of the Harvard Survey Report in 1954, the Town embarked upon an extensive school building program. Since then, three new elementary schools have been constructed; additions have been made to two elementary schools; one elementary school has been completely re-constructed following a fire in the old building; the original Lowe Auditorium in the old high school has been converted to house thirteen classrooms; a very excellent addition has been added to the high school itself; but the end is not yet in sight.

Currently, there is serious discussion about the need of another addition to the high school, and of major remodeling of two or more elementary schools.

There is good reason to believe that the Town will be requested by the School Department to take action on these proposals in 1962 and 1963.

The financial effects of a school construction program are invariably as follows:

1. The year in which the construction of a new school is authorized, there is an important impact on the current tax levy;

2. In future years thereafter, usually twenty years, there is a continual impact on the tax levy each year in connection with debt and interest payments on the borrowing usually required for such new schools; and

3. When construction has been completed and the new school building has been opened for the school children, there is an impact on the tax levy in all the future years thereafter in connection with teachers' salaries, administrative costs, instructional supplies, operating and maintenance costs, etc., to mention only the more important cost factors.

Fortunately for the well-being of our very excellent school system, the tax payers of the Town have consistently revealed a determination to provide adequate school facilities for the school children of the Town. Whenever opportunity presented itself, the Town's taxpayers have unhesitatingly and ungrudgingly supported the school construction program and by their word and action demonstrated a full realization of the impact on the tax levy in all respects in connection with construction of a new school or the re-construction of an old school facility.

In these respects, the Town's residents have realistically "faced up" to the necessity of a first-class school department and the relatively high costs in connection therewith if we are to provide youngsters with a first-class school system in this dynamic and scientific age. Because of the terrific costs involved, the citizens of other communities have "begged" for several years the solution of their expanding school population, only to have to face the music inevitably but under higher cost conditions; and in the meantime, adverse environmental teaching conditions must be tolerated to the detriment of school children.

For a clearer understanding, if it is so needed, of the total impact of the Town's school construction program upon which the Townspeople willingly embarked in 1954, it would appear desirable to examine the effects of this program on the Town's municipal economy since the program's inception in 1954. As basis for my comments and observations, I have included the following data as attachments to this report:

1. Summary comparison of the Assessors' recapitulation sheets for determining the tax rates in 1953 and 1961;

2. Comparison of the net appropriations in the tax levy of 1953 and 1961;

3. Comparative "cherry" sheet for 1953 and 1961;

4. Comparative "estimated receipts" for 1953 and 1961;

5. Comparison of school appropriations for 1953 and 1961; and

6. School Department costs and all other department costs as adjusted for 1953 and 1961.

An examination of the data reveals that school department costs in 1961 show an increase of $1,864,450.00, or 106% over costs in 1953; also, that the costs of all other departments have risen in the same period $1,492,860.00, or 39%. The facts are as follows:

ADJUSTED COST COMPARISON 1953 AND 1961

	1953	1961	Increase	
School Dept.	$1,756,502.	$3,620,952.	+ $1,864,450.	106%
All Others	3,885,034.	5,377,894.	+ 1,492,860.	39%
Total (Adjusted)	$5,641,536.	$8,998,846.	+ $3,357,310.	

Time does not permit a more comprehensive study of all cost factors in connection with the operation of the school department. The school department figures given above do not include many other costs which are properly allocable to that town agency, but which are now charged to all other departments. Some of these would be a proportion of the cost of fire, burglary, Group Life and Health, and Workmen's Compensation Insurance; Contributory Retirement and Pensions; maintenance of the Warren A. Peirce Field, Women Traffic Supervisors; plowing and removal of snow in school areas; also, the annual appropriation for the Insurance Fund and the Stabilization Fund. If such cost apportionment were made, School Department costs given above would have been higher and the costs of all other departments would have been correspondingly lower.

It also should be noted that included in the cost of all other departments given above are several non-controllable appropriations which show the following increases in cost in 1961 vs 1953:

Pensions and Non-Contributory Retirements	$227,603.
Insurance	130,323.
Radio Communication System	50,000.
Stabilization Fund	50,000.
Street Lighting	38,820.
Symmes Hospital Expenses	33,000.

In connection with the figures given above, it should also be noted that a major factor in the increases shown in 1961 vs 1953; consider the following breakdown of payroll for both periods:

PAYROLL COMPARISON

	Schools All Employees	All Other Departments	Total
1961	$2,838,155.57	$2,850,822.77	$5,688,978.34
1953	1,417,854.56	1,914,771.14	3,332,625.70
Increases	$1,420,301.01	$ 936,051.63	$2,356,352.64

It is my sincere hope that as a result of the time and effort put into the foregoing examination, a much clearer understanding will obtain regarding the relative costs of the School Department and all other Town departments as they affect our rising tax rate.

The new Town Yard, purchased from the Gas Company in 1960, located on Grove Street, has been occupied and made useful since the early fall of 1961. It is a vast improvement over the old deteriorated and dilapidated Town Yard on Massachusetts Avenue. It is necessary to point out in this respect, however, that renovations and remodeling must be continued with appropriations for such over the next few years.

The Arlington Youth Council has functioned very satisfactorily this year and had the pleasure of producing an Adult and Youth Code, which has been well received. It is expected that the Townspeople will be asked to approve a moderately sized appropriation at the 1962 Annual Town Meeting for clerical and office expenses.

In view of my lengthy presentation of comparative school and all other costs for the period from 1953 to 1961, I will confine my comments on other factors to my observations as contained under the separate headings of the various departments that come under the administrative supervision of the Town Manager. Reports of the Town Manager's departments follow:

ARLINGTON DEVELOPMENT COMMISSION -- The Development Commission continued its efforts to stimulate and promote business activity so as to eventually furnish some relief for residential tax payers. Major emphasis was devoted to developing Arlington Center. Such efforts are beginning to become fruitful. The beautiful new Telephone Building on Winslow Street, former location of the A & P, is nearing completion. Work has been started on an extensive remodeling of the Arlington National Bank. In process of construction is an addition to the Wilton block at the corner of Massachusetts Avenue and Railroad Avenue, which, when completed, will house on its second floor the Lumbermen's Mutual Casualty Company. A series of meetings were held regarding the possibility of high rise apartment house in the area contiguous to the Town parking lot, which the Development Commission feels would be the most effective use of this property, but final plans are being held in abeyance pending the completion of the Comprehensive Report by the consultant engaged by the Town Planning Board, expected in March of the ensuing year. The Commission is hopeful that the development of the Arlington Center area will be further enhanced by a proposal for off-street parking in the rear of Railroad Avenue, which is expected to be presented for adoption at the Annual Town Meeting in March. During the year the Development Commission spent considerable time seeking a desirable purchaser of the Old Town Yard. The Commission feels that this particular property should not be sold unless and until it can bring substantial tax revenue to the Town. During the year the Commission has kept in constant contact with the owners of the so-called Star Market Property located on Route 2, which dormant situation is expected to become active in 1962. At the close of the year, the Star Market announced plans for a 50,000 square-foot market plus a 300,000 square-foot department store on this site, which, if finally effectuated, would result in the biggest revenue producer to the Town of any single business property. The members of the Commission are to be sincerely thanked for their very capable, intelligent, and unselfish contributions to the Town's present and future economy.

BUILDING DEPARTMENT -- Lack of available sites brought a further reduction in the number of single family house permits in 1961. Despite the broadening of the zoning by-laws to encourage the construction of apartment houses, there has been no appreciable increase in permits for apartment houses. There follows below a comparison of the total number of dwelling units represented by the annual building permits issued each year from 1953 to 1961 inclusive.

COMPARISON OF TOTAL NUMBER OF DWELLING UNITS REPRESENTED BY ANNUAL BUILDING PERMITS

	Number of Dwelling Units 1-Family Houses	Number of Dwelling Units 2-Family Houses	Number of Dwelling Units Apt. Houses	Total Number Dwelling Units
1953	205	22	31	258
1954	212	8	20	240
1955	199	4	58	261

COMPARISON OF TOTAL NUMBER OF DWELLING UNITS REPRESENTED BY ANNUAL BUILDING PERMITS (Continued)

	Number of Dwelling Units 1-Family Houses	Number of Dwelling Units 2-Family Houses	Number of Dwelling Units Apt. Houses	Total Number Dwelling Units
1956	158	12	9	179
1957	157	2	22	181
1958	183	8	70	261
1959	227	4	64	295
1960	155	4	31	190
1961	128	12	55	195
	1624	76	360	2060

The foregoing comparison reveals the long-anticipated decline in the number of permits for single family houses, and is not surprising, therefore, in this particular respect. However, the upward trend in permits for apartment buildings, which was expected when the zoning by-laws were broadened, has not transpired and is a matter of considerable disappointment. It would appear that present height limitations make it unfeasible from a cost and projected income standpoint for investors to construct apartment buildings in the Town. In the best interest of the Town, as pointed out time and time again in these annual reports, it is almost mandatory that the construction of apartment houses be encouraged if we are to avoid in the future much higher real estate tax rates with their seriously adverse effects upon the residents of the Town generally. I strongly urge that the zoning by-laws be further amended so as to permit the construction of "high rise" apartment houses in the Town, which would encourage real estate management groups to invest in the Town's future.

CEMETERY DEPARTMENT -- Progress continued in the development of land on the westerly side of Mill Brook. Landscaping and general repairs and improvements also continued during the year 1961. There were 436 internments during the year, an increase of 33 over the previous year's total. It is interesting to point out that during the past eight years, the number of internments has increased from 332 in 1953 to 436 in 1961; during this period of time, the gross income of the Cemetery Department increased from $47,675.00 in 1953 to $77,159.00 in 1961; both of which figures reveal a tremendously accelerated pace of operation in this important Town department. It is understandable, under the circumstances, why the Cemetery Commissioners and the Superintendent of the Cemetery must be constantly engaged in leveling and seeding and making ready new land for future use. During the current year, it is therefore necessary to conduct a survey to estimate the maximum number of years that this facility will be available for internment. The superb maintenance of the Cemetery in all of its aspects is a credit to the Commissioners, the Superintendent, and the employees of the department.

CIVIL DEFENSE -- Because of the public exhortations of President John F. Kennedy, previous public apathy has now been replaced by a considerable increase in public interest, and, as a result, it is to be hoped that we are now entering into a period of public understanding and cooperation. Based upon the most authoritative current advice, it would appear that fallout shelters are absolutely necessary to protect against large-yield thermonuclear weapons. Thousands of circulars of instructions as to the construction and use of fallout shelters have been distributed to every home in the Town. The Director has appeared before the Board of Selectmen, the School Committee, and as many large civic groups as possible to demonstrate by slides the varying effects of fallout at varying distances from

point 0; it is the intention of the Director, with as many as volunteers that may be recruited, to expand and broaden the scope of these demonstrations and lectures. At the close of the year, it appears that the Federal Government is concentrating on a study and subsequent construction of public shelters for large groups of people. The Federal Government this year on a Matching Fund basis paid for one-half of the costs of the telephone and the electric energy in the Director's office. The Director has cooperated to the fullest extent possible with the Police Chief, the Fire Chief, the Superintendent of Public Works and others, in our successful efforts to obtain Federal Matching Funds in connection with our new Radio Broadcasting and Receiving System. Already, the Federal Government has agreed to defray one-half of the costs of the total costs in the amount of approximately $35,000; as this report is written, the specifications for this new Radio System are in the hands of the Federal Government for final approval, after which, sealed bids will be solicited. It is sincerely hoped that the new Radio System will be ready for use sometime the latter part of 1962. During 1961, members of the Auxiliary Police Department and of the Auxiliary Fire Department continued to render tremendous services to the Townspeople, for which all of us may be eternally grateful. During the year, surplus equipment with a Government cost of $51,250.60 was acquired at a Town cost of $873.11, representing a savings to the Town of $50,377.49. Radio "Hams" did their usual fine job in communications during various alerts, including Hallowe'en Night during the year just ended. During the last week in June, the Director attended a Radiological Defense Officers' Course at Eastern Instructor Training Center, Brooklyn, New York, and qualified as a Radiological Defense Officer. The Director is to be commended for the fine job he did during the past year without regard to his personal time and inconvenience.

ENGINEERING DEPARTMENT -- This department designed, provided estimated costs, staked and laid out lines, grades, etc., for the various construction projects built by or for the Town. It also drew the contracts and supervised and inspected the work of contractors. Final surveys, record plans, assessments, etc., were made and calculated by this department. The re-location of Mystic Street, the extension of the Muncipal Parking Area and the revision of the Arlington Center Traffic Signals were completed in 1961 under the supervision of this department. Study plans, estimates, recommendations and assistance were furnished various boards, offices and departments. Traffic engineering work increased noticeably during 1961. The excellent work of this department continued under the supervision of Town Engineer W. H. Roby, who has rendered noteworthy and outstanding services to the Town of Arlington.

DRAINAGE -- The beginning of a long-term drainage improvement program was initiated during 1961 pursuant to a comprehensive study of Town drainage by Town Engineer W. H. Roby. It is planned to carry on this program, costing approximately $25,000 each year, for a period of five or six years until flooding in various low areas throughout the Town pursuant to flash storms is eventually eliminated.

FIRE DEPARTMENT -- Fire prevention and in-service training continued, also fire drills in schools, dwelling inspections, hydrant inspections, company drills, etc. Apparatus response and fire damages were off for the year as compared with the year 1960. Record-breaking snow storms on January 20th and February 4th with intense wind and drifting necessitated the calling-in of off-duty firefighters during such emergencies. The Department on September 21, 1961, was placed on a stand-by alert because Hurricane Esther threatened; however, the full force of this hurricane was not felt, although many cellars had to be pumped out because of the heavy rains that eventuated. Auxiliary Firefighters, a dedicated and devoted group of citizens, continued to give valuable time to assist the regular Fire Department during fires and emergencies. Firefighters deserve praise for

their work and efforts in maintaining so well the Town's three fire stations at great financial savings to the Town. Regular maintenance and major repairs of fire apparatus were accomplished under the direction of the Master Mechanic. During the year, the New England Fire Insurance Rating Association, at the Town's request, conducted a survey of departmental operations, subsequently making many recommendations for improvements which are being put into effect. It is decidedly advantageous to the Town to have surveyed every five or ten years all operational and administrative facets of departmental operations, which survey constitutes an objective and dispassionate evaluation of the Town's Fire Department.

BOARD OF HEALTH -- All public health functions were performed in the usual way, such as communicable diseases, licensing, tuberculosis clinics, milk inspections, physical examination of school children at parochial and other private schools, dog vaccinations, environmental sanitation, etc. Supervision of the contract for the collection of garbage ended December 1, 1961, with the expiration of the garbage collection contract, after which, collections and supervision were assumed by the Public Works Department. During the year, at the state level, the number of sanitoria throughout the state was in process of considerable reduction pursuant to previous legislative action; this reduction in sanitoria will eventually considerably reduce the Town's costs.

LEGAL DEPARTMENT -- Various bills and equities resulted in favorable decrees in favor of the Town. Remaining unsettled, the Russell Common Land Case and the Chapter 90 widening of Massachusetts Avenue affecting Hutchinson's Candy Store, both of which could prove to be quite expensive to the Town. Substantial amounts of money for aid rendered by the Bureau of Old Age Assistance had been recovered and turned over to the Town Treasurer. Similarily, substantial amounts of money for aid rendered by the Board of Health in the Symmes Hospital have also been collected and turned over to the Town Treasurer. Miscellaneous claims were processed and settled with the approval of the Board of Selectmen and the Town Manager. Legal advice given to practically all Town Departments and agencies during the year.

LIBRARY -- Circulation figures show an increase despite the many inconveniences during the renovation program. Step one in the renovation program has been completed; step two is well under way; step three is expected to get started in the ensuing year with the necessary funds being furnished by the 1962 Annual Town Meeting. The Friends of the Robbins Library held a very successful meeting during National Library Week in April at the Senior High School Auditorium with over 1,000 people present. For several years, the Robbins Library has ranked high among the public libraries in the state and the nation, but the cost of attaining such high status has been relatively high as compared with library costs in many other towns of the Commonwealth. It is my sincere hope that the major physical changes in the library plant will enhance the efficiency of library operations in the interest of the Town's taxpayers.

MAINTENANCE DEPARTMENT -- All required maintenance and repairs of Town-owned buildings, with major emphasis on school buildings, were done. Outside school visitors to the Town frequently comment most favorably on the well-kept condition of our school facilities. Thanks to the good work done by the maintenance men and the custodians.

PARK AND RECREATION -- General maintenance of our fields and recreation areas continued. The Reservoir Beach swimming area was further improved. Twenty-two skating days were recorded as compared to fifty-two; two heavy snow storms, each of record-breaking proportions, caused the reduction in skating days during 1961. Increasing demands for flower beds throughout the Town are straining the personnel and equipment

of the Park Department. Among the recreational activities supervised directly or indirectly by the Park Department were skating, golf, bowling, basketball, softball, baseball, archery, ballroom dancing, arts and crafts, tennis, swimming, summer playground, attendance at Boston Red Sox Games, the Golden Age Club, etc. The double responsibility of maintaining facilities and also programming activities is a tremendous burden on the Superintendent because of the absence of a full-time professionally qualified recreation person to supervise the recreational activities of the department. Once again, I would express the hope as I did in my last Annual Report, that during the ensuing year we find a qualified person to assist the Superintendent, but giving his full time to recreation. This need is emphasized when we consider the stress being made by President John F. Kennedy, and by his predecessor, Dwight Eisenhower, on the dire need of expanded programs in physical fitness throughout the nation.

PLANNING BOARD -- The Planning Board had an unusually busy year in 1961. Work continued to 1961 on the Comprehensive Plan which is being prepared by its consultants. This project is financed in part through an Urban Planning Assistance Grant from the U.S. Housing and Home Finance Agency under the provisions of Section 701 of the Housing Act of 1954. This project began in August of 1960, with final completion expected in March of the ensuing year. The Board during the year held eighteen meetings of its own, participated in fifteen meetings with various Town Officials, and held eight public hearings on proposed zoning by-law changes prior to the Annual Town Meeting in March and the Special Town Meeting in August. While most of the Board's recommendations relative to the revisions of the zoning by-laws were adopted by the Annual Town Meeting, the Board experienced a drastic reversal and setback in connection with its adverse report on the re-zoning of land, heretofore of little or no economic value, to Resident C apartment district; at the August Special Town Meeting called for the specific purpose, the Board's recommendation was again repudiated overwhelmingly by the Town Meeting; subsequently interested residents brought suit in the Superior Court to reverse the decisions of the Annual Town Meeting and the subsequent Special Town Meeting. To encourage apartment house construction, the Board is preparing recommendations for re-zoning revisions, which would raise the height limitations to 75' for apartment houses in some areas of the Town. I am fearful, however, that the effectiveness of this "high rise" for apartment houses may be completely neutralized or vitiated by restrictive provisions in connection with other phases of apartment house construction, which may discourage investors. The Board is not recommending a full-time professional planner and staff to carry forward the planning work begun under the Comprehensive Plan, rather is it advocating that the Town defer such arrangement for approximately one year until two important planning programs not presently covered by Chapter 701 are completed. In October, the Chairman of the Planning Board, together with the Chairman of the Board of Selectmen and the Chairman of the Development Commission, were appointed to represent Arlington on the Community Advisory Council established by the Massachusetts Transportation Commission, which has undertaken a Comprehensive Survey for the Boston Metropolitan region.

POLICE DEPARTMENT -- Enforcement of traffic violations continued to be accelerated during the year. The campaign against indecent literature continued with reasonable success. The Chief of the Department, acting as an advisor to the Arlington Youth Council, participated with the Youth Council in connection with the preparation of a Parent and Youth Code for the Town. The members of the Department, from the Chief down through the ranks of the patrolmen, by their attention to their duties and responsibilities, once again warranted and received the approbation of the Townspeople, and deservedly so. Members of the Auxiliary Police Department continued to render magnificent volunteer services without compensation to the Townspeople. It is strongly recommended that the Police Department

Annual Report, of which this is a mere summary, be read carefully in order to become fully informed about Police Department activities.

PUBLIC WORKS DEPARTMENT -- This department continued to render tremendous public service. Major work during the year consisted of highway construction, highway maintenance, street sweeping, sealcoating, snow removal, rubbish collections including operations of a sanitary landfill, water maintenance, meter installations, cleaning of water mains, hydrant installations and hydrant repairs, sewer maintenance, drain maintenance, construction of sidewalks, maintenance of public sidewalks, repairs and garaging of Public Works equipment plus over thirty other departmental cars, miscellaneous work for other departments, the scraping and cleaning off of skating areas for the Park Department, regrading of the swimming area at Reservoir Beach, etc., etc.

A five-year program of enlarging storm drains in critical areas throughout the Town was begun with the laying of a new storm drain in Elmhurst Road; this work must be continued until all bottlenecks are eliminated throughout the Town. Because the garbage collection contract previously under the supervision of the local Board of Health expired in the latter part of November, 1961, with no bids received for its renewal except that what was considered to be highly unreasonable prices, the Public Works Department took on the job of collecting garbage beginning December 1, 1961. In the spring of 1962, it may become more propitious for advertising for contract collection of garbage at reasonable prices to the Town. During the year, the department successfully bid for equipment offered for sale by the City of Somerville; with the cooperation of the Board of Selectmen and the Finance Committee, the Town submitted a successful bid of $12,500 for such equipment, which, by any reasonable appraisal, had an intrinsic value of in excess of $90,000. The Public Works Department during the year completed the first stage of its remodeling of the New Town Yard in Grove Street, holding an open house for inspection purposes during the month of November. All those who visited the New Town Yard were high in their praises for the wonderful remodeling, reconstruction and conversion job done. It is to be remembered in this respect that said conversion was accomplished with no lessening of the calibre of the normal public services rendered by the department. Superintendent of Public Works Francis N. O'Hara and all personnel of the Public Works Department are to be commended for the magnificent work done. It is expected that the Old Town Yard on Massachusetts Avenue will soon be offered for sale by the Board of Selectmen, who were authorized by the Town Meeting to dispose of this valuable property. The Public Works Department in Arlington continues to be second to none in the Commonwealth in the efficient services rendered at lowest possible cost to the residents.

PURCHASING DEPARTMENT -- The spirit as well as the letter of Town By-Laws has been complied with in connection with competitive bidding for Town requirements. During the year, the Federal Government's restrictions on the import of residual fuel cost the Town an additional $2,000 plus for its fuel requirements. The Town continued to be favored by the lowest price for gasoline of any nearby city or town in the greater Boston area. In addition to this most favorable purchase price, the successful vendor in 1961 furnished gratis to the Town two 4,000-gallon tanks and two pumps at the new Public Works Yard. Obtaining bids on our annual requirements to be delivered intermittently as needed throughout the entire year has resulted in substantial savings. Wherever possible, quality and price considered, local vendors are favored. As purchase orders are issued, the funds required are automatically encumbered by the Town Accountant, which fulfills the twofold purpose of control of the appropriations and assurance to vendors of payment when the subject of the purchase order is delivered to the Town in accordance with the terms and conditions of the purchase commitment.

SNOW REMOVAL -- Two major storms of record proportions each struck the Town in January and February respectively, involving tremendously high costs of plowing and subsequent removal. Extremely low temperatures during both months necessitated extensive sanding operations throughout the Town, but especially in the higher areas of Morningside and Arlington Heights. Economy in operations continued to be put into effect during the year in the plowing and removing of snow. The rising rental costs of contractors' equipment continued to be alleviated by the utilization of all possible town equipment in plowing and removal. Cooperation of storekeepers in cleaning off their sidewalks improved during the winter. Gasoline stations and other business properties with large open areas continued to be a problem during and after snow storms, in connection with their violations of town by-laws in the pushing or plowing of snow from their business premises into the public way. It becomes almost mandatory during the ensuing year that the Police Department become even more energetic in the elimination of these violations which increase town costs in snow operations. During the month of November, a snow storm of unusually high intensity was experienced, which was quite abnormal for that time of year. During the year, several conferences between the Superintendent of Schools, the Chief of Police, the Safety Officers of the Police Department and of the School Department, and the Town Manager resulted in the laying out of 28 miles of public sidewalk to be plowed in the future to assure the safety of youngsters going to and from their schools throughout the Town.

STREET LIGHTING -- Based upon the sound principle that good street lighting is a crime deterrent, there was a continuance of improvements in our street lighting throughout the Town, especially in our primary and secondary streets during the year of 1961.

TREE DEPARTMENT -- Four hundred and fifty trees, seventy-five more than in the previous year, were planted in 1961 on new streets constructed by the Public Works Department and private contractors throughout the year. The regular schedule of the Moth Department was carried on during the year. One thousand and forty-eight private trees were sprayed during the year at the request of property owners who are billed by the Town for the cost of the work. Plans are being made for private trees to be sprayed in future years by the helicopter method, which has been so successful in connection with the spraying of Menotomy Rocks Park for the past several years. It is expected that this new method will be thoroughly studied and considered in connection with the presentation of the appropriation of the department for the ensuing year. The grounds bordering the Town Hall and the Robbins House were maintained in the usual manner. Dutch Elm Disease continues to be a serious problem, with no known cure outside of removing the trees, burning them up, or burying them. Verticillium Wilt on Maple Trees was again prevalent during the year. This disease caused removal of an increasing number of Maple Trees; this disease requires constant watching. As usual, personnel in this department removed snow from the front platform of the Town Hall, the walks through the grounds, and the parking areas in the rear of the building and the rear of the Robbins House.

WELFARE DEPARTMENT -- Caseloads in practically all categories continued to decline. Medical and hospital costs continued to increase, which offset in great part the normal reduced expenditures which might be expected from a declining caseload. It is too soon to properly appraise the new category, "Medical Assistance for the Aged", otherwise known as "MAA', which was created the latter part of the year 1960 by Federal and State authorities. In theorty, this program is designed to reduce expenditures by cities and towns, but we shall have to await greater experience with this program to determine whether or not theoretical gains to cities and towns will work out in actual practice. The relative stability of our national economy once again resulted in lower appropriations by the Town for all categories of Welfare;

it is difficult to believe, but it is none the less the truth, that Town appropriations for these purposes are presently lower than they were in 1953. During the year, the State Department of Public Welfare accelerated somewhat its former slow pace of reimbursement to cities and towns, which aided the Town's economy in this respect.

VETERANS' SERVICES -- Considerate and sympathetic services to Veterans and their families continued. During the year, a total of 8,895 various types and kinds of services was rendered to Veterans and their families. In 1961, medical aid for the aged and hospital aid assumed huge proportions. The cost of hospitalization is so great nowadays that people of ordinary means cannot cope with it -- they are forced to apply for aid if hospitalized for more than a week. Thus, the Department of Veterans' Services has more calls for aid because of hospitalization in 1961 than in any two previous years. There seems to be no prospect that the calls for aid will grow less in the immediate future. Reimbursements from the state which were in arrears one year ago to the extent of fifteen months are presently only ten months in arrears. The Town Treasurer benefits by this speed-up in re-payments.

CONCLUSION -- For their cooperation during the year, I wish to thank the Honorable Board of Selectmen, the Finance Committee, the Personnel Board, the School Committee, the Board of Assessors, the Office of Town Collector and Treasurer, and all other town departments, board and commissions.

My thanks are extended to the employees of all departments under my supervision and control who are especially deserving of my gratitude for their fine teamwork during the year. Considering the number of complaints and the enormity of the task, faults have apparently been relatively few in the rendering of public service to the citizens of the Town.

The Town of Arlington is indeed fortunate in the number of outstanding citizens, including Town Meeting members and members of school building committees, who give of their time and effort with no compensation to the various unpaid boards and commissions of the Town Government. Sincere thanks are expressed to them for their truly tremendous services to the town during the year just closed.

To the citizens of the Town, my sincere thanks are extended for their continued cooperation, confidence and encouragement which make worthwhile every effort expended in their behalf by their town employees, including the Town Manager.

Reference is made to other sections of this annual report for information, statistics and data of the various Town Departments for the year ending December 31, 1961.

Respectfully submitted,

Edward C. Monahan
Town Manager

SUMMARY COMPARISON OF THE ASSESSORS' RECAPITULATION SHEETS FOR DETERMINING THE TAX RATES IN 1953 AND 1961

Debits	1953	1961
Appropriations	$ 5,543,096.95	$ 8,805,115.80
Overlay Deficit	6,183.37	10,428.88
Payable to State	576,065.54	1,216,259.17

COMPARISON OF SCHOOL APPROPRIATION 1953 and 1961

SCHOOL DEPARTMENT	1953	1961	Increase
General Control	$ 28,641	$ 76,223	$ 47,582
Instructional Services	1,238,798	2,499,563	1,260,765
Operation of Plant	187,295	358,107)	
		Art. 6)	
		Art. 16 10,943.40)	180,462
Maintenance of Plant	113,060	111,767)	
Auxiliary Agencies	28,510	44,680	16,170
Capital Outlay	45,231	47,006	1,775
Vocational School Tuition	4,760	2,000	(- 2,760)
Athletics	6,000	15,000	9,000
Cafeterias	6,000	24,779	18,779
State Aided Vocational	500	3,000	2,500
Out of State Travel	200	1,000	800
Study - School Sites	4,000		
	$1,662,995	$3,191,923.40	$1,528,928.40

SCHOOL DEPARTMENT COSTS and ALL OTHER DEPARTMENT COSTS as ADJUSTED FOR 1953 and 1961

The total appropriations for Warrant Articles in 1953 and 1961 were $5,543,096.95 and $8,805,115.80 broken down as follows:

Total Appropriations for Warrant Articles

	1953	1961
SCHOOL DEPT.	$1,662,995.00	$3,191,923.40
ALL OTHERS	3,880,101.95	5,613,192.40
TOTAL	$5,543,096.95	$8,805,115.80

For a more accurate determination of relative costs, the above figures should be adjusted by transferring to "School Dept." costs, the cost of debt payments on School Department borrowings presently included in All Other Costs; also the figures should be further adjusted by adding to both categories the proportionate share of the Overlay Account as shown in the Assessors' Recapitulation Sheet for both years, as follows:

	School Dept.	All Other Departments
Costs for 1961	$3,620,952 (1)	$5,377,894 (3)
Costs for 1953	1,756,502 (2)	3,885,034 (4)
Cost Increase	$1,864,450	$1,492,860
Percentage Increase	106%	38.4%

Notes: (1) Includes Payments on Debt of $357,330; Overlay $ 71,699
(2) Includes Payments on Debt of 57,075; Overlay 36,432
(3) Includes Payments on Debt of 195,050; Overlay 122,032
(4) Includes Payments on Debt of 83,890; Overlay 62,008
